

Northwest Territories Minister of Municipal and Community Affairs

JAN 20 2005

Mr. Wayne Ingarfield
Principal
Charles Yohin School
GENERAL DELIVERY
NAHANNI BUTTE NT X0E 0N0

Dear Mr. Ingarfield:

Request for Gymnasium in Nahanni Butte

Thank you for the petition and letters you and your students gave to me on November 5, 2004, requesting support for the development of a gymnasium facility in Nahanni Butte. I appreciate the preparation and planning that you undertook to bring this matter to my attention.

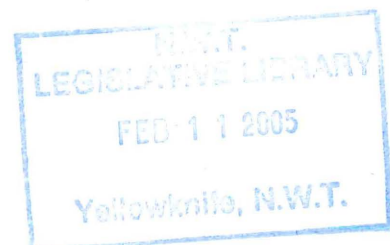

While the Department of Municipal and Community Affairs is not in a position to support the development of a gymnasium through our capital budgeting process in the immediate future, I will commit to have regional staff work with you and the community government to review other options that may be available. You may expect to hear from Mr. Shane Thompson, Senior Recreation Development Coordinator in our regional office during his next visit to your community.

Thank you and best wishes for a successful school year.

Sincerely,

Michael McLeod
