JABLED DOCUMENT NO. 42-13(5) JABLED ON DEC 03 1998

In selecting a site for the new office complex being built by the Deninu K'ue Development corporation the selection committee reviewed all available sites and determined their suitability.

Some sites were eliminated due to location or condition. Negotiations to secure other suitable sites were ultimately unsuccessful. By the end of the process, the only viable property to consider was the property located by the fire hall near the Catholic church and across from the arena. although the owner(s) were apparently reluctant to sell their interest, they ultimately did so in the best interest of the community and the deninu K'ue Development Corporation. All discussions/arrangements were with Gladys Morin, Don Morin took no part in the matter

Thank You
