NWT Residents Employed on 1996 Highway 3 Reconstruction Projects

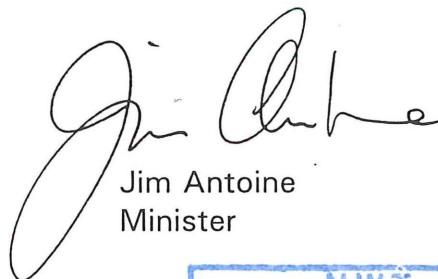

During the review of the 1997/98 Main Estimates for the Department of Transportation by Committee of the Whole, you asked that I provide the 'exact figures' for how many NWT residents worked on the 1996 Highway Reconstruction project.

For 1996/97 there were actually four (4) separate construction projects awarded for Highway 3 as follows:

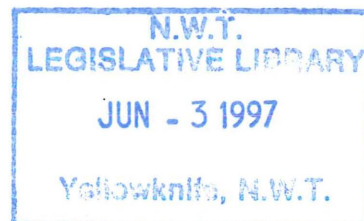

CONTRACT #	LOCATION	CONTRACTOR
CT973001	Km 112 - 124	RTL Robinson Enterprises Ltd.
CT973002	Km 124 - 134.5	RTL Robinson Enterprises Ltd.
CT973017	Km 165 - 175	RTL Robinson Enterprises Ltd.
CT973000	Km 175 - 189	Nishi Khon/PCL a Joint Venture

Contractors must submit employment reports for each contract indicating residency, ethnic status and the period worked by each employee. I am attaching the employment reports for each of the projects.

I trust that this meets your requirement.

Minister
