Public Review of Report on MLA Compensation

The Speaker does not have the authority to action the request of the petitioners. The Report of the Commission on MLA Compensation was tabled in the House on March 20, 1996, and discussion was concluded on March 28, 1996. The Legislative Assembly by adopting Motion 9-13(3) have placed the Report of the Commission on MLA Compensation back into Committee of the Whole for discussion. The Report is therefore still pending for discussion by the Legislative Assembly.
