M.L.A. Yellowknife

Dear, Ipeelee

This proposal is from the Hunter's and Trapper's Assoc of Pangnirtung. Our prime concerns are the people who do not have relatives to hunt for them along with the elders, as we are committed to help them. We seek \$10,000.00 for These programs. Much of our spendings would be to take the elders to remote areas as they see fit.

The other part of the proposal is for a secretary managers full-time wages as the Directors handle in serious matters, and matters needing much input. These would be for the wages and also we ask for Honorairum expences. We seek your support for the above expenses of \$30,000.00.

Lastly, for heating expenses and to renovate or fix up the H.T.A.store , We seek \$6,000.00

Thanking you in advance, I remain
