## Liquor Plebiscite

Section 48(4) of the Liquor Act requires that petitions presented to the Minister must indicate the nature of the restriction or prohibition on which it is desired to ascertain the wishes of the qualified voters at a plebiscite. The Petition filed seeks only that a plebiscite be held.

The Minister will be pleased to order that a plebiscite be conducted on liquor control in Resolute Bay, on receipt of a petition, signed by at least 20 qualified voters, setting out the types of questions to be put to the qualified voters of Resolute Bay.
