Re: Student's trip to the Legislative Assembly

Dear Honorable John Nigark,

We are currently students of the Adult Community Training Program of the Hamlet of Taloyoak. Our Training is detailed towards preparation for employment within the Nunavut Government. Therefore we would like to present the following proposal.

Goals:

- * To observe the Legislature in session.
- * To work in the Legislative Office as an extension of our practice.

Method:

- * To accomplish our goals.
- * We are planning a trip to Yellowknife March /April of 1998.
- * We are involved in fund raising to help cover the cost.
- * We are approaching our council, Nunavut Tunavik Incorporated, First Air & other organizations that provide services within our community, for financial aid.

List of Cost:

- * Estimated costs for eleven are: Air Fair 11x\$1500.00 = \$16,500.00

Accommodations:

- * 3 days & 3 nights = \$6,600.00
- * Per diem each student is responsible for own meals. —

We are looking forward to an extensive tour of the N.W.T. Legislature. Our hope is that each student can spend two days working with one of your staff to experience what the position requires. We believe that this will assist us to understand realities of what the work is like in the Legislature. We are also requesting some financial assistance to make this dream possible. With this information I hope you are will be able to make a decision in our favor.

Thank you for your time and consideration.

Sincerely,

Elaine Anigagatt
Peggy Etungay
Rebecca Karoo
