Mr. Evaluardjuk:

I am writing on behalf of the Baffin Regional Chamber of Commerce to express our shock and disappointment at hearing that the government in Yellowknife has diverted \$9.77 million of Federal funding for the Inuvik and Iqaluit hospitals into general revenue.

Will you be asking Premier Morin for a timetable for repayment of these funds into a dedicated hospital fund? Recovery of these funds from the GNWT is necessary to ensure that major renovations planned for the Baffin Hospital in Iqaluit continue on schedule.

Thank you for your attention to this matter.

Regards,

Tammi Porter,  
Secretary Treasurer, BRCC
