

TABLED DOCUMENT NO. 53 ... 15 (4) TABLED ON OCT 21 2005

Handwritten circled number 49 and 45

MLA Kevin Menicoche
NAHENDEH REGION

I want to register an official complaint.

Local ferry workers from the community I live in or service have been locked out of the ferry in Fort Simpson since Friday, Oct 14, 2005 at 3:00 pm. When the local workers operated the ferry it was operating from 8:00 a.m. to 12:00 midnight.

Their jobs are being performed by scab labour from outside my community. Now that there are scabs operating the ferry, the service is only from 8:00 a.m. to 6:00 p.m.. The contractor, Rowe's Construction is not providing the service that they are contracted to perform.

It is unacceptable and an insult that the community of Fort Simpson, Wrigley and any company who services here and in Wrigley has to cross the river this way, while our own local people are locked out of their jobs. The scab labour is a threat not only to their jobs and their families but to all of us who live in the communities or provide services to us.

By signing, I want the Government officials to get this situation resolved as quickly as possible, provide sixteen hours of ferry service and put our Local people back on the ferry to do it.

NAHENDEH REGION

I want to register an official complaint.

Local ferry workers from the community I live in or service have been locked out of the ferry in Fort Simpson since Friday, Oct 14, 2005 at 3:00 pm. When the local workers operated the ferry it was operating from 8:00 a.m. to 12:00 midnight.

Their jobs are being performed by scab labour from outside my community. Now that there are scabs operating the ferry, the service is only from 8:00 a.m. to 6:00 p.m.. The contractor, Rowe's Construction is not providing the service that they are contracted to perform.

It is unacceptable and an insult that the community of Fort Simpson, Wrigley and any company who services here and in Wrigley has to cross the river this way, while our own local people are locked out of their jobs. The scab labour is a threat not only to their jobs and their families but to all of us who live in the communities or provide services to us.

By signing, I want the Government officials to get this situation resolved as quickly as possible, provide sixteen hours of ferry service and put our Local people back on the ferry to do it.
