Dear Sir/Madam:

Re: NWT LIQUOR ACT REVIEW

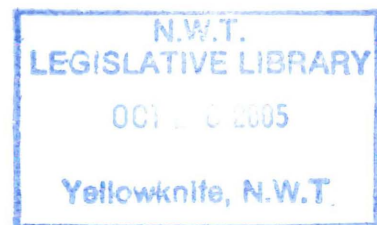

We are the Board of Northern Heights Condominium residential building located in downtown Yellowknife consisting of 109 apartment units.

We are writing this letter to express our concerns to possible changes to the Liquor Act which may negatively affect residents of our building with possible increased noise factors and more public drunkenness. Our residents currently endure many of these negative effects during our daily life in downtown Yellowknife and would not like to see more related to alcohol.

We have encouraged individual residents to contact the Review process directly with more specific positive and negative concerns and thank you for your time and consideration. Please feel free to contact myself at 873-2615 with any further questions or comments you may have, meanwhile we remain,

Sincerely yours,

**Barry Neary,
Vice President
Board of Management**
