Mr. Goo Arlooktoo
Housing Corp. Minister
Legislative Assembly, Yk.

Dear Mr. Arlooktoo,

Please accept this letter as an "expression of interest" by the Gjoa Haven Development Corporation in regards to the purchase of any available GNWT housing units for Gjoa Haven. We would be interested in buying any detached units or duplexes located in our community which are up for sale.

The Gjoa Haven Development Corp is the business arm of Gjoa Haven Community Corporation. The Gjoa Haven Community Corporation (GHCC) has 489 members, all of whom are Inuit beneficiaries and long-term residents of Gjoa Haven. The mandate of our company is to "promote and develop the physical and human resource infrastructure of Gjoa Haven".

We also have a joint venture partnership with Ninety North Construction Ltd. of Yellowknife. Our joint venture (owned 51% by Gjoa Haven) is registered as a separate limited company in the NWT, and currently manages three rent supplement units for NWT Housing Corp in Gjoa Haven, and hopes to build a four-plex for the Housing Corp next year.
