Dear Mr. ~~Ernecke~~ Peter

As a representative of NWT Co-op Bus. Dev. Funds, I am asking your support on or P.O.L. tenders, as we are a number one Inuit employers.

I am asking to support all ^{Co-op} P.O.L. tenders throughout the NWT.

As you are probably aware most of the co-ops bids are the lowest throughout the NWT.

For example Baker Lake co-op should be given the opportunity to prove that it can deliver at this price which on the surface appears low. Relative to other similar communities, this price is in line.

Please also consider Rankin Inlet co-op very seriously.

Thank you for your considerations.
