

Honourable Don Morin, Premier
Government of the Northwest Territories

February 11, 1998

Dear Mr. Morin,

On Monday, November 24th, I was called to a meeting in your office. I believe that I understood the intent and content of the discussions in your office. However, for clarification I am requesting a summary of the matters discussed. Perhaps you could call on the assistance of your witness, Nora Saunders, Assistant Deputy Minister of Justice, in compiling the details of the purpose of the meeting and what was said. You indicated that this would be no problem. Could I have the notes by Monday, February 16th, 1998?

Thank you.
