JULY 1999 UPDATE TO ONLINE HANDBOOK

The July 1999 update to the Excluded Employees' Handbook reflects changes as a result of the implementation of the new Hay Job Evaluation System and new pay grids to accompany this system. The updated version also includes changes to the Northern Allowance and to Mandatory Leave.

The 1999 update continues to be separated into six files, so that individually, each of the files will load faster.

There are Page arrows at the start and end of each file, so that it is easy to move from one file to the next or previous file.

Please keep in mind that with the Handbook being in separate files, you must go to each file in order to print the entire Handbook.

INTRODUCTION

The purpose of the Excluded Employees' Handbook is to describe the terms and conditions of your employment as an excluded employee with the Government of the Northwest Territories.

Excluded employees are those employees who are not represented by the Union of Northern Workers or the Northwest Territories Teachers' Association and are not included in the Management Group.

These terms and conditions of employment are established by the *Public Service Act*, the Public Service Regulations, and policies of the Executive Council as amended from time to time. **It is a term and condition of your employment that changes to the *Public Service Act*, *Public Service Regulations* and policies of the Executive Council amend the terms and conditions of your employment on their effective date.** Those authorities prevail if there is any discrepancy between them and the information in this Handbook. The Handbook will be updated periodically as changes are made.

The Human Resource Manual has operational rules and guidelines for these terms and conditions of employment. If you have any specific questions you should direct them to the Human Resource Practitioners within their Department, Board or Agency.

- including prior service with the municipalities and hamlets of the Northwest Territories if you were hired or transferred within three months;
- if you were re-appointed after being laid off, employment in the position held at the time of your lay-off is included, if the lay-off was after April 1, 1970;
- if you were re-employed by the Government within three months, employment in the position held at the time of termination will be included. This does not apply if you were dismissed, you abandoned the position or you were rejected on probation.

Dependant

Any person living with you who is:

- your spouse;
- your child, step-child, adopted child or foster child who is
 - under 21 years old and dependent on you for support; or
 - 21 years old or older and is dependent on you because of mental or physical illness.
- a relative who is wholly dependent on you for support because of mental or physical illness.

To live with you means to live in the same dwelling. Normally this will be where the person receives mail, keeps personal property and spends the majority of time.

Employee

An excluded employee of the Government.

Employer

The Government of the Northwest Territories as represented by the Chairman of the Financial Management Board or designate.

Lay-Off

An employee whose employment has been terminated because of lack of work or because of the discontinuance of a function and who is suitable for continued employment in the Public Service. Lay off does not mean an employee whose employment has been terminated because of a transfer of the work or function to another employer where the employee is offered employment with the new employer.

Manager

The Public Service Regulations define Manager as an employee responsible for planning, organizing, coordinating, directing and controlling the use of persons, material and money.

Professional

An employee hired to do work requiring a body of knowledge and membership in a professional association.

Professional Association

A body which regulates the performance of their members, is recognized by legislation and gives authority to members to perform certain functions.

OATH OF OFFICE AND SECRECY

You must take the following oath:

I, (...), solemnly and sincerely swear that I will faithfully and honestly fulfil the duties that devolve upon me by reason of my employment in the public service of the Northwest Territories and that I will not, without due authority, disclose or make known any matter that comes to my knowledge by reason of such employment. So help me God.

OR

If you object to taking an oath, you must make the following affirmation:

I, (...), solemnly affirm and declare that I will faithfully and honestly fulfil the duties that devolve upon me by reason of my employment in the public service of the Northwest Territories and that I will not, without due authority, disclose or make known any matter that comes to my knowledge by reason of such employment.

SMOKE FREE ENVIRONMENT

A smoke free environment is provided.

AFFIRMATIVE ACTION

The Government is committed to achieving a representative workforce. When the Government hires, people belonging to certain designated groups are given priority. The priority ranges from #1 (highest) to #4 (lowest). There are different priorities depending on the type of job.

For management and non-traditional jobs, the priorities are:

1. Indigenous Aboriginal persons
2. Resident women
3. Indigenous Non-Aboriginal or Resident Disabled persons
4. All other applicants

For all other jobs, the priorities are:

1. Indigenous Aboriginal persons
2. Indigenous Non-Aboriginal or Resident Disabled persons
3. All other applicants

An **Indigenous Aboriginal Person** is any Dene, Metis or Inuit person who was born in the Northwest Territories. It also includes Canadian Aboriginal people who have lived more than one-half their lives in the Northwest Territories, or who are descendants of an Aboriginal person born in the Northwest Territories.

Indigenous Non-Aboriginal Persons are Non-Aboriginal persons born in the Northwest Territories or who have lived more than one-half their lives in the Northwest Territories.

Resident Women are women who are living in and who have lived in the Northwest Territories for at least one year immediately prior to applying on a competition.

Resident Disabled Persons are persons who are living in and who have lived in the Northwest Territories for at least one year immediately prior to applying on a competition and who are at a disadvantage because of a medically certified learning, mental, emotional or physical disability.

Management Positions are positions responsible for planning, organizing, staffing, directing and controlling the activities of programs or services through subordinate supervisors.

Non-Traditional Occupations are occupations which are male dominated. This means 70% or more of the incumbents are male and there are ten or more occupied positions in the classification group or sub-group.

You can only include yourself in one priority group. For example, you will not get extra consideration for being an aboriginal, resident female.

DISCRIMINATION/HARASSMENT

The Government is committed to providing a workplace free of discrimination, harassment, interference, restriction or coercion with respect to race, creed, colour, sex, marital status, nationality, ancestry, place of origin, disability, age, family, pardoned convictions, sexual orientation, or any other grounds proscribed by applicable legislation.

A discriminatory employment practice is one in which an employer:

- refuses to employ or continue to employ any individual on any ground or grounds listed above; or
- in the course of employment, differentiates adversely in relation to an employee on any ground or grounds listed above.

It is not a discriminatory practice to have a special program, for example, the Government Affirmative Action Program, which is designed to correct historical disadvantages.

Workplace Conflict Resolution Policy

The Government recognizes the diversity of the Public Service and is committed to providing a work environment where all individuals are treated with fairness, dignity and respect. The Government endeavours to have a workplace free from sexual harassment, personal harassment and the abuse of authority.

Sexual harassment includes behaviour, contact, actions or remarks of a sexual nature that are unwanted, unsolicited or may be perceived as placing a condition of a sexual nature on their employment.

Harassment includes any improper conduct, comment or display directed at another employee in which a reasonable person would know is unwelcome. All employees are responsible for respecting the rights of others and contributing to a work environment that is free from harassment.

Abuse of Authority is a form of harassment, which occurs when an individual uses the power and authority inherent in their position to endanger another employee's job, or otherwise interfere or influence their present and future employment with the Government.

PROBATION

Probationary periods are an opportunity to learn if you are suitable for the position to which you have been appointed.

Your probationary period begins on the first day in your position and lasts:

- six months if you are transferred or promoted to another position in the public service;
- six months if you are appointed to a position below Pay Range 13 ; or
- one year if you are appointed to a position at or above Pay Range 13.

Extension of a probationary period may be approved at the Superintendent/Director level.

SALARY

You are paid based on the point value of your job, as determined by the Hay job evaluation system. Hourly salaries for each point range are included in the Appendix.

Pay increments are granted in recognition of service and good performance.

The increment date (annual review date) is based on the anniversary date of your appointment or most recent promotion.

Salary increment dates for employees on education leave or leave without pay are postponed until 12 months of full-time work from the previous pay increment have been completed.

Salary is paid every other week. Your bi-weekly salary is calculated by your hourly rate (see Appendix) by the number of hours you are scheduled to work in a two-week period (75 or 80).

Pay for Performance

If your contributions and achievements during the year are outstanding you may receive:

- two pay increments if you are two or more steps below the maximum step for your salary range.
- One increment plus a bonus of 2.5% to reflect the degree to which expected levels of achievements and contributions are exceeded as provided for in the Performance Development System, if you are one step below the maximum step for your salary range
- A bonus of 5% to reflect the degree to which expected levels of achievements and contributions are exceeded as provided for in the Performance Development System, if you are at the maximum of your salary range.

Conversion From March 31, 1998 Pay Plan to New Pay Plan

On April 1, 1998 you were transferred to the new pay plan. You retained your step level when you converted to the pay range that corresponds to your job evaluation points (determined by the Hay job evaluation system).

If your salary on the new pay schedule was lower than your March 31, 1998 salary you received a conversion salary equal to the difference between your March 31st salary and your new base salary. This conversion salary will continue to be added to your base salary as you progress to higher steps on the new pay grid.

Note:

If your job has not changed but your point ratings changed after implementation, as a result of an evaluation review, your salary would have been re-adjusted effective April 1, 1998 in accordance with the applicable process set out above.

Minimal Increase- April 1, 1998 (Transition Allowance)

For the period April 1, 1998 to March 31, 2000 you will receive a minimum increase of 2% as follows:

If your March 31, 1998 annual salary was greater than your April 1, 1998 annual salary you were paid an annual amount (Transition Allowance) equivalent to 2% of your March 31, 1998 annual salary. This amount was not added to your March 31, 1998 annual salary but will be paid in bi-weekly instalments on your regular pay cheque for the period April 1, 1998 to March 31, 2000.

If your April 1, 1998 annual salary was greater than your March 31, 1998 salary by less than 2% you were paid an annual amount equivalent to 2% of your March 31, 1998 salary less the difference between your April 1, 1998 and your March 31, 1998 salary. This amount was not added to your April 1, 1998 salary but would be paid in bi-weekly instalments for the period April 1, 1998 to March 31, 2000.

Acting Pay

Employees receive acting pay for temporarily filling a higher position for more than five working days when the necessary qualifications are met. You must be assigned to an acting position in writing by your Deputy Head.

When you act in a management position for over five working days, your acting pay will be 10% of your current salary. When you act in any other position for over five working days, you will be paid as if you were promoted to that position. When an excluded employee acts in a union position, Transition and Conversion Allowances cease during the acting period. When an excluded employee acts in another excluded position, the Transition Allowance, if applicable, continues. If your increment falls within the acting period it will be applied in the acting category. When you act in a position for less than five days, the payment is less than 10% of your current salary. The amount depends on the circumstances.

HOURS OF WORK

The standard hours of work for employees are either 8 hours a day (40 hours a week) or 7.5 hours a day (37.5 hours a week). This is usually worked between 08:00 or 08:30 and 17:00, Monday to Friday inclusive. There is a paid 15-minute break in the morning and a paid 15-minute break in the afternoon.

Employees in some occupational groups are required to work shifts where their days of rest may be other than Saturday and Sunday, or their hours may be other than the standard hours.

You must make every reasonable effort to notify your supervisor at your regular start time if you are unable to report for work for whatever reason. You must provide reasonable notification and get approval from your supervisor for any anticipated absence from your workplace.

If you are absent without approval, a deduction from your pay may be made.

Shift Work

The Government sets up a regular schedule of hours of work for employees in occupational groups that require shift work. A master weekly shift schedule will be posted 14 days in advance to cover the work area's shift requirements for 28 calendar days.

You will be granted alternate weekends off as often as reasonably possible. If you are working for a third consecutive weekend you will be paid the overtime rate for that weekend and any subsequent consecutive weekends afterwards. This does not apply to employees who are hired exclusively to work weekends or who request to exchange shifts with other employees to work weekends.

The Government will make every reasonable effort to schedule your shifts to allow you to regularly attend educational courses.

If you are scheduled to work between midnight and 06:00 or are required to travel during these hours to perform overtime work, the Government will provide transportation or the cost of commercial transportation between your home and the workplace.

Employees may exchange shifts with management approval.

Standby

Standby is where you must be available during off duty hours and have been placed on standby status. You will be paid \$12.00 for each eight (8) consecutive hours or portion thereof that you are on standby. If you are on standby on a day of rest or a designated paid holiday, you will be paid \$16.00.

When you are on standby and you are called to report to work, you will be paid at the appropriate overtime rate with a minimum of four hours pay at the straight time rate. Each following call to report to work during the same eight hour period will be at the appropriate overtime rate for the actual hours worked.

Call-Back Pay

Call-Back is when you are recalled by the employer to a place of work for a specific duty. You should be compensated the greater of:

- i) Compensation at the appropriate overtime rate; or
- ii) Compensation equivalent to four (4) hours pay at the straight-time rate.

When you report to work as a Call-Back, and are required to use transportation services other than the normal public transportation service, you will be paid the actual cost of commercial transportation each way. You must provide receipt for payment of transportation. If you use your personal motor vehicle, you will be paid the appropriate distance rates specified in the Duty Travel Section of this handbook.

Shift Premium

If you are regularly scheduled to work outside of the normal hours of work (08:00 to 17:00) you will be paid the following shift premium:

- \$1.10 an hour for all hours worked between 16:00 and midnight; and
- \$1.25 an hour for all hours worked between midnight and 08:00.

Weekend Premium

If you are regularly scheduled to work on weekends, you will be paid an additional premium of \$0.75 per hour for all regularly scheduled straight-time hours worked on Saturdays and Sundays.

Non-Standard Work Schedules

To enable employees to accommodate their personal circumstances, family obligations and responsibilities, the Government may agree to alter the standard work schedule if operational requirements permit and there is no cost to the Government.

A **Standard Work Schedule** includes a 7.5 or 8-hour workday with the work being performed between 08:00 and 17:00, five days a week, Monday to Friday.

Non-Standard Work Schedules may include:

- **Employee Scheduled Work:** Work performed during hours other than those set out in a standard work schedule. The daily hours may vary.
- **Flex Time:** Allows employees to work a 7.5 or 8 hour day with assigned core hours and flexible daily start and finish times within limits established by management.
- **Compressed Work Week:** Permits employees to work longer than 7.5 or 8 hours a day and bank the extra time worked to allow future "time off".

A request for a non-standard work schedule must be initiated by the employee and approved by the Director.

Video Display Terminal Break

If you are required to work regularly with a video display terminal you may take a ten-minute break away from the video display terminal after each hour of continuous operation.

Job Share Employees

Two employees may seek approval to share the hours of one full-time position. A work schedule is developed by the supervisor and the employees. Each employee is treated as a part-time employee and all benefits are pro-rated except for medical transportation assistance, dental and other medical insurance plans.

The job share arrangement can be terminated at any time by the employees or the supervisor with reasonable notice. If only one of the employees wishes to terminate the agreement, there will be a one-month period in which to find a replacement.

Part-Time Employees

Part-time employees are eligible for all benefits set out in this Handbook on a pro-rated basis. This includes northern allowance.

Part-time employees who work 12 or more hours per week are required to contribute to the Superannuation Plan. They are eligible to join the Public Service Health Care Plan if they work for more than 3.5 hours a day or 17.5 hours a week, and are paid more than \$900 per year.

If a part-time employee works more than one-third of the normally scheduled full-time hours for their occupational group, they are eligible to participate in the Public Service Management Insurance Plan and they must take Long Term Disability Insurance coverage.

Casual Employees

Casual employees are hired for a specific period to do work of a temporary nature. The work term is usually less than four months. Pay levels and terms and conditions of employment for casual employees are set out in the Human Resource Manual.

Overtime

To deliver programs effectively, departments may need work to be done outside of scheduled working hours. The Public Service Regulations provide that a Deputy Head may require an employee to work more than his or her daily or weekly standard hours or on a holiday where, in the Deputy Head's opinion, the workload so requires.

You are entitled to be paid 1.5 times your regular rate of pay for overtime work. Compensation for overtime shall be paid when work is authorized in advance by the employer. There is a minimum payment of one hour at 1.5 times your regular rate of pay.

Your supervisor will make every reasonable effort to assign overtime work equitably and to give you reasonable notice. This is subject to operational requirements.

You may, for cause, refuse to work overtime. Your refusal must be in writing. Cause may involve religious beliefs. Participation in a business or outside employment is not a reasonable ground for refusing to work overtime.

Instead of paying overtime, a supervisor may agree to grant lieu time in accordance with departmental policy. Lieu time is equivalent leave with pay at the appropriate overtime rate.

Each department may establish its own rules for lieu time. As a general rule, an employee accumulates a maximum of 25 days of lieu time.

Professionals and managers are not eligible for compensation for overtime worked.

Work on a Designated Paid Holiday

When you are required to work on a holiday either as part of your regularly scheduled hours or as overtime, you will receive your regular pay plus time and one-half for each hour you work.

REMOVALS - HIRE/TRANSFER

Reimbursement for any removal is limited to the costs for a move carried out in the most practical and economical manner. Reasonable expenses incurred will be reimbursed. You must have prior approval for all moves for which you wish to receive reimbursement.

While in transit, employees shall be deemed to be on duty travel. Employees shall be compensated while in transit, at regular salary, to a maximum of three (3) days.

The following expenses are allowed:

Transportation

- the most economical airfare;
- privately owned vehicle (rates are in the section on duty travel).

Meals and Incidental Expenses will be reimbursed in accordance with the duty travel provisions contained herein on page 20, for you and your spouse, plus an amount equal to one-half of that rate for each dependant:

- when the journey starts, for a maximum of three days.
- en route, for the time required to make the direct journey. If you are travelling by vehicle you will be allowed accommodation and meal costs for up to one day for each 644 km (400 miles). The distances are outlined in the Canadian Warehousing Official Distance Guide. Any distance not listed will be the generally accepted most direct route.
- at the destination, while awaiting furniture or accommodation, for up to ten days if alone or 21 days if you have dependants.
- In exceptional circumstances, such as lack of accommodation at the destination, you will receive additional reimbursement in reduced amounts to a maximum of \$7.50 per day per person, \$5.00 per day for each child under six years of age.
- The maximum reimbursed for kilometres, meals and accommodation en route cannot exceed the total expense if you had made the trip by economy class air travel.

Excess Baggage to a maximum of six pieces plus two pieces for each of your dependants. This applies if effects are moved separately by a slower method of transportation or if no other expenses are reimbursed for moving effects. Each piece of excess baggage is limited to 32 kg (70 lbs).

Telephone calls necessary to facilitate shipment of effects.

Movement and storage of effects, if furnished accommodation is not provided for you at the destination and/or the location is serviced by an all-weather road or rail line. Movement and storage of up to 1,814 kg (4,000 lbs) is reimbursed or up to 6,084 kg (15,000 lbs) if you have dependants.

Effects include furniture, household goods, equipment and personal effects of you and your dependants at the time of the move. Effects do not include automobiles, boats, motorcycles, snowmobiles, trailers, animals or foodstuffs. However, when a continuing employee is moved within the Northwest Territories, effects may include all-terrain vehicles, snowmobiles and foodstuffs.

Movement and storage of effects, if furnished accommodation is provided for you at locations not serviced by an all-weather road or rail line. Movement and storage of up to 680 kg (1,500 lbs) is reimbursed or up to 1,814 kg (4,000 lbs) if you have dependants.

If professional movers are not available in the community, payment may be authorized for the cost of packing materials purchased from local stores and the cost of making crates by local residents.

Temporary storage will be reimbursed until permanent accommodation is available (where authorized).

Long term storage costs at the nearest facility will be reimbursed when it is not in the interest of the Government to move your effects. Under normal circumstances this storage will not exceed three years.

Incidental expenses of the move not specifically provided for will be reimbursed. There is a maximum of \$250 if you are moving into unfurnished accommodation or \$125 if you are moving into furnished accommodation.

Reasonable expenses will be reimbursed to move a **Mobile Home** if it is your principal residence.

A mobile home is a permanent residence, on its own-wheeled under-carriage, designed for highway travel. It includes equipment and furnishings installed by the manufacturer. You will receive no reimbursement for moving transportable or sectionalized homes or other quasi-permanent accommodation.

Expenses that may be claimed for mobile homes include:

- preparation of the installed equipment and furnishings of the home for the move;

There will be no other expenses reimbursed for moving effects.

In exceptional cases the total expenses to move your mobile home may exceed the maximum expenses that would have been allowed to move your effects.

Real Estate and Legal Fees

This does not apply to your initial appointment to the public service.

All claims must be authorized and receipts provided.

Duplicate Costs on Initial Appointment

In some cases there will be duplicate costs because you cannot sell or rent a single family dwelling before your relocation. Duplicate costs for up to three months from the date of appointment may be reimbursed. Reimbursement will be the lesser of:

- the monthly mortgage payment (principal and interest) on your old residence; and
- the payment for your new residence.

This only applies to your initial appointment to the public service.

All claims must be authorized and receipts provided.

Cost of Breaking Lease

You will be reimbursed for the cost of fulfilling the terms of tenancy of leased premises at your former place of duty.

The maximum payment is for three months.

Limitations

The maximum reimbursement for accommodation in a private home is \$11 per day and \$3 for each of your dependants.

You will not be paid removal if you have an established residence at your place of duty at the time of appointment. An exception is made if the residence must be vacated because it was owned by your previous employer.

You cannot claim the balance of any unused total weight allowance later. An exception is made if transportation problems prevent you from transporting the total weight allowance in one shipment.

In exceptional circumstances, additional expenses may be approved where the expenses for meals, accommodations or other items cannot be kept within the limits. You must explain the circumstances.

Procedure

You will be advised by the appropriate authority regarding how your move will be handled.

You must submit the following within 30 days of arrival:

- a completed Travel Authorization and Expense Claim, with receipts;
- where incidentals are claimed, a completed certificate as follows:
 - "I certify that I have incurred expenses incidental to this move and not otherwise claimable in the amount of \$_____.";
- a cheque for the balance of any advance you were issued.

DUTY TRAVEL

You will be reimbursed for reasonable expenses within the following entitlements for authorized travel on Government business. Exceptions will be considered where your expenses cannot be kept within the entitlements. You must explain the circumstances on the claim and attach receipts.

When you are required to travel on behalf of the Government you will be paid when the travel occurs on a regular workday as though you were at work for all hours travelled.

When the travel occurs on a day of rest or designated paid holiday you will be paid the overtime rate for all hours travelled. You will receive a minimum of four hours pay at straight time and a maximum of eight hours at the applicable overtime rate.

Transportation

- Economy air (you may be entitled to travel by another class in certain circumstances, this should be verified by your Deputy Head);
- Privately owned vehicle;
- Chartered aircraft;
- Rented vehicles - where this is the most reasonable or economical means of travel. The Government maintains coverage for collision damage to short term rental vehicles.

No reimbursement over \$5 will be made without a receipt.

Accommodation

Commercial accommodation for 15 calendar days or less - actual costs of authorized accommodation. Where possible, hotels with Government rates should be used. When you make reservations you should indicate that the accommodation is to be at the Government rate.

Commercial accommodation for over 15 calendar days - where possible, you should make arrangements for suitable rental accommodation at weekly or monthly rates.

Expenses for commercial accommodation must be accompanied by receipts.

Non-commercial accommodation - \$13.50 for each night.

Meals and Incidental Expenses

You are paid an allowance for the cost of your meals and for incidental expenses such as tips.

	Canada	U.S.
Breakfast	11.15	11.15
Lunch	11.50	11.50
Dinner	32.70	32.70
Incidentals	6.00	6.00
Total	\$61.35	\$61.35

The U.S. rates are in U.S. dollars. These rates change periodically.

Claims for meals on a partial day will be allowed if it is reasonable or necessary that the meal be taken away from home. Incidentals will not be reimbursed if your duty travel starts and ends on the same day.

You may be reimbursed for the actual cost of meals and services, which exceed the allowances. The reason must be justified and receipts provided.

Meals provided, as part of the cost of transportation and/or accommodation cannot be claimed. The cost of meals may not be included on a hotel bill.

When your travel status is for more than 15 calendar days in one location, the maximum allowance is reduced to \$15 per day. This does not apply in communities where housekeeping units or reasonable room and board are unavailable.

Other Expenses

You may be reimbursed for the following expenses:

- Long distance telephone calls - business - if a satisfactory explanation is provided.
- Long distance telephone calls - personal - if you are required to be away from home over a weekend, and are on continuous travel status for two or more days before the weekend. This must be supported by receipts where available and may not exceed five minutes.
- Local phone calls - business.

- Baggage - storage and excess baggage charges, if a satisfactory explanation is provided.
- Taxis - you must explain the use unless the purpose is clear. Taxis should not be authorized for repeated trips between the same places where convenient public transportation is available.
- Laundry - after two consecutive days on duty travel, a maximum of \$2 for each following day, supported by receipts.
- Casual wages for service personnel - where a satisfactory explanation is provided, to a maximum of \$50.
- Child care expenses - if your child care expenses are more than normal because of the duty travel, you may be reimbursed a maximum of \$25 per day per child.

No item over \$5 will be reimbursed without a receipt.

You Will Not be Paid for the Following:

- Purchase of briefcases, fountain pens, tools or any other supplies or equipment.
- Rental of television or radio receiving sets, where not included in the charge of accommodations.
- Purchases of a personal nature, such as baggage, clothing, etc.
- Telephone, telegraph, cable or radio messages of a personal nature, except as outlined above or if you have an unavoidable delay in arriving home.
- Expenses of any kind incurred during stopovers for personal reasons or during periods of leave, with or without pay.
- Any loss of money or personal belongings.
- Collision damage waiver insurance on short term rental vehicles (the Government provides automatic collision coverage for short term rented vehicles).

Procedure

Duty travel must be authorized on a Travel Authorization and Expense Claim form before the start of your trip.

You must get prior authorization for special arrangements such as car rental and mileage on the Travel Authorization and Expense Claim Form.

If you want an advance you should request it at least three working days before your trip. The form will be returned to you along with a cheque for the advance.

Expenses must be claimed on the pre-authorized form within ten days of completion of your trip. The claim must be supported by receipts where applicable. A personal cheque to cover any amount by which your travel advance exceeds your claim must be attached.

Travel by Privately Owned Vehicle

The use of a privately owned vehicle will not be authorized if commercial transportation (e.g., airplane, taxi) would be more reasonable and practical.

Your reimbursement is limited to the commercial cost when the total cost of your trip, including the cost of meals, accommodation and incidental expenses exceeds the cost of the same journey by commercial means.

With prior authorization you may use a privately owned vehicle for travel on Government business or on removal. Reimbursement is \$0.42 per kilometre for travel within the Northwest Territories and \$0.345 per kilometre for travel elsewhere. If the use of a privately owned vehicle is for your convenience, the allowance is reduced to \$0.13 per kilometre. These rates change periodically.

You will be reimbursed for ferry, bridge, road and tunnel tolls, and parking charges.

There will be reimbursement for other travel expenses where applicable. This is subject to the limits set out below.

Limitations for Travel by Privately Owned Vehicle

Personal insurance is required before you may use a private vehicle for Government business. The Government will not pay for any additional insurance costs because you use a vehicle for Government business.

You will not be paid any claim for damage, loss or liability incurred while using a vehicle on Government business, other than that claimed under the *Workers' Compensation Act*.

Distances reimbursed will be those in the Canadian Warehousing Official Distance Guide. Distances not listed will be the generally accepted kilometres for the most direct route.

No additional payment will be made for other employees on duty carried as passengers.

If the total cost of your trip (including the cost of meals, accommodation and incidental expenses) exceeds the cost of the same journey by ordinary commercial means, reimbursement will be limited to the commercial cost.

Headquarters Duty Travel

You may be reimbursed for unusual but necessary transportation expenses incurred while carrying out your duties within the headquarters area.

You may be reimbursed for a taxi between home and work when work after normal hours are required. Circumstances such as the combination of late hours, weather and distance must make it unreasonable for you to use the normal means of transportation.

Headquarters duty travel may be reimbursed when transportation is necessary (e.g., because of bulky documents or time constraints). The method chosen must be the most economical one under the circumstances.

You will not be paid for daily transportation expenses within your headquarters area between your home and place of duty without prior authorization.

LEAVE

Your balance of special, sick and annual leave credits as of March 31 will be provided in writing each April.

Unearned annual leave, sick leave or special leave will be forgiven if the employment relationship ends because of death or by lay-off after one or more years of continuous employment.

Holidays

The following days are designated paid holidays:

- New Year's Day
- Good Friday
- Easter Monday
- Victoria Day
- Canada Day
- The first Monday in August
- Labour Day
- Thanksgiving
- Remembrance Day
- Christmas Day
- Boxing Day
- One additional day when proclaimed by an Act of Parliament as a National Holiday

When a designated holiday falls on your day of rest, the holiday will be moved to the first working day following the day of rest. When a designated holiday falls during leave with pay, the holiday will not be considered a day of leave.

Annual Leave

Your annual leave must be approved in advance.

You earn annual leave each month in which ten days pay is received:

Completed Years of Continuous Employment	Days earned per Month	Days earned per Year
less than two	1.38	16.5
two or more, less than 15	1.79	21.5
15 or more, less than 20	2.29	26.5

20 or more	2.63	31.5
------------	------	------

Every reasonable effort will be made to:

- schedule your annual leave in the fiscal year in which it is earned, at a time you request;
- not recall you from annual leave;
- grant you any request made before January 31 to defer four days or more annual leave to the following fiscal year;
- grant you up to five consecutive weeks annual leave, depending upon your annual entitlements.

Annual leave will be reinstated if, during your leave:

- there is a death or illness in your immediate family and special leave is granted;
or
- sick leave is granted and a medical certificate is produced.

You will not ordinarily be allowed to carry-over more than one year's entitlement of annual leave credits. Credits exceeding one year's entitlement will be liquidated in cash in May.

A fractional entitlement of annual leave at the end of the fiscal year will be increased to a one-half day or to a full day if the entitlement is more than one-half day.

Reasonable expenses will be reimbursed if you are recalled from annual leave:

- travel to your place of duty;
- non-refundable deposits or pre-arrangements associated with the vacation;
and
- return travel to resume your vacation.

Annual leave unused upon termination will be paid at the last daily rate of pay. If the termination is due to death, the amount will be paid to your estate.

Annual leave may be used, if your employment is terminated by lay-off, to extend the time you need to meet the minimum service requirements for severance pay, or it entitles you to an annual allowance or immediate annuity as defined under the *Public Service Superannuation Act*.

If you cease to be employed for a reason other than dismissal, abandonment of position or rejection on probation and are re-employed, completed years of prior employment shall be considered continuous service for the purpose of determining annual leave entitlements (this does not apply to casuals).

Winter Bonus Days

One winter bonus day will be granted for each five consecutive days of annual leave you take between October 1 and March 31. When a statutory holiday falls in a period of annual leave, it is counted as annual leave for determining winter bonus days.

There is a limit of four extra days for each fiscal year.

Winter bonus days must be taken at the same time as your annual leave. There is no carry-over of these days.

Sick Leave (With Pay)

You earn one and one-quarter sick leave credit days each calendar month in which you receive at least ten days pay.

It is your responsibility to inform your supervisor that you are requesting sick leave at your regular start time.

All absences because of illness on a normal working day are charged against sick leave credits. The exceptions are:

- when you leave work sick after working one-half day plus at least two hours, no sick leave credits are used;
- when you leave work sick after at least two hours on the job, only a one-half day of sick leave credits are used.

A certificate is required from a qualified medical practitioner, certifying that your illness or injury has resulted in an inability to perform the duties of your job for:

- sick leave over three working days;
- sick leave in a fiscal year that you have been granted nine days sick leave without a medical certificate;
- any application for sick leave that your Deputy Minister requests a certificate.

If necessary, up to 15 days of sick leave credits may be advanced. They will be charged against your future credits, as earned.

Any unused sick leave credits will be reinstated after you return to work following a leave of absence without pay or a reinstatement following lay-off.

Sick leave may later be replaced by injury on duty leave according to the conditions outlined in the Injury On Duty Section of this Handbook.

Special Leave (With Pay)

Special leave credits (maximum of 30 days at one time) are earned at the following rates:

- one-half day for each calendar month in which you receive pay for at least ten days;
- one-quarter day for each calendar month in which you receive pay for less than ten days.

You will be granted special leave for up to five consecutive working days when:

- there is a death in your immediate family; or
- you are to be married.

You may be granted special leave for up to five consecutive working days when:

- a member of your immediate family requires surgery or becomes ill (not including childbirth), and you must care for dependants or for the sick person;
- a member of your immediate family outside your community of residence becomes seriously ill;
- special circumstances not directly attributable to you prevent you from reporting to duty, including:
 - serious household domestic emergencies.
 - a transportation problem, if you make every reasonable effort to report for duty.
 - death of your grandparent, grandchild, son-in-law, daughter-in-law, brother-in-law, sister-in-law.

-
- there is a general value to the public service, such as where you:
 - take an examination which will improve your position or qualifications in the public service;
 - attend your university convocation, if you have been continuously employed for at least one year;
 - attend a course in civil defence training;
 - require a medical examination for enlistment in the Armed Forces or for a veteran's treatment program.

For the purposes of special leave, your immediate family includes father, mother, brother, sister, spouse, common-law spouse, child, grandparent, father-in-law, mother-in-law and any other relative permanently living with you.

You will be granted special leave up to one day for the birth or adoption of a child. This may be divided into two parts and taken on separate days. In special circumstances, this period may be extended to a maximum of three working days.

Special leave will be granted for time lost through quarantine. A medical certificate is required.

Special leave of more than five consecutive working days may be approved by your Deputy Head.

You may be advanced up to five days of special leave. Advanced leave will be deducted from future credits.

Casual Leave (With Pay)

You may be granted two hours for medical, dental and legal appointments, and for special or unusual circumstances.

One day per occurrence may be granted for regular or recurring medical treatments and check-ups.

Court Leave (With Pay)

Court leave is given if you must:

- serve on a jury; or

- attend as a witness before a body authorized by law to compel the attendance of witnesses.

Injury On Duty Leave (With Pay)

Injury on duty leave is granted when a Workers' Compensation Board determines that you are unable to perform the duties of your job. It is intended to provide short-term relief. The Director of Labour Relations and Compensation Division of the Financial Management Board Secretariat approves any injury on duty leave over 30 days.

Your problem must be a result of:

- accidental personal injury received in the performance of duties and not caused by your wilful misconduct; or
- sickness resulting from the nature of your employment; or
- over-exposure to radioactivity or other hazardous conditions during employment.

Any amount payable by Workers' Compensation Board for loss of wages in respect of the injury must be assigned to the Government.

Emergency Leave

Leave of absence with or without pay may be granted in emergency or unusual circumstances.

Leave for Relocation of Your Spouse

Leave without pay may be approved if your spouse is permanently relocated or accepts an appointment to another position outside of your headquarters area.

Mandatory Leave Without Pay

All employees, except casuals, must take five mandatory leave without pay days. Where the employer is able to shut down its operations, non-continuous employees will take the five mandatory leave without pay days over the Christmas and New Year season on days set by the employer. Where the employer is unable to shut down its operations, the five mandatory leave without pay days for continuous employees will be scheduled in advance to be taken at a time that is mutually acceptable to you and the employer.

You cannot be granted leave with pay or lieu time on the five mandatory leave days in which the operations are shut down by the employer or which are scheduled in advance by the Employer and the employee

You will have 1.92% recovered from your bi-weekly pay cheque. This amount will be used to annualize the effect of the five mandatory leave without pay days so you receive regular pay on your mandatory leave without pay days.

If you do not work the full year and do not take any of the five mandatory pay days you will have your gross salary reduced by 1.92%

Maternity Leave (Without Pay)

Maternity leave without pay will be granted starting as early as 11 weeks before the expected date of birth, and ending not later than 26 weeks after the end of the pregnancy. The maximum period of maternity leave is 37 weeks. Any further time taken off is at the discretion of your department.

Your Superintendent/Director must be notified at least 15 weeks before the expected date of birth. A medical certificate certifying pregnancy may be requested.

If you request it in writing, the Superintendent/Director may defer the beginning of your leave or terminate it early. You may be granted leave to start earlier than 11 weeks before the expected date of birth.

Where possible, working conditions will be changed to safeguard the health of the mother or fetus. If this is not possible, leave without pay will be approved. A certificate is required from a physician, identifying harmful working conditions.

Maternity Leave Supplementary Unemployment Benefit Plan

You will be paid a maternity leave allowance according to the Supplementary Unemployment Benefit (SUB) Plan if:

- six months of continuous employment have been completed;
- proof has been provided of receipt of unemployment insurance benefits; and
- there is an agreement to return to work for at least six months when the maternity leave ends.

The date of your return to work may be changed with the Government's consent.

If you do not return to work, the amount of SUB Plan benefits must be reimbursed to the Government. If you return to work for less than six months, the SUB Plan benefits will be pro-rated. An exception is made for death, disability and lay-off.

The SUB Plan provides a "top up" of Unemployment Insurance benefits to a maximum of 17 weeks at 93% of your last weekly rate of pay.

The Employer is not responsible for any consequences of an unemployment benefit overpayment nor is it responsible for providing any additional payments in respect of maternity leave should the employee's benefits be affected by tax, unemployment insurance, or legislative provisions.

No employee shall be laid off, transferred or relocated while on, or within 6 months of his/her return from maternity or adoption leave without the consent of the employee, the employer and the union.

Adoption Leave (Without Pay)

Adoption leave without pay may be granted for up to 26 weeks beginning when you accept custody of an adopted child. If the adopting couple are both Government employees, they may elect to share the total of 26 weeks of adoption leave.

Your supervisor must be notified as soon as the application for adoption has been approved by the adoption agency or legal guardianship and custody papers have been drawn up.

Adoption Leave Supplementary Unemployment Benefit Plan

You will be paid an adoption leave allowance according to the Supplementary Unemployment Benefit (SUB) Plan if:

- six months of continuous employment have been completed;
- proof has been provided of receipt of unemployment insurance benefits; and
- there is an agreement to return to work for at least six months when the adoption leave ends.

The date of your return to work may be changed with the Government's consent.

If you do not return to work, the amount of SUB Plan benefits must be reimbursed to the Government. If you return to work for less than six months, the SUB Plan benefits will be pro-rated. An exception is made for death, disability and lay-off.

The SUB Plan provides a "top up" of Unemployment Insurance benefits to a maximum of 12 weeks at 93% of your last weekly rate of pay.

The Employer is not responsible for any consequences of an unemployment benefit overpayment nor is it responsible for providing any additional payments in respect of adoption leave should the employee's benefits be affected by tax, unemployment insurance, or legislative provisions.

Self-Funded Leave Plan

The Government will provide a deferred salary leave plan to allow you flexibility in your long term career and personal goals.

The plan allows you to defer 20% of your salary for four years to fund a one year leave of absence without pay or 10% of your salary for four and one-half years to fund a six month leave of absence without pay. In accordance with the Income Tax Regulations you must agree to return to regular employment for no less than the period of leave.

You must request the leave in advance. Your deferred salary will be deposited into a trust that will provide income during the leave. The deferred salary is exempt from taxation until the funds are released to you.

You are responsible for the employer and the employee share of pension contributions while on leave. The period of leave counts as pensionable service.

Contact the Human Resource Practitioners within their Department, Board or Agency for details of application procedures and entitlements.

EDUCATION LEAVE

Education leave is time off to undertake full-time post-secondary studies for at least one academic year at a recognized university, community college or technical institute.

An academic year is two full program semesters, completed in succession, or completed within a 12 month period.

The number of opportunities for education leave with assistance is limited. Preference is given to long term employees at lower income levels who have limited career options. Preference is also given to Affirmative Action applicants and long term Northwest Territories residents.

Eligibility

You must have three years of continuous service before starting education leave. This may be waived in unusual circumstances.

Education leave is only granted if there is evidence of satisfactory performance and potential for career development. A current performance review is required.

Levels of Assistance for Education Leave

Assistance includes tuition, travel and removal costs.

Education leave is without salary. However, allowances instead of salary may be paid:

- **Full Allowance**
 - 100% of present salary may be paid if your skills have become technically obsolete and retraining is needed to satisfactorily carry out the duties of your position.
 - 100% of present salary may be paid if qualified people cannot be recruited for essential work.
- **Partial Allowance**
 - A minimum allowance equivalent to 50% of your present salary may be paid to meet an identified need rather than recruit outside the Government. The decision is based on the most economical use of existing staff to capitalize on experience, knowledge and capability.

- Recognizing that 50% of salary may prove a financial burden if you continue studies beyond a one year program, a 10% increase will be added to the allowance in each consecutive year of study, to a maximum of 80% of salary.
- **Assistance Without Allowance**
 - Assistance only, with no allowance in lieu of salary may be paid to further post-secondary education to obtain qualifications that are generally relevant to present or future requirements of the Government.

Procedures for Education Leave

Applications for education leave are submitted to your Deputy Head. For information regarding application guidelines and content, contact your departmental human resource section.

Successful applicants must sign a leave of absence agreement. Those granted education leave are usually required to return to work for a period equivalent to the leave.

You must submit proof of acceptance at a recognized university or community college, along with a course outline, before you go on education leave.

If you have consecutive years of education leave you will normally be required to return for temporary work assignments between academic years. Travel costs and housing accommodation for temporary work assignments will be provided at single status only.

You do not earn leave credits while on education leave, except during periods of temporary work assignments.

Employees are not eligible to receive pay increments or economic increases while they are away from their duties on education leave.

Pension deductions will be based on the full salary for the position you held before education leave, and will be recovered from you in equal instalments over a period equal to twice as long as the absence.

Short Term Leave for Training Purposes

Your Deputy Head may grant short term leave (without pay) to take advanced or supplementary professional or technical training of less than one academic year. The leave will be based on present and future job requirements and on individual qualifications.

Full or partial financial assistance and full or partial allowance may be granted if:

- your skills have become technically obsolete and you need retraining to carry out your work satisfactorily; or
- the courses are required for you to keep abreast of new knowledge and techniques; or
- qualified people cannot be recruited to carry out essential work.

If you take short term leave for training with full or partial allowance you must return to work for a period equivalent to the leave.

Leave Without Pay for Education Purposes

You may also be granted leave without pay (without allowance or assistance) for education purposes. Approval is needed from your Deputy Head.

Courses Taken on Personal Time

Tuition fees for courses you take on your personal time may be refunded. To qualify, you must show evidence of successful completion of the course. The course must be of value to your work, and it must not require absence from duties. You must obtain approval from your Deputy Head for reimbursement of tuition costs before you take the course.

MEDICAL TRAVEL ASSISTANCE

Medical travel assistance is granted for travel from your community of residence for insured, non-elective medical treatment. The coverage is for you, your spouse and dependant children. Reimbursement will be determined on a trip by trip basis subject to the following provisions.

Payment will not exceed:

- return transportation to the point of departure or the nearest place where adequate treatment is available, whichever results in the lesser expense;
- 21 days hotel accommodation and meal costs, at duty travel rates; and
- the lesser of return taxi or shuttle bus fare between the airport and the treatment centre.

You will be reimbursed for overnight hotel accommodation en route when travel to the treatment centre is interrupted by weather or other circumstances beyond your control.

Your claim must be supported by a certificate from a qualified medical practitioner. The certificate must state that the treatment was non-elective, required for the health of the patient, and could not be provided by the facilities or services available in your community of residence.

When specialized treatment as an outpatient is required, a maximum of \$50 per day will be reimbursed for accommodation, meals and local transportation expenses. This is for any period beyond 25 days and up to 40 days.

Medical travel assistance will not be provided if a similar benefit is available through another employer. Double coverage is not available if more than one family member is employed by the Government. Every effort must be made to schedule medical appointments/procedures while on other forms of leave.

Escort

The travel expenses of an escort may be reimbursed. A qualified medical practitioner must certify that it is necessary for the patient to be accompanied by some other person.

The escort must be 18 years of age or older.

If you are the escort for an immediate family member you will be granted special leave for emergency medical evacuation and non-elective medical travel only. If you escort

an immediate family member for elective medical purposes you must take annual leave or leave without pay.

Medical Travel Leave

If you receive medical travel assistance you may be granted medical travel leave for the actual time taken to travel, up to a maximum of three days.

Travel leave will not be granted for escort duty.

PENSION PLAN

Superannuation Plan

This pension plan provides a benefit based on the average of your best six consecutive years of salary and number of years of pensionable service.

Pension benefits are calculated as follows:

$$(\text{Total Pensionable Service}) \times (\text{Average of Best 6 Consecutive Years Salary}) \times 2\%$$

If you have a minimum of two years of pensionable service you may take pension in any one of a number of ways:

- Immediate Annuity
 - payable at age 60, or
 - payable at age 55 with a minimum of 30 years service.
- Deferred Annuity
 - payable at age 60 if you terminate employment before attaining that age.
- Annual Allowance
 - early payment of a deferred annuity which is subject to a 5% reduction for each year under the age of 60 or 55 or for each year under 30 years of pensionable service.
 - payable at age 50 or at any later time before the deferred annuity begins.
- Transfer Value Payment
 - a lump sum payment representing the value of a contributor's pension entitlement. A Transfer Value Payment must be transferred directly into a locked-in vehicle such as a locked-in RRSP, another Registered Pension Plan or to a financial institution for the purchase of a life annuity. The Transfer Value option is irrevocable.

Payroll deductions are taken at 7.5% of your salary and are matched by the Government. This rate includes the Canada Pension Plan contribution.

The Superannuation Plan is integrated with the Canada Pension Plan.

For example:

Retirement at age 60 with 22 years of service. Over the last six years, your salary has ranged from \$39,662 to \$46,315 with an average salary of \$42,879. The Superannuation pension will be $2\% \times 22 \times \$42,879 = \$18,867$ per year. At age 65, you will become eligible to receive benefits from the Canada Pension Plan and your pension will be reduced in accordance with the Canada Pension Plan integration formula.

Benefits payable are indexed to increases in the Consumer Price Index.

Transferring Contributions from Other Plans

There are transfer agreements with some other employers who have compatible pension plans. They permit the transfer of all contributions (including the employer's) and interest, to the Superannuation Plan.

To qualify for such a transfer, you must satisfy the following conditions:

- employment by the Government within a specified time (usually three months) after ceasing your employment with a participating employer;
- no refund of contributions or other benefits from the pension plan of your previous employer;
- you must submit an application for transfer to your former employer and the Government within the specified time - usually six months or one year;
- you must pass a medical examination.

Time limits may be extended in certain circumstances. Before requesting a transfer of funds, it is vital that you carefully compare the benefits payable under each plan. **All transfers are irrevocable.**

Return of Contributions

A return of contributions made to the Plan, plus interest, will normally be payable to terminating employees with less than two years of pensionable service. However, a terminating employee who was a contributor to the Plan on June 20, 1996 will be able to opt for a return of contributions until June 19, 1998 or until reaching 45 years of age with ten years of service, whichever is earliest.

Election for Prior Service

You may purchase prior service where your contributions to an approved pension plan have been refunded.

The purchase of prior service with the following employers can be made at any time while you are a contributor to the Superannuation Plan:

- the public service of the Northwest Territories;
- the public service of the Yukon;
- the public service of Canada;
- the Canadian Armed Forces;
- the Royal Canadian Mounted Police.

Your service with other employers may qualify if the service occurred within two years of joining the Government.

Once made, the purchase of prior service is irrevocable except in specific and unusual circumstances.

INSURANCE

The face value of life insurance contracts decreases annually starting at age 61. Detailed information is available in separate booklets for each insurance.

Supplementary Death Benefit

This benefit provides a lump sum payable to your designated beneficiary. The payment is equal to twice your basic yearly salary, rounded up to the nearest multiple of \$250. The premiums are deducted monthly at \$0.05 per \$250 of coverage. This is part of the Superannuation Plan. Participation in this plan is compulsory.

Long Term Disability Insurance

This insurance provides you with up to 70% of your basic yearly salary if you become disabled. Benefits are payable after a waiting period of 13 weeks or after all your sick leave credits are used, whichever is later.

For the first 24 months, your disability must prevent you from performing the duties of your position. After 24 months, the disability must prevent you from performing the duties of any commensurate occupation. A commensurate occupation is one for which you are reasonably qualified by training, education or experience. The rate of pay for the commensurate occupation must be at least 66 2/3% of the current rate for your regular occupation.

Long Term Disability Insurance benefits will continue while the disability lasts, until your 65th birthday.

PERFORMANCE EVALUATION

Performance evaluations are done annually on each Government employee.

During your orientation period you and your supervisor will meet to set objectives. The two of you continue to meet informally throughout the year to review your performance.

You and your supervisor will meet to review your performance before fiscal year end. Objectives will be assigned for the following fiscal year. You will be given an opportunity to add any comments you wish to your evaluation. This performance review will be placed in your personnel file.

Your personnel file will be made available for your examination at reasonable times in the presence of an authorized representative of the Government. You may place a document in your personnel file with your supervisor's permission.

JOB EVALUATION

Job Evaluation will be done using the Hay Job Evaluation System. The Hay Job Evaluation Guide Charts (Appendix B), in conjunction with benchmark positions as set out in the Job Evaluation Manual, will be used for assessing the value of your position.

If you feel your position has been improperly evaluated:

- 1) Discuss the evaluation with your supervisor or a representative of management who is knowledgeable in the job evaluation system. Upon request, you will be provided with a copy of the Statement of Duties for your position, together with the point rating and the rationale supporting the point rating assigned.
- 2) You may submit a job evaluation appeal. This appeal will be referred to a Job Evaluation Appeal Board consisting of the Secretary of the Financial Management Board, the Deputy Head of your Department or their delegates, and a representative of the Employee. All members of the Job Evaluation Appeal Board must be trained on the use of the Job Evaluation System.
- 3) The Board must reach a unanimous decision, which is binding. If a unanimous decision is not reached, you may request that the Deputy Head refer the appeal to a Job Evaluation Review Board.
- 4) The Job Evaluation Review Board shall consist of a representative of the Employer, a representative of the Employee, and an independent chairperson, all trained on the use of the Job Evaluation System.
- 5) The decision of the Job Evaluation Review Board must be unanimous and is binding.
- 6) You may withdraw your appeal at any time.

The Department of Justice will provide legal representation (subject to existing insurance coverage and the prerogative of the insurer to provide counsel). The counsel may be from within the Department of Justice or otherwise, at the Government's discretion. The Government accepts full responsibility for the conduct of the action. You must cooperate fully with the appointed counsel.

GRIEVANCE PROCESS

Employees who have a complaint about their treatment under the *Public Service Act*, Regulations or other terms and conditions of employment, may take advantage of the grievance process. Before submitting a complaint you may seek the advice of a Personnel Administrator. You must present your grievance personally.

Employees taken on strength on or after January 1, 1995:

You are entitled to severance pay upon retirement if:

- you have ten or more years continuous employment;
- you give two months notice of termination; and

If your community of residence at termination is not the same as your point of recruitment, your eligible cost is the lesser of the costs of moving your effects to your point of recruitment or to your new domicile.
