IABLED DOCUMENT NO. 4 - 1 3 (A) TAI STATUS REPORT INDIVIDUAL EQUAL PAY SETTLEMENT AGREEMENTS

BACKGROUND

An offer to Settle the Equal Pay Complaint was made to the President of the Public Service Alliance of Canada (PSAC) on a without prejudice basis on December 15, 1998

A copy of the offer (less information pertaining to other individuals) was provided to each individual named in the above noted offer. In addition, each individual was provided a copy of his/her service record. A toll free number was provided for use in the event that any individual had questions about his/her service record information or the terms of the offer.

On January 5, 1999 the President of the PSAC rejected the offer to settle the Complaint. However, at the time over 2000 of the individuals who received a copy of the offer contacted the GNWT on the toll free line and requested an opportunity to accept an offer.

Starting on January 19, 1999 Individual Equal Pay Settlement Agreement offers were made. Because the offer involved the signing of a legally binding Settlement Agreement, each individual was advised to seek independent legal advice before deciding whether to accept the offer. Each individual was also advised that he/she was in no way obligated to accept the offer and that there would be no reprisal whatsoever from the GNWT should the individual exercise his/her right not to accept the offer.

The deadline for accepting the offers was extended from March 5, 1999 to March 31, 1999.
