Support for Rae Lakes Traditional Community Government Research Project

WHEREAS the community of Rae Lakes has undertaken a research project on traditional government which is aimed at assisting in the eventual establishment of community self-government systems, as well as contributing to Dogrib curriculum development for schools; and

WHEREAS this project is designed also to provide valuable community resources and individual experience in terms of English and Dogrib literacy, oral history and research capability; and

WHEREAS the Dogrib Treaty 11 Council (DT11C) believes this community project is providing a valuable contribution to the work of the Government of the Northwest Territories (GNWT) and DT11C in regarding self government; and

WHEREAS the community has been supported in part by GNWT funding for the project and requires additional funding to continue the project;

THEREFORE, be it resolved that the DT11C supports the community project and requests the GNWT to continue providing financial assistance to the community in order that the project can be completed as proposed by the community.
