Closing of Executive Office in Baffin Region

I understand your government is considering closing the Executive office in the Baffin Region. Executive office has been very important in helping the Hamlets with the community transfer initiative by way of working with other departments.

The Regional Director for Baffin will play an important role in preparing the Baffin region for Nunavut and new decentralized capital. Executive also helps co-ordinate the Baffin Leaders summit.

The Hamlet of Clyde River would like you to reconsider the decision of closing Executive office in Baffin Region.

Sincerely,

James Qillaq  
Mayor

C.c. Tommy Enuaraq  
MLA  
Baffin Central

Jerry Ell
