RE: Public Private Partnerships

Dear Mr. Todd,

The Board of Directors of the Association met on 3 February and reviewed the progress to date on the Government of the Northwest Territories initiative regarding Public Private Partnerships.

As was stated in our meeting with you last month, the Association is willing to provide assistance to the Government in working out details on P3 process and delivery in the NWT through representation on an Advisory Committee.

We would also like to invite you to speak at the 21st Annual General meeting of the Construction Association which will take place on Tuesday, March 31st at noon at the Yellowknife Inn. We are proposing having a workshop/seminar on P3 for the industry at that time.

We would like a confirmation as to your availability as a speaker at this time. In addition, is the feasibility of our participation on a P3 Advisory Committee to occur?

Thank you for your consideration.

Sincerely,

Bill Aho
President
