MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Minister of Education, Culture and Employment
Government of the Northwest Territories

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Beaufort-Delta Education Council have been conducted within the statutory powers of the Beaufort-Delta Education Council. The operations and administration of the Beaufort-Delta Education Council as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Beaufort-Delta Education Council Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors, Avery Cooper & Co. Ltd., Chartered Professional Accountants, annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Beaufort-Delta Education Council

INDEPENDENT AUDITORS' REPORT

To the Minister of Education, Culture and Employment
Government of the Northwest Territories

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of Beaufort-Delta Education Council which comprise the Consolidated Statement of Financial Position as at June 30, 2022 and the Consolidated Statements of Changes in Net Financial Assets (Debt), Statement of Operations and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of the Beaufort-Delta Education Council as at June 30, 2022 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

Salaries and related benefits paid to employees of the Beaufort-Delta Education Council are administered by the Government of the Northwest Territories and are audited as part of the Government of the Northwest Territories audit. Our audit scope was limited as we did not audit the components of compensation and benefits expenditures and related balances. Accordingly we are not able to determine whether any adjustments might be necessary to compensation and benefits expenditures, payroll liabilities, employee future benefits, net financial resources and accumulated surplus/deficit as well as note disclosures associated with transactions and year-end balances relating to compensation and benefits.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements of Beaufort-Delta Education Council taken as a whole. The supplementary information included on various schedules is presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied, only to the extent necessary to express an opinion in the audit of consolidated financial statements taken as a whole.

Other Information

Management is responsible for the other information. The other information comprises the Management Discussion and Analysis.

INDEPENDENT AUDITORS' REPORT - cont'd.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the management Discussion and Analysis prior to the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and the Act of the Northwest Territories, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the 's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the 's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITORS' REPORT - cont'd.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Education Act's requirement for the Education Authority to comply with the Financial Administration Act, in our opinion, proper books of account have been kept by the Beaufort-Delta Education Council, the consolidated financial statements are in agreement therewith and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Council.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 1 NATURE OF ORGANIZATION

The Beaufort-Delta Education Council was established under the Education Act of the government of the Northwest Territories by order of the Minister dated March 31, 1989. Its purpose is to administer and maintain the standards of educational programs defined under the Act in the member communities of the Beaufort-Delta region.

Member communities have formed local District Education Authorities (DEA) which have assumed the responsibility to provide adequate educational programs within their respective communities.

The consolidated financial statements reflect the assets, liabilities, revenues and expenses, changes in net financial assets (debt) and change in financial position of the reporting entity. This entity comprises the Education Council operations plus all of the member District Education Authorities that are owned or controlled by the Beaufort-Delta Education Council and are, therefore, accountable to the Council for the administration of their financial affairs and resources. At present, the DEA's that are owned or controlled by the organization are Aklavik, Tsiigehtchic, Fort McPherson, Inuvik, Paulatuk, Sachs Harbour, Tuktoyaktuk and Ulukhaktok.

Interdepartmental and organizational transactions and balances between these organizations have been eliminated for consolidation purposes.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

(a) **Basis of Accounting**

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the consolidated financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) **Cash and Cash Equivalents**

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques and short term highly liquid investments that are readily convertible to cash and with a maturity date of 90 days or less from the date of acquisition.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms' length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, payroll liabilities, deferred revenue, post-employment benefits and accountable funds.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset, is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Beaufort-Delta Education Council because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Beaufort-Delta Education Council.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The minister grants to the Beaufort-Delta Education Council the full occupancy and use of such facilities and equipment where required for the administration and delivery of the education programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expense.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

GNWT - Regular contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Beaufort-Delta Education Council retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other contributions:

The Beaufort-Delta Education Council follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Deferred Revenue

Deferred Revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditure are incurred.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

Investment Income

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

Special Purpose Funds

School activity funds which are fully controlled by the Beaufort-Delta Education Council with respect to when and how the funds available can be discussed are included. the funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Beaufort-Delta Education Council are not included even if custody of the funds is held by the Beaufort-Delta Education Council. Examples of excluded funds might be student clubs or associations for which the Beaufort-Delta Education Council has no ongoing responsibility of liability for losses.

Stallworthy / Carpenter Endowment contributions:

Endowment contributions and investment income are recognized as direct increases in accumulated surplus.

Terry Halifax Endowment contributions:

Endowment contributions and investment income are recognized as direct increases in accumulated surplus.

R. Gosselin Go For It Award Edowment Contributions

Endowment contributions and investment income are recognized as direct increases in accumulated surplus.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(g) Budget Data

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Beaufort-Delta Education Council and the budget is legally adopted by a motion of the board in accordance with Section 135(3) of the Education Act.

Board approved budgets are submitted to the Minister of education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the Education Act.

This annual budget includes estimates of revenues, expenses and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Beaufort-Delta Education Council.

The budget may be amended within a given fiscal year in accordance with Beaufort-Delta Education Council policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the original Minister approved budget for the school year.

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenue and expenses during the period. Actual results could differ from those estimates. Accounts subject to measurement uncertainty are post-employment benefits as determined by an actuary.

(i) Inventories including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Beaufort-Delta Education Council are treated as expenses during the year of acquisition and are not recorded on the statement of financial position.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(j) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued.

The duties and compensation base for UNW School year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Beaufort-Delta Education Council determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff are accrued to include earnings to June 30.

(k) Post-Employment Benefits, Compensated Absences, and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. eligibility is based on a variety of factors including place of hire, date employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

(l) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expenses. Transfers include grants and contributions and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(m) Foreign Currency Translation

Foreign currency transactions are to be translated in Canadian dollars. Revenues and expenses denominated in a foreign currency are reported at a rate in the date of the transaction. Monetary items that have yet to be settled at the exchange rate are translated at the exchange rate in effect on the date of financial statement. Exchange gain or loss resulting from foreign exchange rate would be accounted for in the financial statement.

(n) Contributed Materials and Services

The Beaufort-Delta Education Council recognizes contributions of materials and services, but only when a fair value can be reasonably estimated and when the materials and services are used in the normal course of operations and would otherwise have been purchased.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 3 FUTURE ACCOUNTING CHANGES AND ADOPTION OF NEW ACCOUNTING STANDARDS

Future Accounting Changes

Financial instruments

The Public Sector Accounting Board (PSAB) issued PS 3450 Financial Instruments effective for fiscal years beginning on or after April 1, 2022. Items within the scope of the standard are assigned to one of two measurement categories: fair value, or cost or amortized cost. Fair value measurement will apply to derivatives and portfolio investments in equity instruments that are quoted in an active market. Also, when groups of financial assets and financial liabilities are managed on a fair value basis they may be reported on that basis. Other financial assets and financial liabilities will generally be measured at cost or amortized cost. Until an item is derecognized, gains and losses arising due to fair value remeasurement will be reported in the Statement of Remeasurement of Gains and Losses. There is no significant impact on the financial statements as a result of its application.

Other New Standards

Effective July 1, 2022, Education Bodies will concurrently be required to adopt: PS 2601 Foreign Currency Translation, PS 1201 Financial Statement Presentation, and PS 3041 Portfolio Investments in the same fiscal period. Government organizations that apply PSAS were required to adopt these standards effective April 1, 2012, however there are no significant impacts on the financial statements as a result of these applications.

Effective July 1, 2022, Education Bodies will be required to adopt PS 3280 Asset Retirement Obligations. This standard provides guidance on how to account for and report liabilities for retirement of tangible capital assets. The Education Body is assessing the impact of this standard on the consolidated financial statements and currently estimates it will result in an increase in asset retirement obligations of \$Nil at June 30, 2023.

Effective July 1, 2023, Education Bodies will be required to adopt PS 3160 Public Private Partnerships. This Section establishes standards on accounting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. The private sector partner's obligations include requirements to:

- (a) design, build, acquire or better new or existing infrastructure;
- (b) finance the transaction past the point where the infrastructure is ready for use; and
- (c) operate and/or maintain the infrastructure.

This standard is applicable only to those Education Bodies that are able to acquire, and required to report, tangible capital assets in its financial statements.

Effective July 1, 2023, Education Bodies will be required to adopt PS 3400 Revenue. This

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 3 FUTURE ACCOUNTING CHANGES, continued

standard provides guidance on how to account for and report on revenue. Specifically, it differentiates between revenue arising from transactions that include performance obligations and transactions that do not have performance obligations. The impact of these standards on the financial statement is currently being assessed.

NOTE 14 CAPITAL LEASE OBLIGATION

(Not applicable)

NOTE 15 PENSIONS

(Not applicable)

NOTE 16 LONG-TERM DEBT

(Not applicable)

NOTE 17 POST-EMPLOYMENT BENEFITS, COMPENSATED ABSENCES AND TERMINATION BENEFITS

In addition to the pension benefits, The Beaufort-Delta Education Council provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Beaufort-Delta Education Council's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The most recent actuarial valuation was completed as at February 11, 2022. The effective date of the next actuarial valuation is March 31, 2025. The liabilities are actuarially determined as the present value of the accrued benefits at February 11, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

NOTE 23 CONTINGENCIES

Before the year end, there was a global outbreak of a novel coronavirus known as COVID-19, which has had a significant impact on organizations through the restrictions put in place by the Canadian and U.S. governments regarding travel, business operations and isolation/quarantine orders. The extent of the impact the COVID-19 outbreak may have on the Organization will depend on future developments that are highly uncertain, and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, the duration of the outbreak, including the length of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are, or may, be put in place by Canada, U.S. or other countries to fight the virus. The Organization's activities have not been significantly impacted thus far, however, the Organization continues to assess the impact COVID-19 will have on its operations.

NOTE 24 RELATED PARTIES AND INTER-ENTITY TRANSACTIONS

The Beaufort-Delta Education Council is related in terms of common ownership to all GNWT-created departments, agencies and corporations. The Council enters into transactions with these entities in the normal course of operations. The Council is provided with various administrative services by the GNWT, the value of which is not reflected in these consolidated financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, payroll services by the Department of Human Resources, internal audit services by the Department of Finance, and utility and maintenance by the Department of Public Works and Services. Transactions with related parties and balances at year end not disclosed elsewhere in the consolidated financial statements are disclosed in this note.

BEAUFORT-DELTA EDUCATION COUNCIL

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

NOTE 25 BUDGET DATA

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Beaufort-Delta Education Council which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenue and expenses for the Operating fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Beaufort-Delta Education Council.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on and have not been audited.

NOTE 26 ECONOMIC DEPENDENCE

The Beaufort-Delta Education Council receives its funding primarily from the GNWT. If the funding arrangements were to change, management is of the opinion that Beaufort-Delta Education Council operations would be significantly affected.

NOTE 27 FINANCIAL INSTRUMENTS

The Council's financial instruments consist of cash and temporary investments, accounts receivable, due from GNWT, accounts payable and accrued liabilities, accrued payroll, leave and termination benefits and due to GNWT. Unless otherwise noted, it is management's opinion that the Council is not exposed to significant interest rate, liquidity, credit, market, currency or cash flow risks arising from these financial instruments.

The Council's carrying value of cash and accrued salaries approximate fair value due to the immediate and short-term maturity of these instruments.

The Council's carrying value of the accrued leave and termination benefits approximates fair value based on information readily available in the NWTTA, UNW and Senior Manager's handbook.

The Council is subject to credit risk with respect to accounts receivable. Credit risk arises from the possibility that customers to which the Council provides services may experience financial difficulty and be unable to fulfil their obligations. The Council regularly monitors the amounts of outstanding receivables and initiates collection procedures to minimize credit risk.

Commission scolaire francophone Territoires du Nord-Ouest

Généralités

L'objectif du rapport de gestion consiste à expliquer, du point de vue du bureau central, la situation financière et les perspectives d'avenir de la Commission scolaire francophone TNO. Le rapport de gestion est la responsabilité de la direction générale et du Conseil des commissaires de la Commission scolaire francophone TNO et sert à promouvoir la transparence et la reddition de comptes.

Les objectifs de la gestion financière de la Commission scolaire francophone des TNO se résument en deux objectifs :

- 1) Fournir les meilleurs programmes d'éducation possibles selon les ressources financières allouées.
- 2) Gérer les ressources financières avec compétence et être redevable de ces ressources financières devant le ministère de l'Éducation, de la Culture et de la Formation des Territoires du Nord-Ouest et le gouvernement du Canada.

La vision de la Commission scolaire francophone TNO est de permettre à l'élève de développer ses compétences et de cultiver ses talents, selon ses besoins spécifiques, dans une perspective de développement global de sa personne et de son identité francophone.

Selon la *Loi sur l'Éducation des Territoires du Nord-Ouest*, la Commission scolaire francophone compte six sièges de commissaires élus, trois à Yellowknife et trois à Hay River.

Ce sont les commissaires qui supervisent la gestion de la Commission scolaire et des écoles. En fait, ils constituent le lien entre les élèves, les parents, les écoles et les deux paliers de gouvernement.

Les commissaires au titre de l'exercice fiscal 2021-22 sont comme suit :

Nom	Titre
Jean De Dieu Tuyishime	Président
Jessica King	Vice-présidente
Simon Cloutier	Commissaire
Catherine Boulanger	Commissaire
Rachel Cook	Commissaire
Fiona Aiston	Commissaire

La Commission scolaire francophone des TNO gère deux écoles publiques en français langue première de la prématernelle à la 12^e année :

- l'école Allain St-Cyr à Yellowknife; et
- l'école Boréale à Hay River.

Personnel de la Commission scolaire francophone

En 2021-22, le personnel (en termes de FTE) de la CSFTNO était de 43.9 FTE et se présente comme suit :

- Bureau central : 6 FTE (1 SRM, 2 EXCLUDED, 3 NWTTA)
- École Allain St-Cyr (EASC) : 16 NWTTA et 7 UNW
- École Boréale : 11 NWTTA et 3.9 UNW

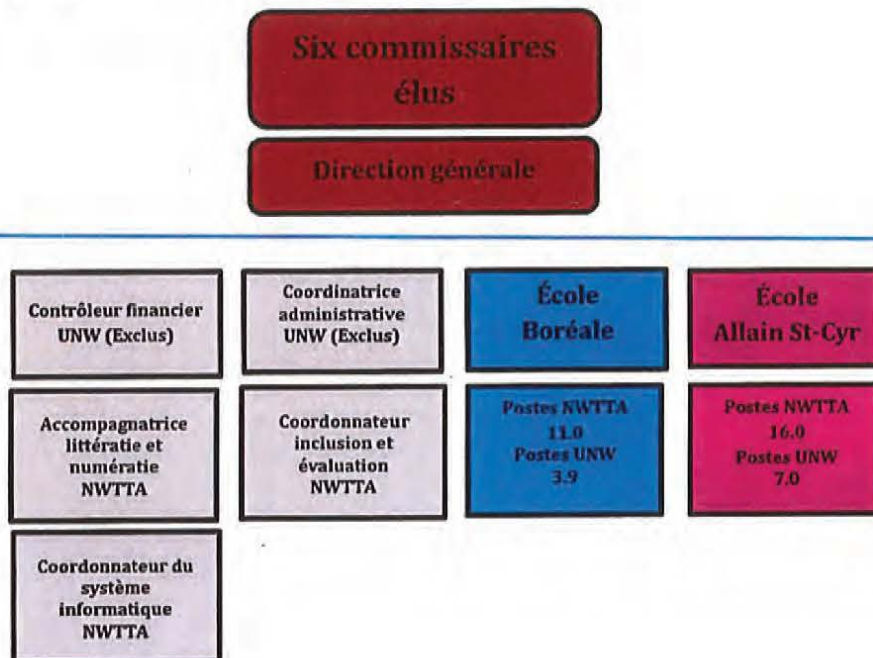

Effectif des élèves

Au 30 septembre 2021, 158 élèves fréquentaient l'école Allain St-Cyr et 62,5 l'école Boréale.

Organigramme de la Commission scolaire francophone

L'organigramme de la Commission scolaire francophone des TNO pour l'année 2021-2022 se présente comme suit :

Organigramme fonctionnel de la CSFTNO (2021-2022)

Plan stratégique 2021-2026

La Commission scolaire francophone a exécuté et achevé avec succès son plan stratégique 2015-2020 et a mis en place son nouveau plan stratégique pour la période 2021-2026.

Les nouveaux axes définis sont les suivants :

- La réussite et le bien-être de chaque élève;
- La capacité organisationnelle en développement;
- Espace francophone et communauté au service de l'élève.

Axe 1 : La réussite et le bien-être de chaque élève

Les objectifs stratégiques assignés à cet axe sont les suivants :

- Améliorer le rendement académique de chaque élève pour lui permettre de mieux réussir son parcours scolaire;
- Développer les compétences du profil de sortie de l'élève de la prématernelle à douzième année;
- Préparer les élèves à la vie postsecondaire par une approche individualisée, innovante et expérientielle.

Axe 2 : La capacité organisationnelle en développement

Les objectifs stratégiques assignés à cet axe sont les suivants :

- Retenir et recruter un personnel engagé par un environnement de bienveillance et un accompagnement professionnel continu.
- Développer la capacité de l'organisation pour offrir une plus grande gamme de programmes et cours innovants.
- Développer la capacité de l'organisation à préconiser une culture axée sur la performance, les données et l'imputabilité pour soutenir la réussite et le bien-être des élèves.

Axe 3 : Espace francophone et communauté au service de l'élève

Les objectifs stratégiques assignés à cet axe sont les suivants :

- Engager nos parents et nos partenaires pour soutenir la réussite et le bien-être de nos élèves.
- Développer une stratégie pour le recrutement et la rétention des élèves en vue d'assurer la vitalité et la pérennité de nos écoles.
- Collaborer avec les organismes locaux, territoriaux et nationaux pour faire vivre des expériences authentiques francophones et nordiques à nos élèves.
- Reconnaître, célébrer et communiquer l'unicité de notre système d'éducation francophone nordique.

Profil de sortie de l'élève

La CSFTNO, après un long processus d'écoute, de sessions d'informations et de formation, a élaboré un document permettant à chaque apprenant de définir sa propre voie du succès : le Profil de sortie de l'élève (PSÉ). Le PSÉ permet le développement personnel de l'élève dans un contexte qui :

- Tient compte du **bien-être** de l'apprenant.
- Définit l'**identité franco-ténoise** de l'apprenant.
- En fait un **apprenant pour la vie**.
- Le transforme en **penseur critique**.
- Lui donne les moyens de devenir un **citoyen éthique et engagé**.

Bien-être

- **Fait des choix de vie sains et sécuritaires** (alimentation, activité physique, santé mentale, consommation, relations, hygiène de vie).
- **Gère son stress**.
- **Reconnaît, partage et gère ses émotions**.
- **Cultive des rapports harmonieux**.
- **Utilise les stratégies d'autorégulation** (avoir une conscience de son état physique, émotionnel et mental et agir en fonction pour optimiser son potentiel).
- **Développe et a une estime de soi positive**.

Identité franco-ténoise

- **Travaille à se connaître et à maximiser son potentiel**.
- **Apprécie les richesses et particularités de son identité francophone**.
- **Apprécie les richesses et particularités de son identité nordique**.
- **Continue à s'engager afin de contribuer à la vitalité des communautés francophones**.

Un apprenant pour la vie qui...

- **Réussit son parcours scolaire**.
- **Communique efficacement**.
- **Collabore de façon constructive**.
- **Est débrouillard et fait preuve d'adaptation (résilience)**.

- **Maîtrise la littératie numérique.**

Un penseur critique qui...

- **Utilise son jugement et ses connaissances pour faire face aux défis.**
- **Fait preuve de créativité, d'innovation et d'entrepreneuriat.**

Un citoyen éthique et engagé qui...

- **Est ouvert sur le monde et sa diversité.**
- **Contribue à la communauté en faisant preuve de leadership.**
- **Est animé par un idéal de justice sociale et d'équité.**
- **Valorise et respecte les cultures autochtones.**

Revenus¹

La source principale des revenus provient du Gouvernement des Territoires du Nord-Ouest (GTNO). Cette source des revenus est majoritairement divisée en 3 catégories, exclusion faite des fonds générés par les écoles :

- Les contributions régulières calculées par le Cadre de financement scolaire des Territoires du Nord-Ouest (5.005 M\$) et les subventions du Secrétariat aux affaires francophones et le programme SELF-REG;
- La contribution provenant de l'entente *Enseignement en français langue de la minorité* de Patrimoine canadien (1.403 M);
- Les autres revenus provenant essentiellement des autres contributions du gouvernement (départements GTNO y compris ECE) et du Principe de Jordan s'élèvent à 400 k\$.

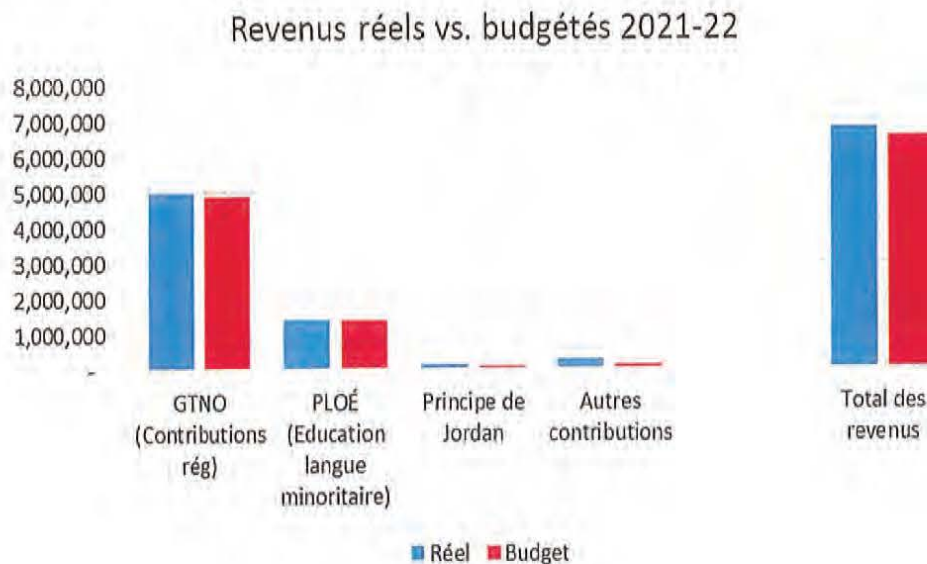

En 2021-2022, la Commission scolaire francophone TNO a enregistré des revenus d'un montant de 6.784 M\$ comparativement à un montant budgété de 6.542 M\$. Cette variance de 242 k\$ s'explique principalement par les facteurs suivants :

¹ Les revenus n'incluent pas le montant des fonds générés par les écoles qui fait l'objet d'une section séparée.

- Une hausse des contributions régulières de 80 k\$, tenant compte de la hausse des salaires des enseignants et du personnel.
- Il y a également la subvention du revenu COVID-19 réalisée à hauteur de 87 k\$, le principe de Jordan pour 37 k\$ et les autres revenus pour un montant net de 38 k\$ (une hausse de la contribution de Land on the Collaborative and TAKT pour 33 k\$, une nouvelle subvention pour Orthophonie pour 13 k\$, et une baisse du montant des ordonnances de 8 k\$).
- Le programme Odyssee, bien qu'ayant été budgété pour l'école Boréale n'a pas eu lieu au titre de l'année scolaire 21-22. Cela a entraîné une baisse des revenus de 37 k\$ compensée par une hausse des divers revenus de 38 k\$ (PES 440 pour 25.5 k\$, FNCSF pour 4 k\$ et divers pour 9 k\$).

Voici un tableau illustrant les revenus réels comparativement aux revenus budgétés :

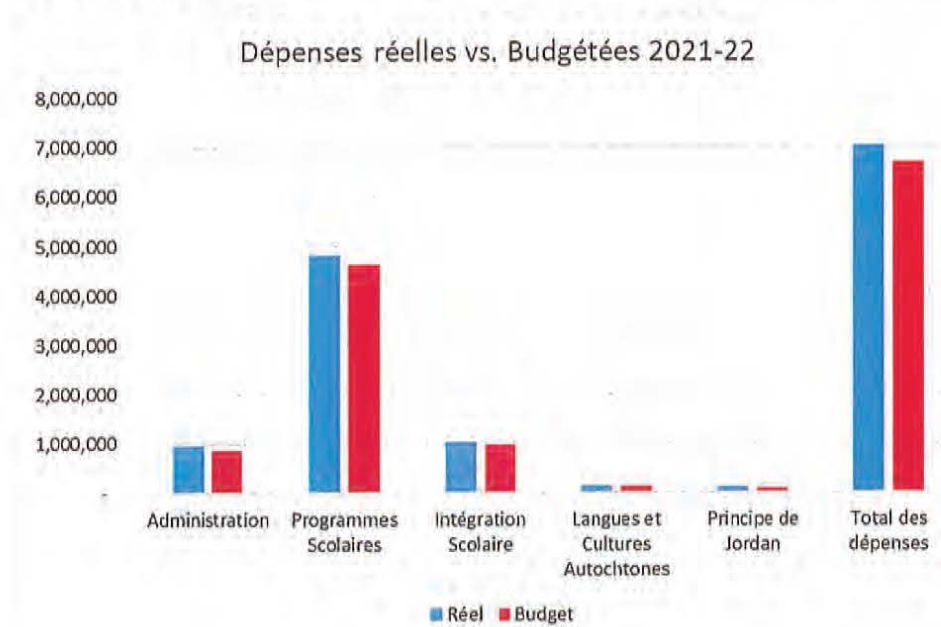

Dépenses²

Le total des dépenses de la Commission scolaire francophone TNO au 30 juin 2022 se chiffre à 7.014 M\$ comparativement à un budget approuvé de 6.680 M\$, soit un dépassement de 334 k\$.

Ce dépassement s'explique essentiellement par les facteurs suivants :

- Une hausse des frais d'administration de 92 k\$, notamment lié aux frais d'avocat pour les causes en cours;
- Une hausse des dépenses des programmes scolaires (notamment les salaires) de 172 k\$;
- Une augmentation des frais du principe de Jordan à hauteur de 37 k\$;
- Une augmentation des dépenses d'intégration scolaire de 37 k\$;
- Un quasi-équilibre des dépenses autochtones caractérisé par une faible réduction de 4 k\$.

Voici un tableau illustrant les dépenses réelles comparativement aux dépenses budgétées par programme :

² Les dépenses n'incluent pas les dépenses relatives aux activités spécifiques financées par des fonds générés par les écoles. Elles sont séparées et incluses dans la section des fonds générés par les écoles.

Résultats

Le résultat audité au 30 juin 2022 de la CSFTNO révèle un déficit de 230.3 k\$. Ce déficit s'explique essentiellement par l'importance des honoraires d'avocats qui n'étaient pas connus jusqu'à la fin de l'année fiscale. Ces frais s'élèvent à environ 167 k\$ et sont relatifs à :

- Une facture concernant l'appel à la Cour Suprême du Canada (CSC) d'un montant total de 145 k\$ dont une somme de 68.75 k\$ est supportée par le Programme de Contestation Judiciaire (PCJ). La quote-part qui a été supportée par la CSFTNO est de 76 k\$. Cette portion payée pourrait être partiellement remboursée si une décision favorable était prise à la suite d'une demande supplémentaire au PCJ.
- Une autre facture concernant l'appel à la CSC s'élevant à 91 k\$.

D'autres éléments ont contribué, soit négativement, soit positivement à la réduction du déficit :

- L'évaluation actuarielle a conduit à une baisse du déficit de 39 k\$, traduisant un allègement des engagements de la CSFTNO au 30 juin 2022;
- Les provisions pour congés payés ont augmenté le déficit de 17 k\$;
- Les opérations courantes, notamment, les salaires réels ont été plus élevés que les prévisions, expliquant essentiellement le plus gros du déficit de 85 k\$ relevant des activités ordinaires.

Ce déficit hors dette (1,270 k\$) envers le GTNO est partiellement compensé par le surplus opérationnel cumulé de l'exercice précédent qui s'élève à 103.6 k\$, ramenant ainsi notre déficit cumulé opérationnel (hors dette GTNO) à 126.7 k\$ au 30 juin 2022.

Fonds générés par les écoles

La CSFTNO a décidé d'intégrer les transactions liées aux fonds générés par les écoles dans les états financiers au 30 juin 2022. C'est le premier exercice de leur prise en compte et ce, dans l'objectif de se conformer à la norme comptable PS 1300. L'application de cette norme n'est pas particulièrement exigée par ECE et toute qualification relative à cette partie ne rend pas le rapport audité irrecevable. En d'autres termes, ECE s'accommode très bien de toute qualification éventuelle sur les fonds générés par les écoles. Un montant s'équilibrant en revenus et en dépenses a été porté aux états financiers pour 54.5 k\$.

Programmes

Administration

La section administration comprend les dépenses pour les salaires et bénéfiques des employés au bureau central, les honoraires du Conseil d'administration, les honoraires des différents consultants (incluant les frais d'avocat) et les dépenses administratives de la Commission scolaire francophone TNO. Le total des dépenses réelles (hors honoraires juridiques non prévus) s'élève à 0.793 M\$ versus un budget de 0.869 M\$. Les honoraires d'avocats non prévus se sont élevés à 167 k\$, conduisant à des dépenses réelles d'administration de 0.961 M\$, soit une hausse de 92 k\$ par rapport au budget.

Programmes scolaires

Cette section inclut les dépenses opérationnelles des écoles telles que les salaires et bénéfiques des enseignants, adjoints en soutien au programme, consultants, secrétaires et concierges. Les programmes scolaires comprennent également les frais de développement professionnel, le transport par autobus, les matériaux scolaires et les fournitures scolaires dans les écoles. Les dépenses encourues et réalisées se chiffrent à 4.823 M\$ contre un budget de 4.623 M\$.

Intégration Scolaire

Les dépenses pour l'intégration scolaire permettent aux écoles d'inclure tous les élèves et d'assurer leur participation dans les classes régulières. Cette section inclut les salaires et avantages sociaux des enseignants au soutien des élèves, les adjoint(e)s au programme de soutien, le développement professionnel, les frais associés au Principe de Jordan, et les matériaux et fournitures de classe associés au programme d'intégration scolaire. Les dépenses réelles sont sensiblement équivalentes au montant budgété et s'élèvent à 0.981 M\$ contre un montant budgété de 0.972 M\$.

Langue et cultures autochtones

Ce programme comprend les salaires et avantages sociaux du coordonnateur, ainsi que les matériaux et les fournitures reliés au programme de Langue et culture autochtones. L'exercice fiscal 2021-2022 s'est soldé par des dépenses réelles de 0.131 M\$ contre un budget de 0.135 M\$.

Perspectives 2022-2023

L'année 2021-2022 est celle qui a suivi l'année de la pandémie avec de nouveaux défis. La réalité du marché du travail a fondamentalement changé tant au niveau de la façon de travailler (possibilité de travailler à distance) que de la disponibilité d'une main d'œuvre qui se fait rare.

Malgré ce défi, la CSFTNO et toutes les parties prenantes ont énormément travaillé pour offrir quasiment le même niveau de services à leurs clients compte tenu des restrictions sanitaires. Et la CSFTNO s'engage à toujours offrir ce même niveau de services quel que soit le coût supplémentaire que cela a entraîné et continue d'entraîner.

Enfin, la CSFTNO expérimente une augmentation de l'effectif des élèves à l'école Allain St-Cyr (184,5 espérés contre 158 l'année dernière, soit une hausse de 26.5 élèves ou 16.77%) qui ouvrirait droit l'obtention d'un financement extraordinaire dont le montant n'est pas encore connu.

Sommaire

En 2021-2022, la Commission scolaire francophone TNO a approuvé un déficit opérationnel y compris les dépenses extraordinaires de 230,297\$ contre un déficit initialement budgété de 138,074\$.

La prise en compte du déficit cumulé incluant la dette du GTNO (1,166 M\$) et du déficit courant de 230 k\$ aboutit à un déficit cumulé de 1,396 M\$.

Malgré ce déficit, les fonds budgétés pour l'année fiscale 2022-2023 s'alignent avec le Plan stratégique à venir dans le but de continuer à offrir un excellent programme d'éducation en français langue première dans nos deux écoles.

Nous souhaitons une bonne rentrée scolaire à tous les élèves et employés de la Commission scolaire francophone TNO.

**To the Minister of Education, Culture and Employment
Government of the Northwest Territories**

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2022

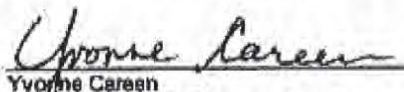

The Management Discussion and Analysis, Consolidated Financial Statements, Schedules and Notes herein submitted have been prepared and approved by management. They provide full disclosure and accurately reflect the financial and non-financial condition of Commission scolaire francophone Territoires du Nord-Ouest ("the Commission") in all material respects and in accordance with Canadian Public Sector Accounting Standards ("CPSAS") as well as the Financial Administration Manual ("FAM") and the Financial Administration Manual for Education Authorities ("FAMEA") of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Commission scolaire francophone Territoires du Nord-Ouest have been conducted within the statutory powers of the Commission. The operations and administration of the Commission as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Authority Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment ("ECE") of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Commission

September 28, 2022

Independent Auditors' Report

To the Minister of Education, Culture and Employment
Government of the Northwest Territories

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of Commission Scolaire Francophone Territoires du Nord-Ouest ("the Commission") which comprise the consolidated statement of financial position as at June 30, 2022, consolidated statements of operations, changes in net financial liabilities, and cash flows for the year then ended, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effect of the matters described in the *Basis of Qualified Opinion* paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of the Commission as at June 30, 2022 and the results of its operations, change in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

School funds generated and controlled by the Commission during the years ended June 30, 2021 are not reported nor presented in the accompanying consolidated financial statements. School generated funds represent fundraising activities for the benefit of student life enhancement and are controlled through the Commission due to the nature of these activities, which must be approved at the Commission level. This represents a departure from Canadian public accounting standards because school generated funds are determined to be under the control of the Commission, and as such are required to be included under the government reporting entity. Accordingly, school generated funds revenues, expenses, assets, and surplus for the year ended June 30, 2021, as well as school generated funds assets and surplus as at July 1 and June 30 for both 2022 and 2021 years are not recognized nor audited in the accompanying consolidated financial statements. Our audit opinion on the consolidated financial statements for the year ended June 30, 2021 was modified accordingly because of the possible effects of this departure.

Salaries and benefits paid to management and employees of the Commission are administered by the Government of the Northwest Territories and are audited as part of the Government of the Northwest Territories. Our audit scope was limited as we did not audit the components of salaries and benefits expenses and related balances. Accordingly, we were not able to determine whether any adjustments might be necessary to salaries and benefits expenses for the years ended June 30, 2022 and 2021; employee deductions payable, vacation payable, salaries and wages payable, post-employment benefits payable at June 30, 2022 and 2021, and accumulated surplus (deficit) as at July 1 and June 30 for both 2022 and 2021 years. Our audit opinion on the consolidated financial statements for the year ended June 30, 2021 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section our report. We are independent of the Commission in accordance with the ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Independent Auditors' Report (continued)

Other Information

Management is responsible for the other information. The other information comprises the Management Discussion and Analysis, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities for Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Commission's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Commission or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Commission's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements (continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Commission to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In conjunction with the audit of the consolidated financial statements, we have audited transactions of the Commission coming to our notice for compliance with specified authorities. The specified authorities against which compliance was audited are the Government of the Northwest Territories - Department of Education, Culture and Employment.

In our opinion, the transactions of the Commission that came to our notice during the audit of the consolidated financial statements have complied, in all material respects, with the specified authorities referred to above.

Management is responsible for the Commission's compliance with the specified authorities named above, and for such internal control as management determines is necessary to enable the entity to comply with the specified authorities.

Our audit responsibilities include planning and performing procedures to provide an audit opinion and reporting on whether the transactions coming to our notice during the audit of the financial statements are in compliance with the specified authorities referred to above.

1. Nature of the Organization

The Commission scolaire francophone Territoires du Nord-Ouest ("Commission") was established under the *Education Act* of the Government of the Northwest Territories ("GNWT") by order of the Minister dated November 7, 2000. A full range of instructional programs ranging from pre-kindergarten through Grade 12 is offered by the Commission in both Yellowknife and Hay River.

The Commission is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the Commission includes all aspects of operation and management. The Commission is the lowest (and sole) level of government exercising oversight responsibility.

The Commission is a public body performing a function of government in Canada. Paragraph 149(1)(c) of the *Income Tax Act* provides that a public body performing the function of government in Canada is exempt from taxation.

2. COVID-19

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Commission's environment and in the global markets due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) having had a material impact on the Commission's operations.

To mitigate the risk of virus spreading in the community, the schools were required to close for a period of time during the year. This has led to temporary suspension in the delivery of some services outlined per the funding agreements, which resulted in a large portion of funding being deferred to the subsequent fiscal period. To address the challenges posted by the pandemic, the Commission has received \$187K additional funding from the Department of Education, Culture and Employment in 2020-2021, the purpose of which was to provide COVID-19 related cost offsets for the reopening of schools in the fiscal year. The unused portion will continue to be used in the subsequent fiscal periods to fund COVID-19 related expenses. The unused portion to be used for 2022/2023 is \$15,556.

Subsequent to April 1, 2022, all restrictions in the Northwest Territories were lifted, and the Commission resumed its pre-pandemic activities.

June 30, 2022

3. Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Commission have been prepared in accordance with Canadian public sector accounting standards. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality. The financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity, which is composed of all organizations, two schools, which are controlled by the Commission.

The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Reporting entity

These consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Commission and which are controlled by the Commission.

School generated funds, which include the assets, liabilities, revenues, and expenses of various schools and which are controlled by the Commission are reflected in the consolidated financial statements.

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

(c) Cash

Cash is comprised of bank account balances, net of outstanding cheques.

(d) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accounts receivable and due from Government of Canada.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, payroll liabilities, and payable to GNWT.

June 30, 2022

3. Significant Accounting Policies (continued)

(d) Financial Instruments (continued)

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(e) Non-financial Assets

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver services that may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets of the Commission include prepaid expenses.

(f) Tangible Capital Assets

All tangible capital assets used by the Commission are purchased by and are the property of the GNWT. The Minister grants to the Commission the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Tangible capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Tangible capital assets with a value of less than \$50,000 are recorded as a current expense.

The Statement of Operations reflects the amount that would otherwise be considered amortization expense for the fiscal year as rent expense with an offsetting corresponding amount as a grant in-kind revenue for the assets provided at no cost.

(g) Revenue Recognition

Government Transfers

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the Statement of Operations as the stipulation liabilities are

3. Significant Accounting Policies (continued)
settled.

June 30, 2022

3. Significant Accounting Policies (continued)

(g) Revenue Recognition (continued)

Government Transfers (continued)

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

ECE - Regular contributions

The regular contributions from the GNWT are determined by a funding formula, based on student enrolment and price and volume fluctuation, and are received in monthly installments. The Commission retains surpluses and is responsible for deficits. Any funding requests over and above those levels provided by the formula must be first approved by the GNWT.

GNWT - French minority language

The French minority language contributions from the GNWT are determined by additional costs related to French minority language, and are received in one payment.

Other contributions

The Commission follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reliably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Funds received that are not expended at year-end are recorded as either deferred revenue or contributions repayable depending upon the terms of the contribution agreement.

Deferred revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenues when the eligible expenses are incurred or services provided.

Investment income

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

June 30, 2022

3. Significant Accounting Policies (continued)

(g) Revenue Recognition (continued)

School Generated Funds

School activity funds which are fully controlled by the Commission with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Commission are not included even if custody of the funds is held by the Commission. Examples of excluded funds might be student clubs or associations for which the Commission has no ongoing responsibility of liability for losses. See Note 6.

The distinctions between the treatment of School and Student activity funds are under review.

(h) Budget Data

The *Education Act* of the Northwest Territories requires that Boards of Education prepare an annual budget, as outlined in Section 128 and 129.

The final priorities and funding allocations are determined by the Trustees of the Commission at a special meeting called for the purposes of reviewing budget proposals, recommending changes, additions or deletions and adopting the proposed budget. The budget is legally adopted by a motion of the Board in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenues, expenses and net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Commission.

The budget may be amended within a given fiscal year in accordance with the Commission's policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the budget for the fiscal year.

June 30, 2022

3. Significant Accounting Policies (continued)

(i) Measurement Uncertainty

The preparation of these financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the period. Management makes accounting estimates when determining significant accrued liabilities, post-employment benefits liabilities and the related costs charged to the statement of operations. Actual results could differ from these estimates, the impact of which would be recorded in future periods.

(j) Inventories Including Materials and Supplies

Materials and supplies are considered a cost of operations and are expensed to the applicable program when received.

(k) Payroll Liabilities

According to the Northwest Territories Teachers' Association ("NWTTA") and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT's pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT Payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued as a liability.

The duties and compensation base for Union of Northern Workers ("UNW") School Year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Commission determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff salaries are accrued to include earnings to June 30.

(l) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

June 30, 2022

3. Significant Accounting Policies (continued)

(m) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expenses. Transfers include grants and contributions and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

(n) Foreign Currency Translation

The Commission only transacts in Canadian dollars. As such there is no foreign currency translation.

(o) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organize or radioactive material or live organism that exceeds an environmental standard. A liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met: an environmental standard exists; contamination exceeds the environmental standard; The Commission is directly responsible and accepts responsibility and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available as at June 30, 2022.

At each financial reporting date, management reviews the carrying amounts of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. Management at the Commission has concluded that there is no contamination that exceeds environmental standards and as a result there are no liabilities for contaminated sites.

(p) Donated Goods and Services

The school buildings occupied by the Commission are the property of the GNWT. The lease of the office space occupied by the Commission is paid for by the GNWT. The fair value of the use of the building and office space is estimated at its fair value and recognized as assets provided at no cost in the statement of operations.

June 30, 2022

3. Significant Accounting Policies (continued)

(q) Segment disclosure

The Schedule of Details of Expenses has been prepared in accordance with PS Handbook Section PS 2700 – Segment Disclosures. The segments selected are to enable users to better understand the government reporting entity and the major expense activities of the Commission. For each reported segment, expenses represent amounts directly attributable to each segment. Segments include:

School Programs: pertains to the provision of instructional services that falls under the basic public education mandate.

Inclusive Schooling: pertains to access to quality education for all students by effectively meeting their diverse needs.

Administration: pertains to the daily operations, maintenance and provision of board governance and central office administration.

Indigenous Languages and Culture: pertains to indigenous language resource development, support for language teachers and instructors, and enhance community engagement.

Jordan's Principle: pertains to the provision of products, services and supports related to health, social, and educational needs of the First Nations students at the Commission.

4. Future Accounting Changes

Revenue, Section PS 3400

For fiscal periods beginning on or after April 1, 2023, Educational bodies will be required to adopt PS 3400 Revenue. This standard provides guidance on how to account for and report on revenues. Specifically, it differentiates between revenues arising from transactions that include performance obligations and transactions that do not have performance obligations. The impact of these standards on the consolidated financial statements is currently being assessed.

	\$ 599,740	\$ 541,102

11. Repayment to GNWT

In early June 2012, a judgment was decreed in the legal action brought by the Commission against the GNWT to provide additional classroom space in Hay River and to assert the right to enrol students in both schools, and in a second legal action brought against the GNWT by L'Association des Parents Ayants Droit, with the support of the Commission, to provide additional classroom space in Yellowknife. In this judgment the GNWT was ordered by the Supreme Court of the Northwest Territories to reimburse \$1,127,287 to the Commission. Payment was received during the fiscal year ended June 30, 2014.

During the 2015 fiscal year, the GNWT submitted an appeal and was successful. The Commission then submitted an appeal to the Supreme Court of Canada which was refused to be heard.

During the 2019 fiscal year, the GNWT had determined the costs owed by the Commission resulting from the appeal to be \$1,269,573. As such, this amount was recognized as a liability in that fiscal year.

During the 2022 fiscal year, the Commission filed an Application for leave to appeal with the Supreme Court of Canada. The Leave to Appeal was granted on April 14, 2022.

As of the date of release of these financial statements, there is no scheduled repayment plan in place.

15. Capital Lease Obligations

The Commission does not have capital lease obligations.

16. Pensions

The Commission does not have pensions. Members of the Northwest Territories Teachers Association are covered by the government pension plan.

17. Long-Term Debt

The Commission does not have long-term debt.

18. Post-Employment Benefits

Under the conditions of employment, employees earn severance remuneration based on the number of years of service. Certain employees will also receive assistance with removal costs to return to their point of recruitment. The payment of these benefits is dependent on employees leaving the Commission.

These liabilities are to be funded in the year they become due through regular annual budget allocations that are received from the GNWT.

Severance benefits are paid to the Commission's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2022. The effective date of the next actuarial valuation is March 31, 2023. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the post-employment benefits for the Commission.

Notes to Consolidated Financial Statements

June 30, 2022

26. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenues and expenses for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Commission.

The budget figures presented are those approved by the Department of ECE on June 23, 2021.

27. Economic Dependence

The Commission receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Commission's operations would be significantly affected.

28. Financial Instruments

The Commission is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Commission's financial instruments is provided by type of risk below. The Commission is exposed to credit and liquidity risks from the its financial instruments. Qualitative and quantitative analysis of the significant risks from the Commission's financial instruments is provided by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the Commission if a debtor fails to discharge an obligation when due. The Commission is exposed to this risk relating to its cash, accounts receivable, and amount due from Government of Canada. The Commission holds its cash in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the Commission's cash in accounts are insured up to \$100,000.

The Commission's maximum exposure to credit risk is represented by the financial assets balance comprised of:

	2022	2021
Cash	\$ 1,755,438	\$ 1,405,171
Accounts receivable	96,683	172,351
Due from Government of Canada	15,005	25,356
Maximum credit exposure	\$ 1,867,126	\$ 1,602,878

The is a concentration of credit risk in cash as the majority of the deposits are held in one Canadian chartered bank and the balance is in excess of the insurable limit.

Commission scolaire francophone Territoires du Nord-Ouest

Notes to Consolidated Financial Statements

June 30, 2022

28. Financial Instruments (continued)

At June 30, 2022, the following accounts receivable were past due but not impaired:

	30 Days	60 Days	90 Days	Total
Accounts receivable	\$ 6,611	\$ 1,221	\$ 22,297	\$ 30,129

There is also a concentration risk in accounts receivable as more than 20% of the total balance is from the Government of Northwest Territories. At June 30, 2022, receivables from the GNWT comprised approximately 35% (2021 - 22%) of the total balance. The amounts represent a low credit risk as the debtors are reputable governments and government organizations with a good credit score. The Commission reduces its risk exposure by following up on old account receivables for collection.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and method used to measure the risk.

b) Liquidity risk

Liquidity risk is the risk that the Commission will not be able to meet all cash outflow obligations as they come due. The Commission mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The Commission's maximum exposure to liquidity risk is represented by accounts payable and accrued liabilities, and payroll liabilities for a total \$1,396,954 (2021 - \$994,801).

The financial assets including cash, accounts receivable, and amount due from Government of Canada, mature within 6 months. The financial liabilities including accounts payable and accrued liabilities, and payroll liabilities mature within 6 months.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures, and methods used to measure the risk.

29. Expenses By Object

	2022 Budget	2022 Actual	2021 Actual
Compensation	\$ 5,842,832	\$ 6,090,822	\$ 6,173,425

MANAGEMENT DISCUSSION AND ANALYSIS

Introduction

The Management Discussion and Analysis (MD&A) is a go-forward responsibility of management and the Council Members to promote transparency and accountability.

Vision and Core Strategy

The Dehcho Divisional Education Council mission is to provide quality education based on the cultures of its students and partnerships with the communities it serves.

The vision and core strategy for the Dehcho Divisional Education include a variety of goals and objectives, which include:

- Promote excellence in student performance.
- Deliver school programs and activities that support the intellectual, physical, emotional, social, and spiritual development of students.
- Deliver school programs and activities in a manner that integrates traditional and contemporary education practices.
- Provide programs that result in completion of secondary school graduation requirements so that students can pursue post-secondary education, skills, training and/or employment.
- Involve students in identification of learning needs and planning school programs.
- Build partnerships with community and regional agencies to meet student needs and strengthen wellness.
- Provide training to trustees, other educational leaders in schools and communities so that they may effectively exercise their roles and responsibilities.
- Promote and encourage the wellness of educational personnel (Trustees, Council staff and school staff).

Governance, Trustees and Key Management

Presently, the Council is represented by trustees from eight communities in the Dehcho region. The Council Members are as follows:

- Fort Providence- Albertine Canadien
- Fort Liard- Herbert Berreault
- Fort Simpson- Renalyn Pascua-Matte- Chairperson
- Jean Marie River- Yvonne Norwegian
- Kakisa Lake- Anita Chicot-Simba
- Samba K'e- Ruby Jumbo
- Wrigley- Lisa Moses
- Nahanni Butte- Jayne Konisenta

The management staff include Philippe Brulot, who performs the duties of the Superintendent during the fiscal year and was responsible for school operations and overall operations of the Council and David Fiebelkorn who manages the financial and business affairs of the Council.

Key Financial Highlights

Revenue has been increasing the past few years after a steady decline for periods prior to 2021. That increase in revenue continued in 2022 with considerable extra revenue being received from various sources. Due to a significant expenditure reductions due to falling revenue and more recently due to Covid restrictions, the Council has recorded surpluses over the past six years, following a large deficit in 2016. Actual surpluses have been favorable over original budgets in the past six years as Council tries to operate in the most financial responsible manner, taking advantage of cost saving measures wherever possible and maximizing other sources of income wherever possible. During the current fiscal year, the Council recorded a favorable surplus for the sixth consecutive year, which offset the larger deficit recorded in 2016. Much of this surplus resulted from additional sources of outside funding as well as spending restrictions caused by the Covid pandemic disruptions.

School programs continue to comprise the largest component of expenditures for the Council, with a strong emphasis on Inclusive Schooling and Aboriginal Language programs. Jordan's Principal program is increasingly become a significant contributor to the organization's operations. The Council has constantly strived to maintain Administration cost at below 10% of total funding.

Operating Environment

The Dehcho Divisional Education Council has been strengthened by sound fiscal and operation management over its history. The Council has enjoyed consistency in key management positions which has allowed for solid financial and administrative decision making. It also has been fortunate in attracting and retaining personnel in key positions. It has developed strong partnership with local groups and organizations and has developed relationships that have benefited the Council and schools. In addition, Council development and training has been a key area of strength in recent years. The Council has experienced some turnover in Principal and teaching staff in recent years which has weakened the consistency in student learning and achievement. The Council sees opportunities in the Education Renewal and Innovation to offer more dynamic education initiatives throughout the region and, with its partnerships with local and First Nations, it has opportunities to improve and develop language and cultural emphasis in education. Declining enrollment and related funding reductions represent a significant risk as well as retention of senior staff members over the next several years however these numbers have stabilized in recent years. The addition of significant funding from the new federal government Jordan Principal program has had a major positive impact on funding programs and providing much needed additional support. Since 2018-2019, new initiatives in innovation, technology upgrades and restructuring has begun to show positive results with the introduction of positive new programs and initiatives in literacy and program enhancements.

Financial Conditions

During the fiscal year ending June 30, 2022, the Council budgeted for an operating deficit to maintain a high level of programs and services. At the same time, it attempted to initiate new programs and services in the schools and communities. In doing so, the Council budgeted for an annual deficit of \$ 1,173,657. During the year, the Council managed to incorporate several significant sources of additional program funds as well as prudent fiscal management, to record a non-consolidated surplus of \$335,168 and a consolidated surplus of \$440,208. A significant portion of the surplus was also due to the reduced program activity due to the Covid-19 closures. This surplus for the 2022 year brought the overall accumulated book surplus up to \$3,153,597 (DEC - \$2,619,797; DEA - \$533,801). The accumulated surplus is now in excess of the limits under the Surplus Retention Policy, so a plan will be developed in the coming month to reduce this during the 2022-23 fiscal year by additional expenditures combined with a planned budgeted deficit for the year of \$1,834,216. Despite the budget deficit planned for 2022-23 of \$1,834,216, the current cash balance of \$6,945,626 eliminated any liquidity concerns as the Council continues to maintain cost controls in the current year, while contingent liabilities are not a risk to the Council's financial health. The Council's budgeted deficit of \$1,834,216 for the 2022-23 fiscal year in order to maintain a stable level of service as well as implement several new initiatives for the Council.

Summary and Outlook

During the past two years, the Council was fortunate to add to the surplus from the prior year after recovering from a large deficit in 2016 to return the Council to previous accumulated surplus levels. Despite being affected by several unanticipated and unbudgeted cost and funding reductions due to declining enrollment which reduced its accumulated financial position in a period of declining or stagnant enrollment, the Council was able to combine some cost recoveries along with strong fiscal management to reverse the fiscal trend. It was able to be successful in continuing many new initiatives including distance learning courses, resiliency programs, self-regulation and a new revitalized indigenous language program, judo and music. Several programs such as literacy development and Council governance training and development continued. Moving forward, the Council's goals for the upcoming year are to increase student achievement through continuing to provide staff and Council training and to provide programs that meet the needs of our 21st century learners and the goals of Education Renewal. Literacy, distance learning, self-regulation, Indigenous Language revitalization programs and training for Language teachers will continue. New initiatives include: programs in literacy training, and trades introduction, judo, sports and music programs. Finally, Council plans to continue upgrade aging technology and bandwidth issues and provide ongoing training for education applications including PowerSchool.

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Dehcho Divisional Education Council have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment of the Government of the Northwest Territories.

The financial statements have been reported on by Ashton Chartered Professional Accountants. The auditors' report outlines the scope of their audit and their opinion on the presentation of the information included in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Minister of Education, Culture and Employment of the GNWT

To the Board of Trustees of the Dehcho Divisional Education Council

Opinion

We have audited the consolidated financial statements of the Dehcho Divisional Education Council, which comprise the consolidated statement of financial position as at June 30, 2022, and the consolidated statements of operations and surplus, changes in net assets (debt), and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effect of the matters described in the Basis of Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Dehcho Divisional Education Council as at June 30, 2022, and the results of its financial performance and cash flow for the year then ended in accordance with the Canadian public sector accounting standards.

Basis for Qualified Opinion

The Government of the Northwest Territories is responsible for the calculation and distribution of the Education Body's wages and benefits expenditure for public service employees, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT is properly reflected in the Education Body's records. As a result, we were not able to determine whether any adjustments might be necessary to expenditure, liabilities or accumulated surplus. Our audit opinion on the financial statements for the year ended June 30, 2022 has been modified because of the effects of this limitation.

Some of the District Education Authorities derive revenue from the general public in the form of cash receipts and incurs related cash expenses. The completeness of these transactions are not susceptible to satisfactory audit verification. Accordingly, our verification of these revenue and expenses were limited to the amounts recorded in the records of the District Education Authorities and we were unable to determine if further adjustments were required to revenue, expenses, and opening accumulated surplus and cash flows from operations for the years ended June 30, 2022 and June 30, 2021.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Council in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report (continued)

In preparing the financial statements, management is responsible for assessing the Education Body's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Education Body or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Education Body's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Education Body's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Education Body's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Education Body to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Financial Administration Act, that, in our opinion, proper books of account have been kept by the Education Body, the consolidated financial statements are in agreement therewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Education Body.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 1. Dehcho Divisional Education Council

The Dehcho Divisional Education Council (formerly known as the Divisional Board of Education) was established on March 30, 1990. The Dehcho Division encompasses an area which includes the communities of Wrigley (Chief Julian Yendo School), Nahanni Butte (Charles Yohin School), Sambaa K'e (Charles Tetcho School), Fort Simpson (Liidlii Kue Elementary and Regional High Schools), Fort Liard (Echo-Dene School), Fort Providence (Deh Gah Elementary and Secondary School), Jean Marie River (Louie Norwegian School) and Kakisa Lake (Territorial School - Kakisa Lake School).

The Education Body's purpose is to administer and manage the educational affairs of the Division in accordance with the Education Act and the Financial Administration Act of the Northwest Territories and the regulations of the Order establishing the Education Division.

Consequently, the Council is dependent on funding from the Department of Education, Culture, and Employment (ECE) of the GNWT. Member Communities have formed local District Education Authorities (DEA) which have assumed responsibility to provide sufficient educational programs within their respective communities.

The Council is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

The Council is a public body performing a function of government in Canada. Paragraph 149(1)(C) of the *Income Tax Act* provides that a public body performing a function of government in Canada is exempt from taxation.

Note 2. Summary of Significant Accounting Policies

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques, and short term highly liquid investments that are readily convertible to cash and with a date of 90 days or less from the date of acquisition.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 2. Summary of Significant Accounting Policies (continued)

(c) Financial Instruments (continued)

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Body because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Body.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Education Body the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

GNWT – Regular Contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Education Body retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other Contributions:

The Education Body follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 2. Summary of Significant Accounting Policies (continued)

(f) Revenue Recognition - (Continued)

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Investment Income:

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

Special Purpose Funds

School activity funds which are fully controlled by the Education Body with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefits.

Student activity funds which are controlled by students or parties other than the Education Body are not included even if custody of the funds is held by the Education Body.

(g) Budget Data

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Body and the budget is legally adopted by a motion of the Board in accordance with Section 135(3) of the Education Act.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the Education Act.

This annual budget includes estimates of revenues, expenditures and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget may be amended within a given fiscal year in accordance with Education Body policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Body are treated as expenditures during the year of acquisition and are not recorded on the statement of financial position.

(j) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT Payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 2. Summary of Significant Accounting Policies (continued)

(j) Payroll Liabilities (continued)

The duties and compensation base for UNW School Year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Education Body determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff are accrued to include earnings to June 30.

(k) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced, and reasons for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render services. Termination benefits are recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides services, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

(l) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expenses. Transfers include grant and contributions and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

m) Foreign Currency Translation

Foreign currency transactions are to be translated in Canadian dollars. Revenues and expenses denominated in a foreign currency are reported at a rate in the date of the transaction. Monetary items that have yet to be settled at the exchange rate are translated at the exchange rate in effect on the date of financial statement. Exchange gain or loss resulting from foreign exchange rate would be accounted for in the financial statement.

Note 3. Future Accounting Changes

Revenues - Section PS 3400

PSAB has approved Section PS 3400, Revenues. This Section establishes standards on how to account for and report on revenue. Specifically, it differentiates between revenue arising from transactions that include performance obligations and transactions that do not have performance obligations. This Section applies to fiscal years beginning on or after April 1, 2023, but earlier adoption is permitted. This Section may be applied retroactively or prospectively. Management is currently assessing the impact of the standard.

Financial Instruments - Section PS 3450

The Public Sector Accounting Board (PSAB) issued PS 3450 Financial Instruments effective for fiscal years beginning on or after April 1, 2022. Items within the scope of the standard are assigned to one of two measurement categories: fair value, or cost or amortized cost. Fair value measurement will apply to derivatives and portfolio investments in equity instruments that are quoted in an active market. Also, when groups of financial assets and financial liabilities are managed on a fair value basis they may be reported on that basis. Other financial assets and financial liabilities will generally be measured at cost or amortized cost. Until an item is derecognized, gains and losses arising due to fair value remeasurement will be reported in the Statement of Remeasurement of Gains and Losses. Management is currently assessing the impact of the standard. There is no significant impact on the financial statements as a result of its application.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 3. Future Accounting Changes (continued)

Asset Retirement Obligations - PS 3280

Effective July 1, 2022, Education Bodies will be required to adopt PS 3280 Asset Retirement Obligations. This standard provides guidance on how to account for and report liabilities for retirement of tangible capital assets. The Education Body is assessing the impact of this standard on the consolidated financial statements.

Other New Standards

Effective July 1, 2022, Education Bodies will concurrently be required to adopt: PS 2601 Foreign Currency Translation, PS 3280 Asset Retirement Obligations, and PS 3041 Portfolio Investments in the same fiscal period. There are no significant impacts on the financial statements as a result of these applications.

Note 15. Pension - Not Applicable

Note 16. Long-term Debt - Nil Report

Note 17. Other Employee Future Benefits and Compensated Absences

The Education Body provides severance (resignation and retirement), removal and compensated absence (sick, special maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a deficit equal to the accrued post-employment benefits obligation.

Severance benefits are paid to the employees based on the types of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment, and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued by an external actuarial with the GNWT payroll valuations using the expected utilization methodology.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 17. Other Employee Future Benefits and Compensated Absences (continued)

Compensated absence benefits generally accrue as employees render services and are paid upon the occurrence of an event resulting in eligibility for the benefits. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under the compensated absence benefits were valued by an external actuarial with the GNWT payroll valuations using the expected utilization methodology.

Valuation Results

The actuarial valuation was completed as at February 11, 2022. The effective date of the next actuarial valuation is March 31, 2025. The liabilities are actuarially determined as the present value of the accrued benefits at February 11, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

	Severance and removal	Compensated Absences	2022	2021
Changes in Obligation				
Accrued benefit obligations beginning of the year	\$ 552,167	\$ 155,821	\$ 707,988	\$ 855,444
Current period benefit cost	41,171	20,232	61,403	62,897
Interest accrued	17,945	5,387	23,332	22,798
Benefits payments	(216,435)	(25,593)	(242,028)	(183,167)
Plan amendments	-	(137)	(137)	-
Actuarial (gain)/loss	404,267	6,038	410,305	97,472
Accrued benefit obligation, end of year	799,115	161,748	960,863	855,444
Unamortized net actuarial gain	18,111	(102,240)	(84,129)	293,349
Net future obligation	\$ 817,226	\$ 59,508	\$ 876,734	\$ 1,148,793
Benefits Expense				
Current period benefit cost	\$ 41,171	\$ 20,232	\$ 61,403	\$ 62,897
Interest cost	17,945	5,387	23,332	22,798
Plan amendments	-	(137)	(137)	-
Amortization of actuarial gains	(128,656)	13,926	(114,730)	(113,430)
	\$ (69,540)	\$ 39,408	\$ (30,132)	\$ (27,735)

The discount rate used to determine the accrued benefit obligation is an average of 4.1%. No inflation rate was applied. The expected payments during the next five fiscal years are:

	Severance and removal	Compensated Absences	2023
2023	\$ 165,541	\$ 27,330	\$ 192,871
2024	127,898	24,896	152,794

June 30, 2022

Note 23. Contingencies

With any employer, especially those with a union there are always risks of employee grievances. At the end of the fiscal year there was no grievances that were outstanding from a prior period. In the opinion of management should any losses result from an occurrence prior to the financial statement date, such loss will be charged to operations in the year in which there the loss is measurable and likely to occur.

Note 24. Related Parties

The Education Body is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Education Body enters into transactions with these entities in the normal course of operations. The Education Body is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, payroll services by the Department of Human Resources, internal audit services by the Department of Finance, and utility and maintenance by Public Works and Services.

Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are disclosed in this note:

Note 25. Budget

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenues and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on December 20, 2021 and have not been audited.

Note 26. Economic Dependence

The Dehcho District Education Council received its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that Dehcho District Education Council operations would be significantly affected.

Note 27. Financial Instruments

The Education Body is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Education Body's risk exposure and concentration as of June 30, 2022.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Education Body has little exposure to credit risk as the majority of its revenues originate from government sources with strong credit worthiness.

Liquidity

Liquidity risk is the risk the Education Body will not be able to meet its obligations as they come due. The Education Body meets its liquidity requirements by preparing detailed cash budgets and having cash available on hand to meet its obligations.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2022

Note 27. Financial Instruments (continued)

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is composed of currency risk, interest rate risk and other price risk.

Currency risk

The Education Body deals exclusively in Canadian funds and therefore has no currency risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in interest rates. The Education Body minimizes risk through its normal operating and financing activities and maintains cash in a general bank account.

Management Discussion and Analysis

Introduction

Dettah District Education Administration:

Jameel Aziz – Superintendent of Yellowknife Education District #1

Lea Lamoureux – Principal of Kaw Tay Whee School

Sally Ann Drygeese - Administration/Language

Neil Penney - Program Support Teacher

Current DDEA Members:

Rebecca Plotner – Chairperson

Charlene Liske – Vice Chairperson

Beatrice Sangris – Member

James Sanderson – Member

Marie Hardisty – Member

Jessica DeLeary – Member

Mary Liske – Member

Acknowledgements:

The Dettah District Education Authority acknowledges the preparation of the Annual Management Discussion and Analysis as a go-forward responsibility of school management/administration and the Board Members to promote transparency and accountability.

Vision Statement:

“To create a safe learning environment where students can develop both academic and traditional skills as they become community leaders.”

Mission Statement:

“We believe in working together to create a thriving community through education, culture and pride.”

Core Strategies:

- Develop, build, and maintain strong and respectful working relationships between the Dettah District Education Authority and Kaw Tay Whee School management/administration, staff and other stakeholders to best serve students and families
- Provide daily instruction in the Wiiliideh language and frequent opportunities for students to learn traditional ways of the community
- Recruit, train, and retain high quality, and highly qualified teaching and support staff to best serve current and future students; ensuring opportunities to engage in the local language and cultural practices and learning

- Support school staff team to provide a whole-child educational experience and to provide a “wrap-around” services model to better support families in the community
- Actively engage in ensuring that students from the community from junior kindergarten to grade twelve attend and engage in educational opportunities; and work with extended families to promote the importance of school attendance and graduation providing students and families with guidance and support to navigate larger school settings and systems as needed
- Offer opportunities for pre-school aged children (0-5) to be involved in the wider life of the school to ease the transition when it is time for these children to register for school
- Support school management in their advocacy for services to be offered in the community school so as to ease challenges with system navigability; including but not limited to health services
- Plan for the future of a healthy thriving school and the possible provision of needed early intervention by networking and supporting new families and new parents
- Carefully ensure maximum fiscal responsibility to best meet the specific needs of students in and out of school
- Support school staff team in their quest to provide ample opportunities for students to have a wide variety of learning experiences so as to broaden their general knowledge base, and have a positive impact on personal health, well-being, confidence, and strong personal cultural identity.
- Support school staff team in their quest to improve access to mental health services in the school setting, and to build their own knowledge and skillset in this area.

Active Committees:

The Dettah District Education Authority has two main committees, comprised of the hiring committee and the finance committee. Each committee has two members, and the chairperson is also automatically added to each committee.

As a core value of the Dettah District Education Authority is collaboration and partnership with the school administration, the committees meet on an as-needed basis, and conduct business in collaboration with school management/administration.

School Staff Equivalents:

The school is split into three classrooms to accommodate this number of grade levels and student’s needs. The Multi-Age-Grouped classrooms were grouped as junior kindergarten and kindergarten, grades one to three, grades three to five, and grades six to eight plus. The computer lab space was set up as the high school area.

The school employed 4.0 full time teachers, 1.0 language teacher/EA, 1.0 PST, and 1.0 teaching principal, who also encompassed the role of Regional Inclusive Schooling Coordinator (RISC) and Regional Indigenous Languages in Education (RILE).

When considering school population and staffing, it is important to note that the teaching principal/RISC/RILE position includes a variety of responsibilities, not normally required in this role, due to the unique position of the Dettah District Education Authority. The Dettah District Education Authority contracts superintendency services from Yellowknife Education District Number One.

- The DDEA is site-based-managed for funding, and is also independently audited. The day-to-day responsibilities and management of these tasks is part of the principal's job; as are any responsibilities that are designated to him/her by the DEA Chair
- The principal therefore is responsible to ensure that documentation is ready for the annual financial audited statements
- The principal is responsible for working with contractors, the GNWT, and many other bodies directly, as opposed to being filtered through school-board level coordinators
- The principal is also responsible for all pieces of the complete Operating Plan (Accountability Framework), Annual Report, and the Inclusive Schooling Compliance Tool
- The principal also acts as the ATIP coordinator for the DDEA and fulfills other roles and completes other responsibilities as required

Operating Environment

Strengths and Opportunities:

- Consistently positive working relationship between Dettah District Education Authority and Kaw Tay Whee School Staff; maximizing the potential for a positive learning environment for students and support for families
- An increase in the amount and quality of instruction in the local Wiliideh language, by a caring and qualified individual from the community
- An increase in grades offered over the past several years, to now encompass junior kindergarten to the alternative high school program; therefore maximizing potential for students to access high quality learning in the home community, and ensuring that there are no barriers with transportation if a student is late. This year, the school has continued to offer grade nine to students following IEPs, should they wish to remain in the community
- Over the past twelve years, the school and school staff have received many accolades and awards; including the Prime Minister's Award for Teaching Excellence Certificate of Achievement, and a Canada's Outstanding Principal award; attesting to the change in student achievement, and attendance; most recently the school has been lauded for its multi-award-winning film program
- The Dettah District Education Authority and school management have carefully managed funds to ensure that a reasonable operating surplus is available for the future, should enrollment change due to families moving out of the community, or for a low birth year; both of which can cause a major impact on school enrollment

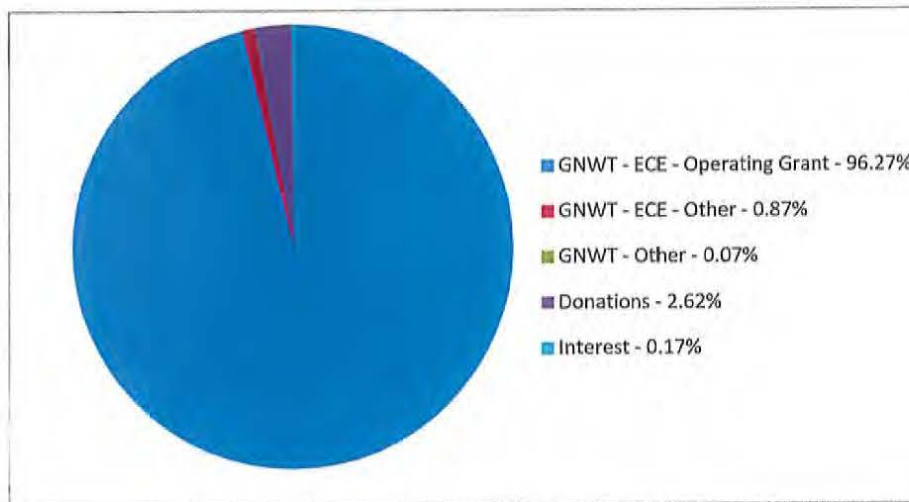

Challenges and Threats:

- This year the DEA continued to face financial challenges as many positions or services have either been cut in the funding, or do not receive any funding; examples include a cut to the custodian

position, bus funding that does not provide for the actual cost amount, the fee for superintendency services, as well as fees for any book-keeping or the annual audit.

- As in years past; due to large families moving away from Dettah, or a low birth year in the community, school enrollment can be volatile and unpredictable from year to year; thus providing a challenge for the number of grades offered in one room, and in providing assistance for those students requiring one-on-one support. In order to minimize threat, as school funding changes, the DDEA has ensured a small surplus to attempt to maintain the integrity of school programming and staff allocations to best meet the needs of our students

Operating Revenue for the DDEA in 2021-2022

Expenses by program for the DDEA in 2021-2022

Operating expenses actual compared to budget for DDEA in 2021-2022

Financial Condition

The Authority's financial assets increased from \$917,538 to \$1,253,115. This year the net financial assets (financial assets less liabilities) were \$1,083,482 compared to \$811,617 in the prior year, indicating a stronger financial position.

The Authority had an operating surplus of \$274,398 for the year compared to an operating surplus of \$273,631 in the prior year. The surplus for the year was consistent with the prior years figures. The accumulated surplus at year end is \$1,083,478.

The Yellowknife Education District #1 Payable have increased from \$4,872 to \$53,439. This is due to the Authority not having paid the salaries accrued for August 2022 as of year-end. As noted in the previous year, the August 2021 salaries accrued were paid as of June 30, 2021. This increase is due to the timing of payments at year end.

Dettah DEA received 97% (2021 – 99%) of its funding from the GNWT. The core funding increased from \$1,727,135 to \$1,858,398 in the current year. Other revenues in the current year mainly consists of donations from the Food First Foundation and the Breakfast Club of Canada, and Arctic Canadian Diamond Company, totaling \$50,489.

Summary and Outlook

Achievements and Successes:

- Students in need of speech support has continued to grow; yet students received on-on-one support on a daily basis to improve their skills
- School staff remained consistent; with over 50% of employees being employed at the school for five years or longer
- Attendance of community members and family members at school events continued to increase

Top Priority Challenges for the Coming Year:

- The COVID-19 Global Pandemic remains having an unpredictable impact on enrolment
- In order to minimize the impact on school programming, and experiences, school management will continue to work with outside stakeholders and partners to provide opportunities for students without impacting current allocations

Management's Responsibility for Financial Reporting

To the Minister of Education, Culture and Employment
Government of Northwest Territories

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2022

The Management Discussion and Analysis, Financial Statements, Schedules and Notes herein submitted have been prepared and approved by management. They provide full disclosure and accurately reflect the financial and non-financial condition of Dettah District Education Authority (the "Education Authority") in all material respects and in accordance with Canadian Public Sector Accounting Standards ("CPSAS") as well as the Financial Administration Manual ("FAM") and the Financial Administration Manual for Education Authorities ("FAMEA") of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Dettah District Education Authority have been conducted within the statutory powers of the Education Authority. The operations and administration of the Education Authority as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, *Human Resources Manual*, Ministerial Directives and the policies of the Education Authority Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment ("ECE") of the Government of the Northwest Territories.

Independent Auditors' Report

To the Minister of Education, Culture and Employment
Government of Northwest Territories

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of Dettah District Education Authority (the "Education Authority") which comprise the statement of financial position as at June 30, 2022, the statements of operations, changes in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effect of the matters described in the *Basis of Qualified Opinion* paragraph, the financial statements present fairly, in all material respects, the financial position of Dettah District Education Authority as at June 30, 2022, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

During the year, the Authority generated a significant amount of revenue from donations and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Education Authority. Therefore, we were not able to determine whether any adjustments might be necessary to donations, operating surplus, cash flows from operations, financial assets and accumulated surplus for the year ended June 30, 2022. Our audit opinion on the financial statements for the year ended June 30, 2021 was not modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Education Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Management Discussion and Analysis, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditors' Report (continued)

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Education Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Education Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Education Authority's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Education Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Education Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Education Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent Auditors' Report (continued)

Report on Compliance with Specified Authorities

In conjunction with the audit of the financial statements, we have audited transactions of the Education Authority coming to our notice for compliance with specified authorities. The specified authorities against which compliance was audited are the Government of the Northwest Territories - Department of Education, Culture and Employment.

In our opinion, the transactions of the Education Authority that came to our notice during the audit of the financial statements have complied, in all material respects, with the specified authorities referred to above.

Management is responsible for the Education Authority's compliance with the specified authorities named above, and for such internal control as management determines is necessary to enable the entity to comply with the specified authorities.

Our audit responsibilities include planning and performing procedures to provide an audit opinion and reporting on whether the transactions coming to our notice during the audit of the financial statements are in compliance with the specified authorities referred to above.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

1. Nature of Operations

The Dettah District Education Authority (the "Education Authority") was established under the *Education Act* of the Government of the Northwest Territories ("GNWT") by order of the Minister dated February 12, 2004. Its purpose is to administer and maintain the standards of educational programs in Dettah as defined under the Act. A full range of instructional programs ranging from kindergarten through grade 12 is offered by the Authority.

The Education Authority is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the Authority includes all aspects of operation and management. The Education Authority is the lowest (and sole) level of government exercising oversight responsibility.

The Education Authority is a public body performing a function of government in Canada. Paragraph 149(1)(c) of the *Income Tax Act* provides that a public body performing the function of government in Canada is exempt from taxation.

2. COVID-19

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Education Authority's environment and in the global markets due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) having had a material impact on the Education Authority's operations.

To mitigate the risk of the virus spreading in the community, the school was required to close for a period of time during the year. This has led to temporary suspension in the delivery of some services outlined per funding agreements. To address the challenges posted by the pandemic, the Education Authority received \$56K additional funding from the Department of Education, Culture and Employment during 2021-2021, the purpose of which was to provide COVID-19 related cost offsets for the reopening of the school in the fiscal year. The unused portion will continue to be used in the subsequent periods to fund COVID-19 related expenses.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

3. Significant Accounting Policies

(a) Basis of Accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards.

The financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial value is adjusted for financing fees and transactions costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets measured at amortized cost include cash and cash equivalents, and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, payroll liabilities, contributions repayable, and amounts due to Yellowknife Education District No. 1.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Authority because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Authority.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the Government of the Northwest Territories. The Minister grants to the Education Authority the full occupancy and use of such facilities and equipment where requested for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the Government of the Northwest Territories. Capital assets with a value of less than \$50,000 are recorded as a current expenses.

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital asset are recognized as acquired or built.

GNWT - Regular Contributions:

The regular contributions from the GNWT is determined by a funding formula, based on student enrolment and price and volume fluctuation, and is received in monthly installments. The Education Authority retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other contributions

The Education Authority follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(f) Revenue recognition (continued)

Deferred revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenses are incurred.

Investment income

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

Donations

Donations are recognized in the period they are received.

Special Purpose

School activity funds which are fully controlled by the Education Authority with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Education Authorities prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Authority and the budget is legally adopted by a motion of the Board in accordance with Section 135 (3) of the *Education Act*.

Budget approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenues and expenses for the operating fund surplus. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Authority.

The budget may be amended within a given fiscal year in accordance with Education Authority policy, regulations and approved budget procedures. The budget data presented in the financial statements reflects the Minister approved budget for the school year.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(h) Measurement Uncertainty

The preparation of financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Authority are treated as expenses during the year of acquisition and are not recorded on the statement of financial position.

(j) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumption based on management's best estimates.

(k) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed. Transfers include entitlements and grants and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(l) Segment Disclosures

The Schedule of Operating Fund - Detail of Expenditures has been prepared in accordance with PS Handbook Section PS 2700 – Segment Disclosures. The segments selected are to enable users to better understand the government reporting entity and the major revenue and expenditure activities of the Board. For each reported segment, revenue and expenditures represent amounts directly attributable to each segment. Segments include:

School Programs: pertains to the provision of instructional services that falls under the basic public education mandate.

Inclusive Schooling: pertains to access to quality education for all students by effectively meeting their diverse needs.

Administration: pertains to the provision of board governance and central office administration, operation and maintenance.

Indigenous Languages and Culture: pertains to indigenous language resource development, support for language teachers and instructors, and enhance community engagement.

Community Contribution Fund: pertains to purchases of hygiene items and food cards for families in need.

President's Choice Children's Charity: pertains to the provision of food program.

COVID-19 Expenses: pertains to expenses incurred during the year to address issues caused by the COVID-19 pandemic.

4. Future Accounting Changes

Revenue, Proposed Section PS 3400

For fiscal periods beginning on or after July 1, 2022, Education Bodies will be required to adopt PS 3400 Revenue. This standard provides guidance on how to account for and report on revenues. Specifically, it differentiates between revenues arising from transactions that include performance obligations and transactions that do not have performance obligations. The impact of these standards on the financial statements is currently being assessed.

5. Cash and Cash Equivalents

	2022	2021
Cash and cash equivalents	\$ 1,253,115	\$ 917,424

	\$ 3,176	\$ 2,000

14. Due From and To the Government of Canada

The Education Authority does not have amounts due from or to the Government of Canada.

15. Capital Lease Obligations

The Education Authority does not have capital lease obligations.

16. Pensions

The Education Authority makes contributions to the Northern Employee Benefits ("NEBS") Pension Plan, which is a multi-employer plan, on behalf of some members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to the NEBS pension was \$4,965,0439. The contributions are calculated at a rate of 8% of earning and allowances employee and employer contribution for a total of 16%. The maximum pensionable earnings is \$193,715 for January 2022, and \$183,838 for January 2021. The maximum monthly contributions is \$3,420 for January 2022, and \$3,246 for January 2021.

NEBS is an employer owned program and as such the Education Authority will be liable for its portion of any shortfall. The Plan serves 3,655 Employee Members and 118 Employer Members (total active, disabled and on leave 2,046).

As of January 1, 2021, the excess (deficiency) of actuarial value of net assets over actuarial present value of defined benefits is estimated to be \$65,9500,000 - funded ratio 124% (2021 - \$45,100,000 and 118%) on a going concern valuation basis. .

As of April 2004, the OSFI has exempted NEBS from compliance with the Pension Benefits Standards Act (PBSA). On April 2015, the Legislative Assembly passed The Northern Employee Benefits Act (Bill 12) which was enacted October 1, 2015.

17. Long-Term Debt

The Education Authority does not have long-term debt.

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

18. Post-Employment Benefits and Compensated Absences and Termination Benefits

In addition to the pension benefits, the Education Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Education Authority's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2022. The effective date of the next actuarial valuation is March 31, 2023. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the compensated absences and termination benefits for the Education Authority.

	Severance and Removal	Compensated Absences	2022
Changes in Obligations			
Accrued benefit obligation, beginning of year	\$ 14,603	\$ 5,450	\$ 20,052
Current period benefit cost	1,942	580	2,522
Interest accrued	513	189	702
Benefits payments	-	(612)	(612)
Plan amendments	7,747	-	7,747
Actuarial (gain)/loss	(7,970)	(3,736)	(11,705)
Accrued benefit obligations end of year	(16,835)	(1,871)	(18,706)
Unamortized net actuarial (gain)/loss	(17,952)	(6,534)	(24,486)
Accrued benefit liability	(34,787)	(8,405)	(43,192)
Benefit expenses			
Current service costs	1,942	580	2,522
Interest costs	513	189	702
Plan amendments	7,747	-	7,747
Amortization of actuarial gains	(1,709)	(349)	(2,060)
	\$ 8,493	\$ 420	\$ 8,911

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

18. Post-Employment Benefits and Compensated Absences and Termination Benefits (continued)

The discount rate used to determine the accrued benefit obligation was an average of 4.10% (2021 - 3.30%). The expected payments during the next five fiscal years are:

	Severance and removal	Compensated absences	Total
2023	\$ 1,621	\$ -	\$ 1,621
2024	1,866	-	1,866
2025	1,808	-	1,808
2026	1,816	-	1,816
2027	1,759	-	1,759
2028- 2032	8,888	6	8,894
Total	\$ 17,758	\$ 6	\$ 17,764

19. Trust Assets Under Administration

The Education Authority does not have trust assets under administration.

20. Tangible Capital Assets

The Education Authority does not have tangible capital assets.

21. Prepaid Expenses

The Education Authority has prepaid expenses and deposits of \$2,999 (2021 - \$462).

22. GNWT Assets Provided At No Cost

	Cost	Accumulated Amortization	2022 Net Book Value	2021 Net Book Value
Kaw Tay Whee	\$ 895,327	\$ 653,194	\$ 242,133	\$ 284,244

Rent expense of \$42,111 (2021 - \$42,111) was offset by a grant in-kind.

23. Contractual Obligations

The Education Authority does not have any contractual obligations.

24. Contingencies

The Education Authority does not have any contingencies.

25. Related Parties

The Education Authority is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Education Authority enters into transactions with these entities in the normal course of business. These transactions have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties. The Education Authority is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance, and utilities and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are summarized in this note.

26. Budget Data

The annual budget includes estimates of revenue and expenses for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Authority.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on June 17, 2021.

27. Economic Dependence

The Education Authority receives its funding primarily from the GNWT. If the funding arrangements were to change, management is of the opinion that the Education Authority's operations would be significantly affected.

28. Financial Instruments

The Education Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Education Authority's financial instruments is provided by type of risk below. The Education Authority is exposed to credit and liquidity risks from the its financial instruments. Qualitative and quantitative analysis of the significant risks from the Education Authority's financial instruments is provided by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the Education Authority if a debtor fails to make payments of interest and principal when due. The Education Authority is exposed to this risk relating to its cash and cash equivalents, and accounts receivable. The Education Authority holds its cash and cash equivalents in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the Education Authority's cash in accounts are insured up to \$100,000.

The Education Authority's maximum exposure to credit risk is represented by the financial assets balance for a total of \$1,253,115 (2021 - \$917,538).

Dettah District Education Authority

Notes to Financial Statements

June 30, 2022

28. Financial Instruments (continued)

b) Liquidity risk

Liquidity risk is the risk that the Education Authority will not be able to meet all cash outflow obligations as they come due. The Education Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The Education Authority's maximum exposure to liquidity risk is represented by accounts payable and accrued liabilities, payroll liabilities, contributions repayable and amounts due to Yellowknife Education District No. 1 for a total \$158,722 (2021 - \$78,203). The Education Authority has a credit facility with a limit of up to \$50,000.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk

The table below shows when various financial assets and liabilities mature.

Management Discussion and Analysis

Introduction

This Management Discussion and Analysis is prepared for the Ndilo District Education Authority (NDEA) to promote transparency and accountability.

NDEA Vision: “Building our children’s future by teaching and learning the Dene way.”

Mission Statement: K’alemi Dene School is committed to providing quality education for our students by concentrating on the 4 components of learning:

- Language and culture
- Academics and technology
- Dene Laws and Virtues
- Physical and Active Living

Through the development of skills in these areas, students will grow and develop into respectful, healthy, diligent, and strong Dene who will give back to their families, community, and the North.

The vision and mission statement were developed during a community meeting in the Spring of 2010. Each year, the NDEA hosts a community meeting, where the vision and mission statements are discussed, and community input is gathered. Both statements and input from NDEA and community meetings shape the learning priorities and planning for the K’alemi Dene School as reflected in the NDEA Operating Plan for the 2021-22 school year.

The NDEA is an independent legal and accounting entity with an elected Education Authority as stipulated in Section 82 of the Education Act. The Education Authority has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters. Members serve a three-year term. The NDEA is responsible for one school, K’alemi Dene School (KDS). All members serve on the financial committee.

Current NDEA Board Members:

Sarah Erasmus	Chair Person
Theresa Black	Vice Chairperson
Cecilie Beaulieu	Trustee
Myra Conrad	Trustee
Nyra Mackenzie	Trustee
Violet Sangris	Trustee

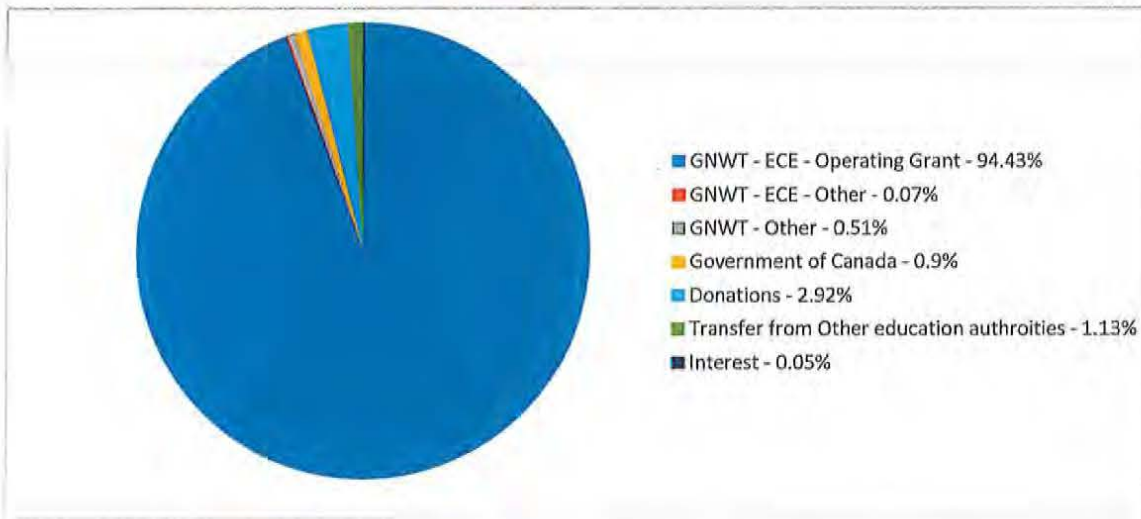

Ndilo District Education Authority Administration:

Cindi Vaselenak	Former Superintendent of Yellowknife Education District No. 1
Jameel Aziz	Current Superintendent of Yellowknife Education District No. 1
Meagan Wowk	Principal of K’alemi Dene School

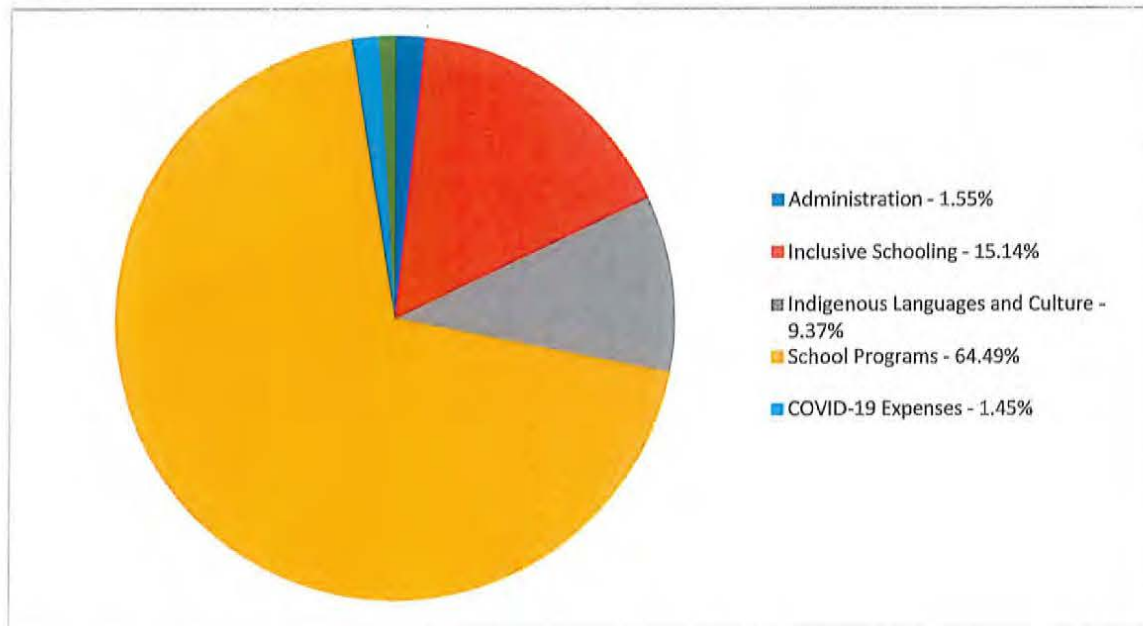

Key Financial Highlights

- In 2021-22, KDS had an enrollment of 131.5 full time students from junior kindergarten to grade 12. For the past 3 years enrollment has increased by approximately 10 students/year.
- The NDEA has an accumulated surplus of \$1,244,969. This decreased from \$1,291,522 in 2021. A healthy surplus is required to manage upcoming maternity leaves, fluctuating enrolment and the prospect of upcoming complex needs students.
- The NDEA can maintain a staff of approximately 20 full time employees. Most positions are funding by ECE's school funding formula, but the NDEA feels there are other positions required to deliver quality programming like the Food Service Assistant, JK Bus Driver and Bus Monitor, and additional Education Assistants.
- Due to Covid-19, KDS has expanded to nine classrooms to meet all the requirements from the Office of the Chief Public Health Officer. In order to do this, we converted the Culture Room into a classroom. The Language and Culture Instructor now conducts lessons by moving each classroom. All classrooms are multi-grade splits.

Operating Revenue for the NDEA in 2022

Expenses by program for the NDEA in 2022

Operating expenditure actuals compared to budget for NDEA in 2022

NDEA Enrolment (FTE) by school and by grade as of September 30, 2021

School	Grades														
	JK	K	1	2	3	4	5	6	7	8	9	10	11	12	HS
KDS	7	12	12	9	12	10	10	10	6	9	6	5	15	12	3
Enrolment Total	7	12	12	9	12	10	10	10	6	9	6	5	15	12	1.5

HS = Home School Students. There were two home school students in 2021-22. They count as 0.5 each.

During the 2021-22 school year, the NDEA employed:

Positions	Number of staff
Classroom Teachers	9
Language Instructor/Elder*	1
Indigenous Language and Culture Coordinator	1
PST	1
Educational Assistants	5
Food Service Assistant*	0.7
JK Bus Driver*	0.6
JK Bus Monitor*	0.5
Custodian*	1
Principal/Regional Inclusive Coordinator	1
Total NDEA Staff	20.8

Please note the NDEA contracts superintendent services from Yellowknife Education District No. 1 (YK1). All instructional staff are employees of YK1 and follow the YK1 Collective Agreement. YK1 invoices the NDEA for salaries and benefits. The employees with asterisks are employees of the NDEA.

Operating Environment

Strengths and Opportunities

KDS is a small community school that serves students and families from junior kindergarten to grade 12. We have a comprehensive culture program that includes an Elder, Willideh Yatli Instructor and Indigenous Language and Culture Coordinator. Language classes follow the new

curriculum *Our Languages* developed by the Department of Education, Culture and Employment (ECE). KDS plans several key cultural experiences for using the seasonal Yellowknives Dene First Nation calendar. For example, students experienced berry picking in September and net fishing in January. Enhancing our language and culture program remains a priority to the NDEA and we continue to seek opportunities to expand our programming and capacity for delivering quality programming.

We provide an inclusive education environment that many families from Yellowknife seek out. We also ensure all of our families have access to transportation, a food program and integrated services in the school. It is the priority of the NDEA to maintain small classroom sizes. This ensures that classroom teachers have the time required to meet individual needs.

At this time, KDS has received additional funding to support an Alternative High School program for students who have not been successful in the traditional model. We feel it is important to meet these students needs by providing flexible scheduling and other supports to help them complete courses and provide supports for healthy living.

Weaknesses and Threats

As identified by the Early Development Instrument (EDI) and Middle Development Instrument (MDI), many of our students enter school with vulnerabilities in their different areas of their development. Both the EDI and MDI are assessments mandated by ECE and administered in kindergarten, grade four and grade seven.

There are also a number of poverty, addictions and mental health issues facing our students and families. It is critical that interagency partnerships are established so that proactive supports can be put into place.

As well, the lack of gymnasium continues to threaten KDS programming and enrollment. The NDEA is grateful to YKDFN for the use of the Ndilq Community Gym. Unfortunately, this space is frequently used for meetings, funerals and other community events. The community gym is also small and not adequate for older students. This often hinders skill development because students do not have the space to run drills or multiple games. KDS often loses students to other Yellowknife schools due to inadequate gymnasium space.

Lack of classroom space continues to provide challenges to the types of programming we can offer and hinders opportunities for growth. To accommodate programming changes, the activity room and computer room have been converted to classrooms. We are often at loss for space for counselling and health services.

Fluctuating enrollment has the potential to threaten funding and the programs offered. When one or two families move away, students switch schools or a low birth year, these factors can dramatically affect enrollment, thus funding.

Financial Condition

The Authority's financial assets Decreased from \$1,370,790 to \$1,365,552. A large portion of this increase relates to larger balance of cash at the end of the year. This year the net financial assets (financial assets less liabilities) were \$1,240,524 compared to \$1,287,522 in the prior year.

The Authority had an operating deficit of \$46,553 for the year. This deficit is mainly attributed to additional expenses relating to the surplus plan. The accumulated surplus at year end is \$1,244,969

Accounts payable and accrued liabilities have increased from \$41,205 to \$63,591 due to the timing in which the CRA payroll remittances were paid.

The Yellowknife Education District No. 1 payable is zero in 2022, same as in 2021. In 2022, the June, July, and August wages were paid before year-end. As such, there is no outstanding payable balance.

In 2021, the NDEA received 94% of its funding from the GNWT. The core funding increased from \$2,857,174 to \$2,940,175 in the current year. The NDEA received funding from the Government of Canada from the Jordan's Principle program to subsidize the cost of transportation and non-instructional staff in 2022, but has not accessed those funds since. Other revenue in the current year of funding mainly consists of donations for the food program in 2022.

Management Responsibility for Financial Reporting

To the Minister of Education, Culture and Employment
Government of Northwest Territories

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2022

The Management Discussion and Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of K'alemi Dene School ("the Education Authority") in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Education Authority have been conducted within the statutory powers of the Authority. The operations and administration of the Education Authority as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Authority's Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment (ECE) of the Government of the Northwest Territories.

Independent Auditors' Report

**To the Minister of Education, Culture and Employment
Government of Northwest Territories
and to the Members of K'alemi Dene School**

Report on the Financial Statements

We have audited the accompanying financial statements of K'alemi Dene School (the "Education Authority") which comprise the statement of financial position as at June 30, 2022 and the statement of changes in net financial assets, statements of operations and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effect of the matters described in the *Basis of Qualified Opinion* paragraph, these financial statements present fairly, in all material respects, the financial position of K'alemi Dene School as at June 30, 2022 and its operations, change in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

In common with many not-for-profit organizations the Education Authority derives of revenue from donations and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of donation revenues was limited to the amounts recorded in the records of the Education Authority. Therefore, we were not able to determine whether any adjustments might be necessary to donations - general, operating surplus, cash flows from operations, for the years ended June 30, 2022 and 2021, financial assets as at June 30, 2022 and 2021 and accumulated surplus as at July 1, 2021 and 2020 and June 30, 2022 and 2021 years. Our audit opinion on the financial statements for the year ended June 30, 2021 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other Information

Management is responsible for the other information. The other information comprises the Management Discussion and Analysis, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditors' Report (continued)

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Education Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Education Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Education Authority's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Education Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditors' Report (continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Education Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Education Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Compliance with Specified Authorities

In conjunction with the audit of the financial statements, we have audited transactions of the Education Authority coming to our notice for compliance with specified authorities. The specified authorities against which compliance was audited are the Government of the Northwest Territories - Department of Education, Culture and Employment.

In our opinion, the transactions of the Education Authority that came to our notice during the audit of the financial statements have complied, in all material respects, with the specified authorities referred to above.

Management is responsible for the Education Authority's compliance with the specified authorities named above, and for such internal control as management determines is necessary to enable the entity to comply with the specified authorities.

Our audit responsibilities include planning and performing procedures to provide an audit opinion and reporting on whether the transactions coming to our notice during the audit of the financial statements are in compliance with the specified authorities referred to above.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

1. Nature of Operations

K'alemi Dene School (the "Education Authority") was established on June 25, 2013 under the *Education Act* of the Northwest Territories by order of the Minister of the Government of Northwest Territories (the "GNWT"). Its purpose is to administer and maintain the standards of educational programs in N'Dilo as defined under the Act. A full range of instructional programs ranging from kindergarten through grade 12 are offered by the Education Authority.

The Education Authority is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the Education Act. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

The Education Authority is a public body performing a function of Government in Canada. Paragraph 149(1)(c) of the *Income Tax Act* provides that a public body performing a function of Government in Canada is exempt from taxation.

2. COVID-19

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Education Authority's environment and in the global markets due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) having had a material impact on the Education Authority's operations .

To mitigate the risk of the virus spreading in the community, the school was required to close for a period of time during the year. This has led to temporary suspension in the delivery of some services outlined per funding agreements, which resulted in a large portion of funding being deferred to the subsequent fiscal period. To address the challenges posted by the pandemic, the Education Authority received \$89K additional funding from the Department of Education, Culture and Employment during in the previous years, the purpose of which was to provide COVID-19 related cost offsets for the reopening of the school in the fiscal year. The unused portion will continue to be used in the subsequent periods to fund COVID-19 related expenses

3. Significant Accounting Policies

(a) Basis of Accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada.

The financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash and cash equivalents, portfolio investments, and accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, and payroll liabilities.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Authority because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Authority.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment, and vehicles are the property of the GNWT. The Minister grants to the Education Authority full occupancy and use of such facilities and equipment required for the administration and delivery of the education programs within the community. Tangible capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines of the GNWT and they are not included on the statement of financial position. Capital assets with a value of less than \$50,000 are recorded as a current expense.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(f) Revenue Recognition

Government Transfers

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

GNWT - Regular Contributions

The regular contributions from the GNWT are determined by a funding formula, based on student enrolment and price and volume fluctuation, and are received in monthly installments. The Education Authority retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other Contributions

The Education Authority follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

Other Revenue - Donations

Donations are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured.

Contributed Services

The school bus used by the Education Authority is the property of the Yellowknives Dene First Nation. The fair value of the use of the bus is estimated to be equivalent to the cost of bus passes that the Education Authority would have had to purchase. As such, a bus pass expense and corresponding revenue has been reported in the Statement of Operations. The fair value of these services is \$8,250 (2021 - \$5,250).

Deferred Revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenses are incurred.

Investment Income

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(f) Revenue Recognition (continued)

Special Purpose Funds

School activity funds which are fully controlled by the Education Authority with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Education Authority are not included even if custody of the funds is held by the Education Authority. Examples of excluded funds might be student clubs or associations for which the Education Authority has no ongoing responsibility of liability for losses.

High School Travel Fund: This fund is set up for the delivery of student trips. It has been recognized as a special purpose fund.

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Education Authorities prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees and the budget is legally adopted by a motion of the Board of in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

The annual budget includes estimates of revenues, expenses and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Authority.

The budget may be amended within a given fiscal year in accordance with Education Authority policy, regulations and approved budget procedures. The budget data presented in the financial statements reflects the Minister approved budget for the school year.

(h) Measurement Uncertainty

The preparation of these financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Authority are treated as expenses during the year of acquisition and are not recorded on the statement of financial position.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(j) Payroll Liabilities

Teacher payrolls for July and August 2022 were recognized and paid as of June 30, 2022. As such, they are not accrued as year-end.

(k) Post-Employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date of employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

(l) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed. Transfers include grants and contributions and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

(m) Foreign Currency Translation

The Education Authority only transacts in Canadian dollars. As such, there is no foreign currency translation.

(n) GNWT Tangible Capital Assets Provided At No Cost

The school buildings occupied by the Education Authority are the property of the GNWT. The fair value of the use of the building is estimated to be equivalent to the current year amortization of the building as such a rent expense and corresponding grant in-kind has been reported in the Statement of Operations.

(o) Net Financial Assets (Debt)

The Education Authority's financial statements are presented so as to highlight net financial assets (debt) as the measurement of financial position. The net financial assets (debt) of the Education Authority is determined by its financial assets less its liabilities. Net financial assets (debt) combined with non-financial assets comprises a second indicator of financial position, accumulated surplus.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

3. Significant Accounting Policies (continued)

(p) Segment Disclosure

The Schedule of Operating Fund - Detail of Expenditures has been prepared in accordance with PS Handbook Section PS 2700 – Segment Disclosures. The segments selected are to enable users to better understand the government reporting entity and the major revenue and expense activities of the Board. For each reported segment, revenue and expenses represent amounts directly attributable to each segment. Segments include:

School Programs: pertains to the delivery of instructional services that falls under the basic public education mandate.

Inclusive Schooling: pertains to access to quality education for all students by effectively meeting their diverse needs.

Administration: pertains to the delivery of board governance and central office administration and maintenance.

Indigenous Languages and Culture: pertains to Indigenous language resource development, support for language teachers and instructors, and enhance community engagement.

COVID-19 Expenses: pertains to expenses incurred during the year to address issues caused by the COVID-19 pandemic.

High School Travel: pertains to the delivery of student trips.

Jordan's Principle: pertains to the provision of products, services and supports related to health, social, and educational needs of the First Nations students at the Authority.

(q) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met: an environmental standard exists; contamination exceeds the environmental standard; the Education Authority is directly responsible or accepts responsibility and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available as at June 30, 2022.

At each financial reporting date, management reviews the carrying amounts of the liability. Any revisions required to the amount previously recognized are accounted for in the period revisions are made. Management of the Education Authority has concluded that there is no contamination that exceeds environmental standards and as a result, there are no liabilities for contaminated sites.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

4. Future Accounting Changes

Revenue, Proposed Section PS 3400

Effective, July 1, 2023, Education Bodies will be required to adopt PS 3400 Revenue. This standard provides guidance on how to account for and report on revenue. Specifically, it differentiates between revenue arising from transactions that include performance obligations and transactions that do not have performance obligations. The impact of these standards on the consolidated financial statements is currently being assessed.

5. Cash and Cash Equivalents

Cash and cash equivalents represent cash held in a bank account with the Royal Bank of Canada (RBC).

6. Special Purpose Funds

The Education Authority does not have special purpose funds.

7. Restricted Assets

The Education Authority does not have restricted assets.

8. Portfolio Investments

The Education Authority has two, one-year guaranteed investment certificate (GIC) with the Royal Bank of Canada (RBC). One GIC (\$77,650) has an interest rate of 0.550% (2021 - 0.400%) per annum and matures on July 04, 2022. The second GIC (\$451,044) has an interest rate of 1.800% (2021- 0%) per annum and matures on May 04, 2023.

9. Inventories

The Education Authority does not have inventories.

10. Contribution Repayable

The Education Authority does not have contribution repayable.

11. Due from the Government of Canada

	2022	2021
Goods and Services Tax receivable	\$ 19,233	\$ 11,413

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

12. Capital Lease Obligations

The Education Authority does not have capital lease obligations.

13. Pensions

The Education Authority makes contributions to the Northern Employee Benefits (NEBS) Pension Plan ("the Plan"), which is a multi-employer plan, on behalf of some members of its staff. The Plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to the NEBS pension was \$123,178 (2021 - \$128,037). The contributions are calculated at a rate of 8% of earning and allowances (employee and employer contribution for a total of 16%). The maximum pensionable earnings is \$193,715 for January 2022, and \$183,838 for January 2021. The maximum monthly contributions is \$3,420 for January 2022, and \$3,246 for January 2021.

NEBS is an employer owned program and as such the Education Authority will be liable for its portion of any shortfall. The Plan serves 3,655 Employee Members and 118 Employer Members (total active, disabled and on leave 2,046).

As of January 1, 2022, the excess (deficiency) of actuarial value of net assets over actuarial present value of defined benefits is estimated to be \$65,900,000 - funded ratio 124% (2021 - \$45,100,000 and 118%) on a going concern valuation basis. Solvency analysis was not performed in the January 1, 2022, valuation report. For the January 1, 2021 report the Plan had a solvency ratio deficiency of \$164,720,000 and a solvency ratio of 66.0%. Solvency is calculated for the purposes of determining obligations only in the event of a plan wrap up. Any potential deficiency in termination payments is guaranteed to be paid over the next 10 years or less, depending on the position of the fund.

As of April 2004, the OSFI has exempted NEBS from compliance with the Pension Benefits Standards Act (PBSA). On April 2015, the Legislative Assembly passed The Northern Employee Benefits Act (Bill 12) which was enacted October 1, 2015. NEBS is now operating under Bill 12.

14. Long-Term Debt

The Education Authority does not have long-term debt.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

15. Leave and termination benefits

In addition to the pension benefits, the Education Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Education Authority's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2022. The effective date of the next actuarial valuation is March 31, 2023. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Education Authority.

	Severance and Removal	Compensated Absences	2022	2021
Changes in Obligation				
Accrued benefit obligation, beginning of year	\$ 24,586	\$ 9,219	\$ 33,805	\$ 33,812
Current period benefit cost	3,510	977	4,487	4,714
Interest accrued	878	323	1,201	988
Benefits payments	-	(803)	(803)	(9,004)
Actuarial (gains)/losses	(10,717)	(5,694)	(16,411)	3,295

Buildings	\$ 9,066,125	\$ 2,379,857	\$ 6,686,268	\$ 6,686,268

Rent expense of \$226,653 (2021 - \$226,653) equal to the current year amortization of the tangible capital assets was offset by a grant in-kind.

20. Contingencies

As of the audit report date, the Education Authority does not have contingencies.

21. Related Parties

The Education Authority is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Education Authority enters into transactions with these entities in the normal course of business. The Education Authority is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance, and utilities and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are summarized in this note.

22. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Authority.

The budget figures presented are those approved by the Trustees of the Education Authority on June 17, 2021.

23. Economic Dependence

The Education Authority receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Education Authority's operations would be significantly affected.

24. Financial Instruments

The Education Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Education Authority's financial instruments is provided by type of risk below. The Education Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Education Authority's financial instruments is provided below by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the Education Authority if a debtor fails to make payments of interest and principal when due. The Education Authority is exposed to this risk relating to its cash and accounts receivable.

The Education Authority holds its cash in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

24. Financial Instruments (continued)

The Education Authority's maximum exposure to credit risk is as follows:

	2022
Cash and cash equivalents	\$ 817,625
Portfolio investments	<u>528,694</u>
Maximum credit risk exposure	<u>\$ 1,346,319</u>

At March 31, 2022, there were no accounts receivable past due and no impaired accounts receivable.

The Education Authority does have concentration of credit risk. Concentration of credit risk is the risk that a customer has a significant portion of the total accounts receivable and thus there is a higher risk to the Education Authority in the event of a default. At March 31, 2022 receivables from one (2021 - one) customers comprised 100% (2021 - 100%) of the total accounts receivable. The Education Authority reduces this risk by monitoring overdue accounts.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and method used to measure the risk.

b) Liquidity risk

Liquidity risk is the risk that the Education Authority will not be able to meet all cash outflow obligations as they come due. The Education Authority has liquidity risk in accounts payable and accrued liabilities, and payroll liabilities of \$65,879 (2021 - \$41,205). The Education Authority has a credit facility with a limit up to \$30,000.

The Education Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The table below shows when various financial assets and liabilities mature:

Financial assets	Up to 6 months
Cash and cash equivalents	\$ 817,625
Portfolio investments	<u>528,694</u>
Total financial assets	<u>\$ 1,365,552</u>
Total financial assets - prior year	<u>\$ 1,370,790</u>

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

24. Financial Instruments (continued)

Financial liabilities	Up to 6 months
Accounts payable and accrued liabilities	\$ 63,591
Total financial liabilities	\$ 65,879
Total financial liabilities - prior year	\$ 41,205
Net total	\$ 1,299,673
Net total - prior year	\$ 1,329,585

There have been no significant changes from the previous year in the exposure to risks or policies, procedures and method used to measure the risk.

c) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in interest rates. The Education Authority has exposure to interest rate risk on its portfolio investments of \$528,694 (2021 - \$77,649). These investments may be adversely affected by a change in the interest rates.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and method used to measure the risk.

25. Expenses by Object

	Budget 2022	Actual 2022	Actual 2021
Compensation	\$ 2,537,000	\$ 2,311,353	\$ 2,378,600
Materials and freight	436,100	314,659	326,191
Services purchased/contracted	319,800	534,260	277,102
	\$ 3,292,900	\$ 3,160,272	\$ 2,981,893

26. Comparative Figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year.

Management Discussion and Analysis For the year ended June 30, 2022

INTRODUCTION

This management discussion and analysis is prepared as part of the responsibility of management and the *Sahtú Divisional Education Council* (SDEC) to promote transparency and accountability in its financial reporting.

The Sahtú Divisional Education Council (SDEC) was established in 1989 with a mandate to provide a quality Junior Kindergarten to Grade 12 education to approximately 520 students in the communities of Délı̄ne, Tulit'a, Norman Wells, Fort Good Hope and Colville Lake. The SDEC is composed of one representative from each of the five community-based District Education Authorities (DEAs). DEAs are elected, appointed or acclaimed at the community-level, and the DEA chooses one of its members to represent them at the regional SDEC meetings. The 2021 - 2022 representatives were as follows:

Heather Bourassa (Chairperson)

Norman Wells - Sarah Baker (Vice-Chairperson)

Délı̄ne - Mary Ann Vital

Tulit'a - Sally Horassi

Fort Good Hope - Lisa Marie Pierrot

Colville Lake - Isabel Orlias

Key senior management positions were as follows:

Superintendent - Dr. Renee Closs

Assistant Superintendent - Lorraine Kuer

Supervisor of Business Affairs - Siddik Mohammad (CPA, CMA)

The SDEC and its DEAs are committed to a philosophy of education which is built upon a foundation of enabling and strengthening communities, DEAs, schools, staff members and families to help students reach their full potential.

MISSION

To provide excellent educational environments where students will have the opportunity to experience success and contribute to society.

GROWING FORWARD TOGETHER: STRATEGIC PLAN 2020 - 2025

Taking direction from its mission statement, the Sahtú Divisional Education Council Board of Trustees has set the following Strategic Goals (2020 - 2025):

Increasing Academic Achievement through Advocacy and Support

The SDEC strives to ensure equitable access to learning for all students. We advocate through the District Education Authority (DEA), Divisional Education Council (DEC), the Government of the Northwest Territories, and other political arenas to strengthen equitable access to education for all Sahtú students. Schools will celebrate student success throughout the year. Physical, emotional, spiritual and intellectual aspects of the whole student will be recognized and celebrated.

Becoming a Capable Person in the NWT

The SDEC supports schools in strengthening students in the areas of physical, emotional, spiritual and intellectual wellness. Student wellness will be supported through a balance between in-school support and a strong on-the-land program. In addition to a focus on wellness and identity, schools prepare students with integrated skills, attitudes and capabilities to better make use of post-secondary and work opportunities after grade 12.

Strengthening Language, Culture and Identity

Schools in Sahtú region provide rich on-the-land opportunities to develop traditional skills, building relationships with Elders and Traditional experts and experience life in a cultural camp. To strengthen the Indigenization of education in schools, a whole school approach is implemented where all students and staff are expected to participate. Two of the five Sahtú schools offer a junior kindergarten/kindergarten Dene Kede (North Slavey) Language Immersion program.

Promoting a Respectful and Responsible Learning & Work Environment

The SDEC advocates for equitable access to learning and diverse choices in programming in small schools. Increasing services and providing a safe learning environment is paramount. The SDEC is committed to advocating for school facility improvements in all schools. An open channel between the school and community is a key component of student success. Sahtú schools look to strengthen parental engagement to improve student attendance and to support and improve academic achievement. Parental and community feedback is sought in an effort to bring about changes and joint successes, which are continuously identified and celebrated.

OPERATING ENVIRONMENT

Sahtú Divisional Education Council operates five (5) schools in the Sahtú region. The following lists key programming in our schools:

ꞛehtseo Ayha School (Délı̄ne)

- Junior Kindergarten to Grade 12
- Dene Kede (North Slavey) Language classes

- JK - K Dene Kede Immersion class
- Alternate high school program
- Enhanced Dene Kede Language program for high school students
- Enhanced on-the-land programmings for students in grades 8 - 12
- Northern Distance Learning

Chief Albert Wright School (Tulit'a)

- Junior Kindergarten to Grade 12
- Dene Kede (North Slavey) Language classes
- JK - K Dene Kede Immersion class
- Skills Canada curriculum
- Alternate high school program
- Integrated Dene Kede Language throughout the school
- Enhanced Dene Kede Language program for high school students
- Enhanced on-the-land programming for students in grades 8 - 12
- Northern Distance Learning (two endpoints)

Mackenzie Mountain School (Norman Wells)

- Junior Kindergarten to Grade 12
- Guided reading and numeracy blocks
- Dene Kede Language classes
- Core French classes
- Increased elective in high school
- Significant offering of -1 courses in high school
- Enhanced on-the-land programming for students in grades 8 - 12
- Northern Distance Learning

Chief T'Selehye School (Fort Good Hope)

- Junior Kindergarten to Grade 12
- Dene Kede (North Slavey) Language classes
- Guided reading blocks
- Naizeza 15 and 25
- Winter on-the-land camp
- Career and Education programming
- Northern Distance Learning

Colville Lake School (Colville Lake)

- Junior Kindergarten to Grade 12
- Dene Kede (North Slavey) Language classes
- Extensive on-the-land programming
- Individualized targets in reading and numeracy through the support of an instructional coach
- Full-time food preparation program
- Northern Distance Learning

Total Student/Teacher Population by Schools

2021 - 2022	Students	Teachers
zehtseo Ayha – Délıne	99	11
Chief Albert Wright – Tuli't'a	88	12
Mackenzie Mountain – Norman Wells	156	14
Chief T'Selehye – Fort Good Hope	127.5	13
Coville Lake – Colville Lake	47	8
Totals	517.5	58

The SDEC received the financial resources for the entire division on an annual basis. This funding is determined by a formula established by the Government of the Northwest Territories, Department of Education, Culture and Employment. Unfortunately, there are a number of underfunded areas of concern in the funding formula. This letter identifies four main areas of concern:

- *Salaries:* Education Bodies are required to pay staff salaries based on Collective Agreements (UNW and NWTTA) and policy (Excluded Managers and Senior Managers). The GNWT funds Education Bodies at mid-range for all salaries, regardless of the provisions outlined in the Collective Agreements and policy. This results in Education Bodies being underfunded for staff salaries, in particular for long-term employees.
- *Casual wages:* The SDEC currently expends a significant amount of the funding received from the GNWT on casual wages. Although the GNWT provides funding for casual wages, the funding is formula-based rather than based on actual costs. As a result, the SDEC is funding the cost of casual wages from dollars meant for student programming.
- *Student transportation:* The GNWT provides funding for student transportation based on the funding formula. The cost of providing transportation services for students is significantly higher than what is actually provided by the GNWT. As a result, the SDEC is funding the cost of student transportation from dollars intended for student programming.
- *Teacher attrition:* Teacher attrition is a significant concern for the SDEC each school year. Historically, each school year represents approximately 15-20% of teachers leaving the region to seek employment elsewhere in the NWT or in southern Canada. With the onset of the pandemic, the rate of teacher attrition has increased to 20-25% of teachers leaving the region. This poses not only challenges for continuity of learning for students, but also increases the cost of relocation (removal in) as the SDEC hires new teachers to fill vacant positions.

FINANCIAL CONDITION

The bar chart below provides a historical comparison of revenues and expenditures over the past 3 years.

For the year ending June 30, 2022, the SDEC had an operating surplus of \$591,554. During the 2021-2022 school year, a few school-based positions remained vacant, employees left their position early or were filled with staff at a lower rate of salary. Additionally, the SDEC continued to see disruptions to learning due to the pandemic and COVID-19, which resulted in less duty travel, no student travel and general expenditures being lower over the course of the year.

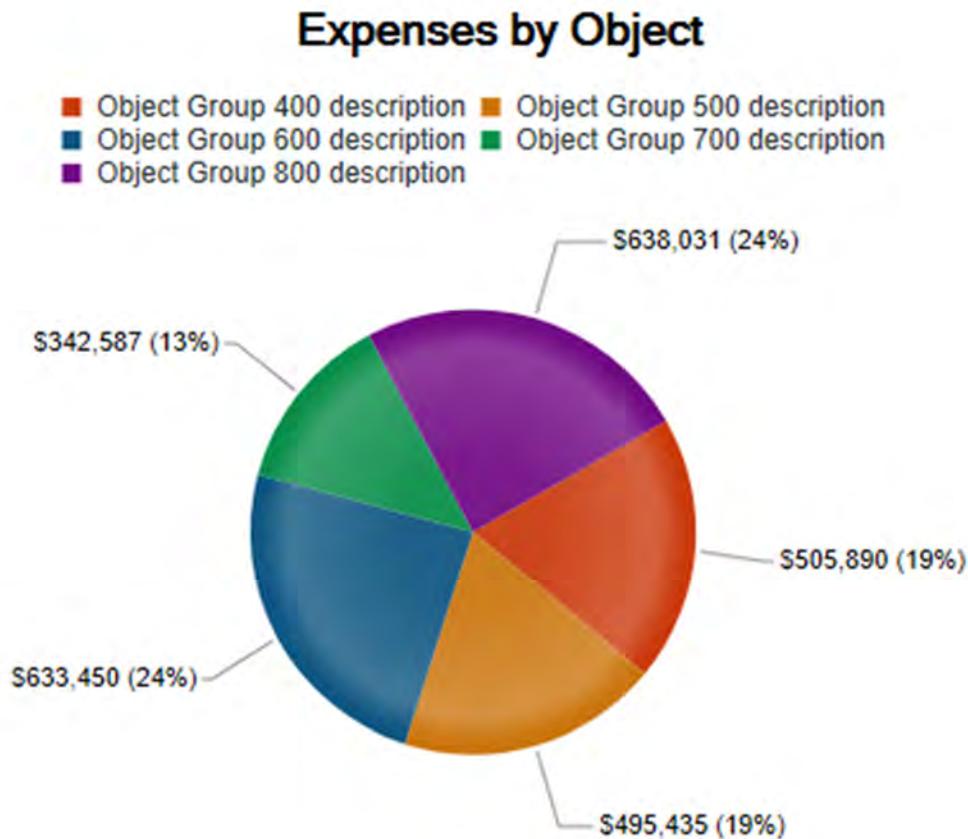

For the year ended June 30, 2022

	2022	2021
Annual surplus (deficit)	\$ 591,554	\$ 1,492,664
Change in prepaid expenses	(24,629)	20,369
Increase (decrease) in net financial resources	566,925	1,513,033
Net financial resources, beginning of year	2,167,859	654,826
Net financial resources, end of year	\$ 2,734,784	\$ 2,167,859

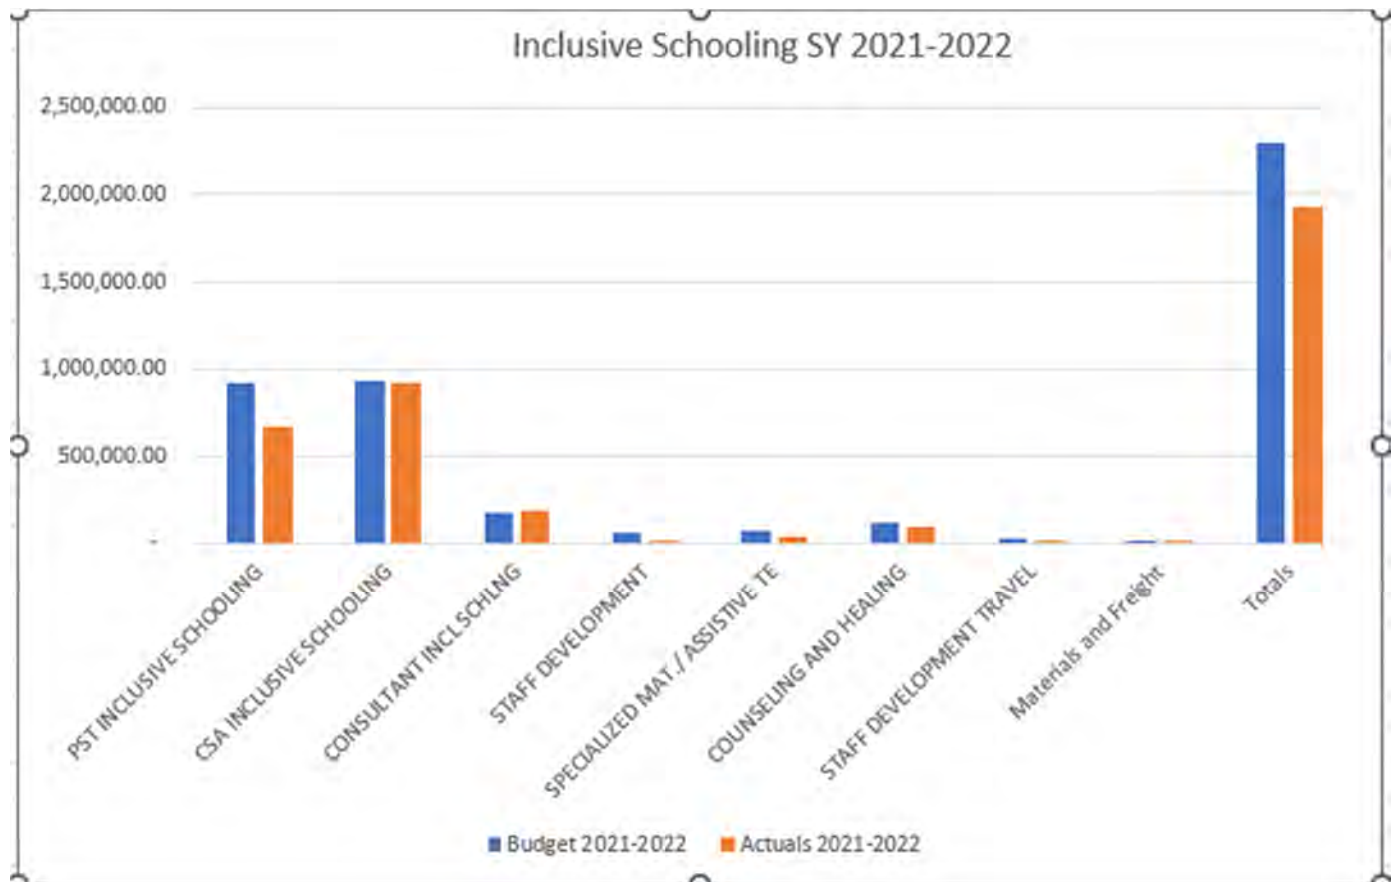

Funding from the Government of the Northwest Territories, Department of Education, Culture and Employment makes up 84% of the SDEC's revenues that include \$2.61 million revenue from the Jordan's Principle

The following are the featured financial metrics of SDEC:

- **Jordan's Principle:** Jordan's Principle was a focused initiative of SDEC in the SY2021-2022. The SDEC administered programs of the Jordan's Principle for \$2.615 million and this trend will be continued in the next school years. Expenses by Objects (Group 400 is Mackenzie Mountain School, Group 500 is Chief Albright Wright School, Group 600 is Chief T'Selehye School, Group 700 is ?ethseo Ayha School and Group 800 is Colville Lake School in the following pie graph: -

- Inclusive Schooling: The approved budget was \$2.3 million for the SY2021-2022 and the actual utilization of budget was \$1.92 million, or 83.8% utilization of the budget. This is a remarkable accomplishment in a difficult school year.

- Indigenous Language & ED: The ILE approved budget for SY2021-2022 was \$1.45 million and expenses were \$1.18 million or 80.8% utilization of approved budget.

Summary and Outlook

The SDEC’s vision for education has been to provide excellence in teaching and learning within contexts that honour the culture and language of the community. Safe and caring schools allow all students to achieve success, as defined by individual students’ dreams, aspirations and abilities. Learning continues beyond secondary school and students are equipped to meet the demands of changing times by having the skills of life-long learners.

Growing Forward Together: Strategic Plan 2020-2025 captures the Sahtú schools’ leadership goal to collaborate widely to find innovative solutions to historical challenges in education, while moving forward jointly with community leadership’s vision for its children and what the community aspires to become. With the 2021-2022 school year coming to a close, the Sahtú DEC looks to further the implementation of *Growing Forward Together* through collaboration between school and community.

In summary, the Sahtú Divisional Education Council is currently in a positive financial position, although we are currently above the maximum surplus allowed under the GNWT Surplus Retention Policy, due to school and DEA surpluses in the calculation. The SDEC is implementing approved retention plan SY2022-2023 with a focus on providing quality education programs in the Sahtu Region.

In 2021-2022, COVID-19, travel restrictions and heightened anxiety around the spread of the virus cause disruptions in learning. The pandemic also caused additional interruptions in the usual course of business for the SDEC. For example, duty travel was restricted during the better part of the school year. SDEC office staff conducted less school visits and attended very few meetings in Yellowknife during the school year. For the 2022-2023 school year, we are anticipating that, for the most part, schools and general department business will return to pre-pandemic normal.

We are also seeing an increase in the number of students entering the Sahtú school system with vulnerabilities and complex needs. Our schools have been proactive in applying for and receiving over \$4.921million dollars for SY 2022-2023 for approved programs through the Jordan's Principle and Child First Initiative. The availability of these funds has been a "game changer" for our region and our schools. We have accessed funding to support individual students with one-on-one classroom support, additional healthy nutritional foods, Speech and Language Pathology and literacy and numeracy resources. It is our hope that the important and vital Federal Government funding continues to be available to Education Bodies, including the SDEC.

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Sahtu Divisional Education Council have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment of the Government of the Northwest Territories.

The financial statements have been reported on by Ashton Chartered Accountants. The auditors' report outlines the scope of their audit and their opinion on the presentation of the information included in the financial statements.

INDEPENDENT AUDITOR'S REPORT

**To the Minister of Education, Culture and Employment of the GNWT
To the Board of Trustees of the Sahtu Divisional Education Council**

Opinion

We have audited the consolidated financial statements of the Sahtu Divisional Education Council, which comprise the consolidated statement of financial position as at June 30, 2022, and the consolidated statements of operations and surplus, changes in net assets (debt), and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effect of the matters described in the Basis of Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Sahtu Divisional Education Council as at June 30, 2022, and the results of its financial performance and cash flow for the year then ended in accordance with the Canadian public sector accounting standards.

Basis for Qualified Opinion

The Government of the Northwest Territories is responsible for the calculation and distribution of the Education Body's wages and benefits expenditure for public service employees, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT is properly reflected in the Education Body's records. As a result, we were not able to determine whether any adjustments might be necessary to expenditure, liabilities or accumulated surplus.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Education Body's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Education Body or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Education Body's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Independent Auditor's Report (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Education Body's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Education Body's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Education Body to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Financial Administration Act, that, in our opinion, proper books of account have been kept by the Education Body, the consolidated financial statements are in agreement therewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Education Body.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 1. Nature of Organization

The Sahtu Divisional Education Council ("The Council") was established by the *Education Act* of the Government of the Northwest Territories (GNWT) by order of the Minister dated April 1, 1989. Its purpose is to administer and maintain the standards of education program defined under the *Education Act* in the communities in the Sahtu Region.

Consequently, the Council is dependent on funding from the Department of Education, Culture, and Employment (ECE) of the GNWT. Member Communities have formed local District Education Authorities (DEA) which have assumed responsibility to provide sufficient educational programs within their respective communities.

The Council is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

The Council is a public body performing a function of government in Canada. Paragraph 149(1)(C) of the *Income Tax Act* provides that a public body performing a function of government in Canada is exempt from taxation.

The accompanying consolidate financial statements include the operations of the Council, and the member District Education Authorities of Colville Lake, Deline, Fort Good Hope, Norman Wells, and Tulita.

Note 2. Significant Accounting Policies

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques, and short term highly liquid investments that are readily convertible to cash and with a maturity date of 90 days or less from the date of acquisition.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms' length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 2. Significant Accounting Policies (continued)

(c) Financial Instruments

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, asset is recognized in operations.

(d) Non-financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Body because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Body.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Education Body the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

(f) Revenue Recognition - (Continued)

GNWT – Regular Contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Education Body retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other Contributions:

The Education Body follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Investment Income:

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

(g) Infrastructure Funding

Any personnel, utilities, and leases infrastructure funding net surplus at the end of the fiscal year is recorded as a payable to the GNWT. Net deficits are not shown as receivable from the GNWT since these amounts are not repayable.

(h) Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Body and the budget is legally adopted by a motion of the Board in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenues, expenditures and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget may be amended within a given fiscal year in accordance with Education Body policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 2. Summary of Significant Accounting Policies (continued)

(i) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(j) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Body are treated as expenditures during the year of acquisition and are not recorded on the statement of financial position.

(k) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT Payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued.

The duties and compensation base for UNW School Year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Education Body determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff are accrued to include earnings to June 30.

(l) Post-employment and Termination Benefits

Under the conditions of employment, employees qualify for annual leave of varying lengths depending on length of service. Annual leave is payable within one fiscal year. Employees also earn retirement and severance remuneration based on the number of years of service. Certain employees will also receive assistance with removal costs to return to their point of recruitment. Payment of the removal and termination is dependent on employees leaving the Education Body and other criteria as outlined in the negotiated collective agreements and management handbook guidelines of the GNWT.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 2. Summary of Significant Accounting Policies (continued)

(m) Special Purpose Funds

School activity funds which are fully controlled by the Education Body with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefits.

Student activity funds which are controlled by students or parties other than the Education Body are not included even if custody of the funds is held by the Education Body.

Note 3. Future Accounting Changes and Adoption of New Accounting Standards

Future Accounting Changes

Revenues - Section PS 3400

PSAB has approved Section PS 3400, Revenues. This Section establishes standards on how to account for and report on revenue. This Section applies to fiscal years beginning on or after April 1, 2022. Earlier adoption is permitted. This Section may be applied retroactively or prospectively. Management is currently assessing the impact of the standard.

Financial Instruments - Section PS 3450

The Public Sector Accounting Board (PSAB) issued PS 3450 Financial Instruments effective for fiscal years beginning on or after April 1, 2022. Items within the scope of the standard are assigned to one of two measurement categories: fair value, or cost or amortized cost. Fair value measurement will apply to derivatives and portfolio investments in equity instruments that are quoted in an active market. Also, when groups of financial assets and financial liabilities are managed on a fair value basis they may be reported on that basis. Other financial assets and financial liabilities will generally be measured at cost or amortized cost. Until an item is derecognized, gains and losses arising due to fair value remeasurement will be reported in the Statement of Remeasurement of Gains and Losses. Management is currently assessing the impact of the standard. There is no significant impact on the financial statements as a result of its application.

Asset Retirement Obligations - PS 3280

Effective July 1, 2022, Education Bodies will be required to adopt PS 3280 Asset Retirement Obligations. This standard provides guidance on how to account for and report liabilities for retirement of tangible capital assets. The Education Body is assessing the impact of this standard on the consolidated financial statements.

Various

Effective July 1, 2022, Education Bodies will concurrently be required to adopt: PS 2601 Foreign Currency Translation, PS 1201 Financial Statement Presentation, and PS 3041 Portfolio Investments in the same fiscal period. Government organizations that apply PSAS were required to adopt these standards effective April 1, 2012,

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 12. **Contribution Repayable - Not Applicable**

Note 13. **Due From and To the Government of Canada - Not Applicable**

Note 14. **Capital Lease Obligations - Not Applicable**

Note 15. **Pension - Not Applicable**

Note 16. **Long-term Debt - Not Applicable**

Note 17. **Other employee future benefits and compensated absences**

The Education Body provides severance (resignation and retirement), removal and compensated absence (sick, special maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a deficit equal to the accrued post-employment benefits obligation.

Severance benefits are paid to employees based on the types of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment, and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the Projected Unit Credit methodology.

Compensated absence benefits generally accrue as employees render services and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under the compensated absence benefits were valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at February 11, 2022. The effective date of the next actuarial valuation is March 31, 2025. The liabilities are actuarially determined as the present value of the accrued benefits at February 11, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the Compensated Absences and Terminations Benefits for the consolidated Government.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 17. Other employee future benefits and compensated absences (continued)

	Severance and removal	Compensated Absences	2022	2021
Changes in Obligation				
Accrued benefit obligations beginning of the year	\$ 642,253	\$ 135,201	\$ 777,454	\$ 875,401
Current period benefit cost	56,054	13,792	69,846	72,808
Interest accrued	21,670	4,659	26,329	23,895
Benefits payments	(76,896)	(15,626)	(92,522)	(67,742)
Actuarial (gain)/loss	60,021	1,921	61,942	(126,908)
Plan amendments	-	(827)	(827)	-
Accrued benefit obligation end of year	703,102	139,120	842,222	777,454
Unamortized net actuarial gain	240,043	(5,477)	234,566	400,118
Net future obligation	943,145	133,643	1,076,788	1,177,572
Benefits Expense				
Current period benefit cost	56,054	13,792	69,846	72,808
Interest accrued	21,670	4,659	26,329	23,895
Plan amendments	-	(827)	(827)	(88,309)

Note 22. Contractual Obligations

The Education Body has entered into agreements for, or is contractually committed to, the following expenses payable subsequent to June 30, 2022.

	Expires in Fiscal Year *	2023	2024 and thereafter	Total
Commercial and residential leases	2024	\$ 106,752	\$ 17,792	\$ 124,544
Operational leases	2023	2,745	-	2,745

* Refers to the last fiscal year of all agreements in that line category

The lease on the Council's office expires on August 31, 2023. A 15 year lease agreement was entered into at the Edward Hodgson Building with monthly lease payments starting September 1, 2008. From September 1, 2008 to August 31, 2018 the annual lease payments will remain at \$106,752. After 10 years, the lease amount may be adjusted based on the expected market conditions for the following 5 years.

In addition, the Council is responsible for its proportionate share of utilities and cleaning services received during its term of occupancy.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 23. **Contingencies - Not applicable**

Note 24. **Related Parties and Inter-Entity Transactions**

The Education Body is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Education Body enters into transactions with these entities in the normal course of operations. The Education Body is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, payroll services by the Department of Human Resources, internal audit services by the Department of Finance, and utility and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are disclosed in this note. All related parties are disclosed elsewhere.

Note 25. **Budget**

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenues and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on June 30, 2021 and have not been audited.

Note 26. **Economic Dependence**

The Sahtu District Education Council received its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that Sahtu District Education Council operations would be significantly affected.

Note 27. **Financial Instruments**

The Education Body is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Education Body's risk exposure and concentration as of June 30, 2022.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Education Body has little exposure to credit risk as the majority of its revenues originate from government sources with strong credit worthiness.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2022

Note 27. Financial Instruments (continued)

Liquidity

Liquidity risk is the risk the Education Body will not be able to meet its obligations as they come due. The Education Body manages its liquidity requirements by preparing detailed cash budgets and having cash available on hand to meet its obligations.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is composed of currency risk, interest rate risk and other price risk.

Currency risk

The Education Body deals exclusively in Canadian funds and therefore has no currency risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in interest rates. The Education Body minimizes risk through its normal operating and financing activities and maintains cash in a general bank account.

**Management Discussion and Analysis
For the year ended June 30, 2022**

Introduction

This management discussion and analysis is prepared as part of the responsibility of management and the *South Slave Divisional Education Council* (SSDEC) to promote transparency and accountability in its financial reporting.

The SSDEC was established in 1991 with a mandate to provide a quality pre-kindergarten (4 yr olds) to grade twelve education to approximately 1,200 students in the communities of Hay River, Fort Smith, K'atlodeeche, Fort Resolution and Lutsel K'e. The SSDEC is comprised of one representative from each of the five community-based District Education Authorities (DEAs). DEAs are elected or appointed at the community level, and each DEA chooses one of its members to represent them at the regional SSDEC meetings. The 2021/22 representatives were as follows:

Fort Smith – Crystal Villebrun
Fort Resolution – Bess Ann McKay (Chairperson)
Hay River – Pennie Pokiak (Vice-Chairperson)
K'atlodeeche – Josie Tourangeau
Lutsel K'e – Iris Catholique

Key senior management positions were as follows:

Superintendent – Dr. Curtis Brown and Dr. Souhail Soujah
Asst. Superintendent – Trudy Rowlands and Cora America
Comptroller – Jamie Watts, CPA and Shawn Brace, CPA

Note: All three senior management positions changed in 2021/22

The SSDEC and its DEAs are committed to a philosophy of education which is built upon a foundation of enabling communities, DEAs, schools, staff members, and parents to help students reach their potential. Student achievement is at the heart of everyone's work at the SSDEC and is the common thread connecting the Council's vision, mission, beliefs and values.

VISION
All individuals reach their educational potential
MISSION
<i>The South Slave Divisional Education Council strives to prepare students to create their futures by ensuring high levels of learning for ALL.</i>

The SSDEC is committed to improving student *literacy, numeracy* and *social responsibility* as the key priorities for student success in school and in life.

Below is a summary of student and staff levels at each school for the 2021/22 year.

School	Students (FTE's)	Staffing (PY's) *
Joseph Burr Tyrrell	267.5	40.0
Paul William Kaeser	215.5	30.4
Sub-total (Fort Smith)	483.0	70.40
Harry Camsell	135.0	19.3
Princess Alexandra	145.5	19.2
Diamond Jenness	210.0	30.4
Sub-total (Hay River)	490.5	68.9
Chief Sunrise Education Centre (K'stloedeeche)	66.75	11.3
Deninu School (Fort Resolution)	94.5	20.2
Lutsel K'e Dene School (Lutsel K'e)	68.5	15.8
Overall Totals	1203.25	186.4

- Includes staff hired with Jordan's Principle funding.

Operating Environment

The SSDEC receives the financial resources for the entire division on an annual basis, largely through a funding formula established by the *GNWT Department of Education, Culture and Employment (ECE)*. Unfortunately, there are a number of unfunded and underfunded areas in the formula. For example:

- school boards are funded based on prior year teacher salaries yet collective agreement provisions provide annual salary increments to staff which school boards must pay. ECE also underfunds school boards for salaries of long term UNW, Excluded, and Managers
- ECE confirms that they are underfunding school boards more than \$1 million per year for the hiring of casuals resulting from staff leave provisions in the collective agreements
- some of the funding formula line items are not indexed to keep up with inflation and have not increased in over 15 years

Per student ECE allocations for inclusive schooling has decreased over the past several years as well.

Shrinking enrolment has also brought significant challenges over the last several years. South Slave student enrolment is now less than two thirds what it was fifteen years ago (approx. 1203 now vs. over 1800 previously).

South Slave Divisional Education Council Enrolment History

Fewer students means less funding and less flexibility for the Council to allocate the resources necessary to continue to fund its priorities and a diversity of program offerings. We seem to have plateaued at around 1150-1200 students for the last few years. Whether this stability continues into the future is an uncertainty that we deal with by allowing schools to maintain staffing surpluses. These surpluses allow schools to smooth out any potential wrinkles caused by sudden drops in enrolment and make for an easier transition to having fewer students going forward.

Finalization of the GNWT's policy on surpluses provides clarity on what Education Bodies are allowed to retain. The policy encourages and allows a surplus of up to 7% of the last audited figure for overall revenue. This is inclusive of any school and DEA surpluses. The results from the 2021/22 financial audit, inclusive of the revised GNWT actuarial calculations, leave the SSDEC above the maximum allowable surplus. The planned deficit for 2022/23 will address that overage.

The SSDEC continues to address the funding challenges by annually reviewing and applying their budget assumptions and priorities:

1. Approve a regional budget each year that prioritizes funding for the Council priorities.
2. Approve a budget each year that maintains an accumulated fund balance of at least \$500,000 after taking into account school staffing surpluses.
3. Ensure fair and equitable distribution of funds to schools and DEAs and minimize conflict between Council reps/DEAs.
4. Provide for significant community-based priority setting and related budgeting.
5. Provide transparency in budget process and allocations, and
6. Consider expenditures against a Council surplus over \$500,000, after taking into account school staffing surpluses, each year.

Each year the SSDEC determines the key priorities as well as the unfunded and underfunded areas that simply can't be overlooked, and budgets for those costs first. Upon notification of resulting allocations, staffing plans are developed by school principals for approval of their respective DEAs and the superintendent (prior to March 15th) so that the majority of teacher staffing for the next year can occur while quality applicants are still available. The SSDEC and schools have also been very successful in identifying, applying for and obtaining third party funding in order to supplement program offerings.

Another challenge for the Council is the low levels of readiness of many young children entering the school system, poor attendance by many students, and disengaged parents, probably related to the intergenerational effects of residential schooling. These varying levels and engagement can make it difficult to catch up and retain these students so that they progress and reach their potential. The recent disruption to schooling resulting from the COVID-19 pandemic has exacerbated the equity of access and engagement issues.

In an effort to improve the life chances of more and more children, since 2007 the SSDEC has focused on a few key priorities, with carefully chosen research based strategies, and a long term and relentless commitment to results:

To improve student success in <i>literacy</i>	To increase the percentage of students meeting or exceeding expectations for literacy proficiency
To improve student success in <i>numeracy</i>	To increase the percentage of students meeting or exceeding expectations for numeracy proficiency
To increase understanding and practice of <i>socially responsible behaviour</i> by all members of the school community	To increase the percentage of trustees, staff and students demonstrating responsible behaviour

Accordingly, Council has remained committed to funding the *Leadership for Literacy* initiative that places and trains experienced teachers in instructional coach roles in their respective schools. These coaches provide training and in-classroom support to other teachers and support staff so that more students will achieve success in literacy and math, the essential skills required for success in school and in life.

In *Literacy* we saw a growth in the percentage of students reading at or above acceptable levels (from 64% to 67%). Each school continued to maintain a full-time Literacy Coach who in turn is supported by our Regional Literacy Coordinator. Our *Numeracy* project also has each school with an identified Math Lead who worked closely with our Regional Coordinator. Overall, the number of students meeting an acceptable standard in math also increased from 70-73% from the previous year. In the area of *Social Responsibility*, the targets for 2021/22 (student attendance, parent participation, and social-emotional learning) were not able to be assessed effectively given the pandemic and it's continuing affects this past year..

Much has been accomplished as evidenced by improving student achievement results over the past several years. Further indicative of the SSDEC's success are the various awards received including the three *Ministerial Literacy Awards* for the *SSDEC Literacy Project*, the *Premier's Award of Excellence* for the *Trades Awareness Program* partnership, and the *Premier's Award for Collaboration* for the *South Slave Healthy Communities Partnership*.

Further, the SSDEC's Leadership for Literacy initiative has been recognized nationally as well, being awarded *Indspire's (aka National Aboriginal Achievement Awards) Indigenous Education Organization Award* in 2016, the *Canadian Education Association (CEA) and Reader's Digest Canadian Innovators in Education Award* 2015, and runner up for the CEA's "*Innovation that Sticks*" *Award and Case Study Program*. This is on the heels of the SSDEC becoming the first school board in Canada to win Gold in the education category of the *Public Sector Leadership Awards*, as selected by the *Institute of Public Administration of Canada (IPAC)* and Deloitte in 2014.

South Slave staff and students are excelling and benefitting accordingly as well. Aside from the recognition of the Council and the impressive recipients of the *SSDEC Excellence in Education Awards*, five of the South Slave school principals have now been selected to the exclusive National Academy of *Canada's Outstanding Principals (The Learning Partnership)*, and the SSDEC Superintendent was the first northern recipient of the *Canadian Superintendent of the Year* award (*Canadian Association of School System Administrators (CASSA) & American Association of School Administrators (AASA)*). Two of the five SSDEC trustees received the *Queen's Diamond Jubilee* medals for exemplary service to their communities. The South Slave DEC also has 12 inductees into the NWT Education Hall of Fame.

Three of the South Slave's educators have also received *Indspire Indigenous Educator Awards* and another Indigenous teacher received the *Prime Minister's Award for Teaching Excellence*. These awards are examples of how effective literacy efforts are being encouraged and supported in our Indigenous language programs in Cree, Slavey and Chipewyan; in addition to English and French. The SSDEC recently had an Indigenous Language educator receive the *Premier's Award of Excellence* while another received the *NWTTA Indigenous Educator Award*.

There has also been an increase in staff use of long-term leave requests due to mental health issues. As we are unsure when staff will be able to return to their classrooms, we increasingly find ourselves hiring unqualified substitutes for repeated one and two month periods. This is not only disruptive to classroom routine, but compromises the quality of students' education and is costly for the SSDEC.

Teacher turnover, compounded by the shortage of suitable applicants, means there is a need to engage in more formalized transition planning. Specialist positions are continuing to be difficult to fill, in particular; Indigenous Language teachers, French Immersion and senior Math/Science. We were proactive in finding and funding 4 Indigenous Language interns last year.

ECE's *Education Renewal and Innovation* initiative also includes aspects that look to help educate and provide support for mental health and wellness of both staff and students. Recent

SSDEC strategies and targets are also intended to improve student attendance, ownership for their learning (inquiry-based, 21st century learning), pride and resiliency as part of its academic and social responsibility priorities.

Financial Condition

The bar chart below provides a historical comparison of revenues and expenditures over the past ten years.

For the year ended June 30, 2022 the Council had an operating deficit of **\$979,452** inclusive of DEA surpluses and deficits. This was lower than the projected deficit due mostly to an adjustment to the Council’s employee future benefits liability amount **\$413,112**. Other reasons for the result include, but are not limited to, COVID-19 still affecting schools for the majority of the year resulting in lower casual wages costs, no duty travel, and general expenditures being lower. Also related to COVID-19 was increased funding from ECE to cover costs in teacher salaries, custodial services, casual wages and materials and supplies (approx. \$490 million). As well, the Council recorded approx. \$2.2 million in Jordan’s Principle funding this past year

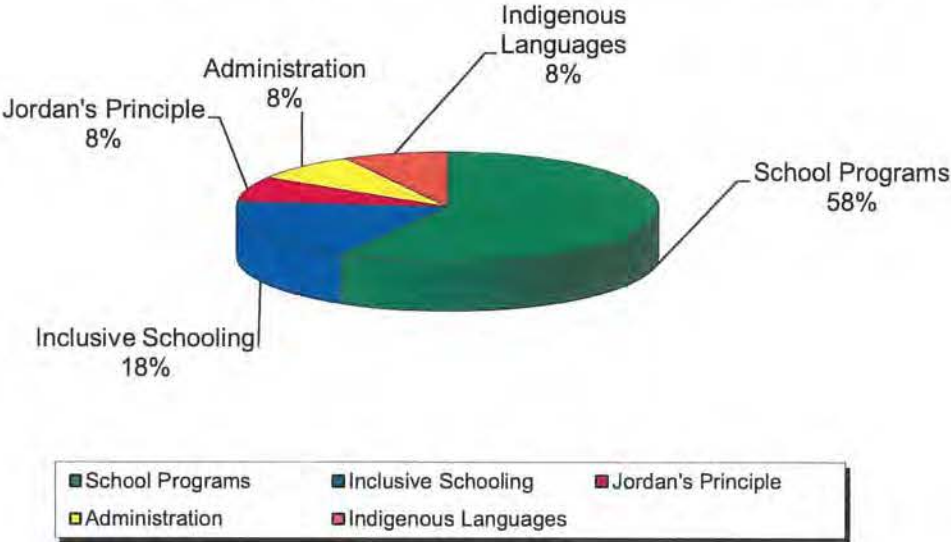

The accumulated uncommitted fund balance for the Council now sits at \$2,958,699 (see chart below) which is \$975,156 above the Council’s maximum fund balance of \$1,983,543 spelled out in policy DFAA – Financial Surplus. The Council’s budget for 2022/23 is a deficit budget of \$957,096 that, if realized, would bring the Council’s accumulated fund balance down to \$2,001,603.

	<u>2023</u>	<u>2022</u>
Accumulated Fund Balance at beginning of year	\$2,958,699	\$3,907,227
Operating Surplus/(Deficit) for year	<u>(957,096)</u>	<u>30,924</u>
Accumulated Fund Balance at end of year	\$2,001,603	\$3,938,151
Commitments against Fund Balance (incl. bus purchase)	<u>(1,241,704)</u>	<u>(1,313,243)</u>
Uncommitted Fund Balance at end of year	<u>\$ 759,899</u>	<u>\$2,624,908</u>

Currently the Council’s liquidity position is good but, given the back-end loading of allocations to school boards by ECE, there is still the concern that funds could be short around the end of March. Given that about 85% (see second chart below) of the SSDEC’s expenditures are for staffing payroll and benefits, any unanticipated reductions in allocations from ECE, or unexpected expenditures, would be difficult to adjust for until the following school year. The chart below breaks down the Council’s expenditures according to the functions identified. ECE mandates that 15% of the Council’s expenditures be in Inclusive Schooling. Inclusive Schooling made up 18% of the Council’s expenditures in 2021/22. Indigenous Languages Education expenditures was also above what was funded by ECE.

During the 2021/22 year the Council was reimbursed a total of \$252,611 for termination costs related to the 2020/21 fiscal year covering 6 retirements/resignations (all NWTTA).

**South Slave Divisional Education Council
Expenditures by Function
For the Year Ended June 30, 2022**

The chart below breaks down the Council's expenditures into three main categories: Salaries and Employee Benefits, Materials/Supplies and Freight and Purchased/Contracted Services.

**South Slave Divisional Education Council
Details of Expenditures
For the Year Ended June 30, 2022**

Summary and Outlook

In summary, the SSDEC is currently in a positive financial position although, due to the inclusion of school and DEA surpluses in the calculation, we are currently above the maximum surplus allowed under the new GNWT policy as detailed earlier. Our deficit budget for 2022/23 is planned to address that excess.

It should also be noted that in the last four years our surplus has increased by almost \$2.2 million due to a reduction in the Council's post-employment benefits liability (a number provided by the GNWT in July, after our fiscal year spending is complete, and after our next year budget and staffing has been finalized as well). This reduction is not a result of operations but artificially increases our surplus without adding anything to our cash balances. It is expected that this will be taken into consideration when applying the GNWT's surplus policy to Education Bodies.

We anticipate a return to almost normal pre-COVID operations for the Fall of 2023. Of course if the situation changes we will be ready to adapt as necessary.

We are also seeing an increase in the number of students entering the system with complex needs and vulnerabilities at the same time our core Inclusive Schooling funding has decreased. Our schools have been proactive in applying for and receiving over \$4 million in additional funding through the Jordan's Principle initiative. It is hoped that initiatives like Jordan's Principle will continue to provide supplemental funding for psychological testing for students and increased supports in the classroom that will help address some of the causes and impacts of mental health issues in students, including attendance and behavioural issues.

Council is concerned that the significant progress that has been made in the South Slave in the past several years could be undone with any further efforts to reduce local input and centralize, combined with any further reductions in allocations, compounded by existing unfunded and underfunded expenses (salary increments, casual costs, etc.) and cost increases (several formula funding lines not indexed to keep up with inflation), resulting in a decrease in the quality and quantity of education programs and services that can be offered.

Creating Futures

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The Minister of Education, Culture and Employment
Government of the Northwest Territories

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of South Slave Divisional Education Council have been conducted within the statutory powers of the South Slave Divisional Education Council. The operations and administration of the South Slave Divisional Education Council as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the South Slave Divisional Education Council Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

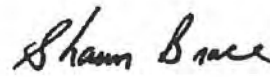

The auditors, Avery, Cooper & Co. Ltd., Chartered Professional Accountants, annually provide an independent, objective audit for the purpose of expressing an opinion on the

financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

INDEPENDENT AUDITORS' REPORT

To the Minister of Education, Culture and Employment
Government of the Northwest Territories

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of South Slave Divisional Education Council which comprise the Consolidated Statement of Financial Position as at June 30, 2022 and the Consolidated Statements of Changes in Net Financial Assets (Debt), Statement of Operations and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of the South Slave Divisional Education Council as at June 30, 2022 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

Salaries and related benefits paid to employees of the South Slave Divisional Education Council are administered by the Government of the Northwest Territories and are audited as part of the Government of the Northwest Territories audit. Our audit scope was limited as we did not audit the components of compensation and benefits expenditures and related balances. Accordingly we are not able to determine whether any adjustments might be necessary to compensation and benefits expenditures, payroll liabilities, employee future benefits, net financial resources and accumulated surplus/deficit as well as note disclosures associated with transactions and year-end balances relating to compensation and benefits.

Other matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements of South Slave Divisional Education Council taken as a whole. The supplementary information included on various schedules is presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied, only to the extent necessary to express an opinion in the audit of consolidated financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT - cont'd.

Other Information

Management is responsible for the other information. The other information comprises the Management Discussion and Analysis.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the management Discussion and Analysis prior to the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and the Act of the Northwest Territories, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the 's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITORS' REPORT - cont'd.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the 's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Education Act's requirement for the Education Authority to comply with the Financial Administration Act, in our opinion, proper books of account have been kept by the South Slave Divisional Education Council, the consolidated financial statements are in agreement therewith and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Council.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

Note 1. Nature of the Organization

The Council was formerly known as the South Slave Divisional Board of Education. With the adoption of the new Education Act, its legal name is now the South Slave Divisional Education Council (Council).

The Council was established under the Education Act of the Government of the Northwest Territories by order of the Minister of Education dated July 1, 1991. Its purpose is to administer and maintain standards of educational programs defined under the Act in the member communities of the South Slave region.

Consequently, the Council is economically dependent upon funding from the Department of Education, Culture and Employment of the GNWT. Member communities have formed local District Education Authorities (DEA) which have assumed the responsibility of providing sufficient educational programs within their respective communities.

Note 2. Significant Accounting Policies

a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques, and short term highly liquid investments that are readily convertible to cash and usually with a maturity date of 90 days or less from the date of acquisition.

c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

Financial assets subsequently measured at amortized costs include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication or impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Council because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Council.

e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Education Authority the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that give rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met and reasonable estimates of the amounts can be determined.

GNWT – Regular Contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The council retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided for by the formula, must first be approved by the GNWT.

Other Contributions:

The Council follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenses are incurred.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

Investment income:

Investment income is recognized when received or receivable, if the amount can be reasonable estimated.

Special Purpose Funds:

School activity funds which are fully controlled by the Council with respect to when and how the funds available can be disbursed are included in these financial statements. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising and/or contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Council are not included in these financial statements even if custody of the funds is held by the Council. Examples might include student clubs or associations for which the Council has no on-going responsibility or liability for losses.

g) Budget Data

The *Education Act* of the NWT requires that the Council prepare an annual budget, as outlined in Sections 128 and 129.

The priorities and funding allocations are determined by the Council and the budget is then legally adopted by a motion of the Council in accordance with Section 135(3) of the *Education Act*.

Council approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by sections 117(2)(k), (l) and (m) of the *Education Act*.

The annual budget includes estimates of revenues, expenditures and the net operating surplus/(deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Council.

The budget may be amended within a given fiscal year in accordance with Council policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Council are treated as expenditures during the year of acquisition and are not being recorded on the statement of financial position.

j) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th of each year which provides for continued payment during the summer. GNWT payroll for NWTTA staff starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31 (usually 26). The pay periods that fall within the month of July therefore have to be accrued.

The duties and compensation base for UNW school year employees are scheduled to align with the academic year although the actual start dates and durations vary by specific location and job function. Accordingly, the Council determines the start dates of their UNW employees and accrues the related payroll liability as necessary

All other staff salaries are accrued to include earnings to June 30th.

k) Post-Employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, Council employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave is recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except parental and maternity leave) has been prepared using data provided by the GNWT and assumptions based on management's best estimates.

D) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed. Transfers include grants and contributions and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

Note 3. Future Accounting Changes

Financial Instruments

The Public Sector Accounting Board (PSAB) issued PS 3450 – Financial Instruments effective for fiscal years beginning on or after April 1, 2022. Items within the scope of the standard are assigned to one of two measurement categories: fair value, or cost or amortized cost. Fair value measurement will apply to derivatives and portfolio investments in equity instruments that are quoted in an active market. Also, when groups of financial assets and financial liabilities are managed on a fair value basis they may be reported on that basis. Other financial assets and financial liabilities will generally be measured at cost or amortized cost. Until an item is derecognized, gains and losses arising due to fair value measurement will be reported in the Statement of Remeasurement of Gains and Losses.

Other New Standards

Effective July 1, 2022, Education Bodies will concurrently be required to adopt: PS2601 – Foreign Current Translations, PS1201 – Financial Statement Presentation and PS3041 – Portfolio Investments in the same fiscal period. Government organizations that apply PSAS were required to adopt these standards effective April 1, 2021 however there is no significant impact on the financial statements as a result of this application.

Effective July 1, 2022, Education Bodies will be required to adopt PS3280 – Asset Retirement Obligations. This standard provides guidance on how to account for and report liabilities for retirement of tangible capital assets. There is no significant impact on the financial statements as a result of this application.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

Effective July 1, 2023, Education Bodies will be required to adopt PS3400 – Revenue. This standard provides guidance on how to account for and report on revenue. Specifically, it differentiates between revenue arising from transactions that include performance obligations and transactions that do not have performance obligations.

The impact of this standard on the consolidated financial statements is currently being assessed.

Note 4. Cash and Cash Equivalents

17. Post-Employment Benefits, Compensated Absences and Termination Benefits

In addition to pension benefits the Council provides severance (resignation and retirement), removal and compensated absences (sick, special, parental and maternity leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to Council employees based on the type of termination (resignation vs. retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to, employee or dependant illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

Valuation result

The actuarial valuation was completed as at March 31, 2022. The effective date of the next actuarial valuation is March 31, 2022. The liabilities are actuarially determined as the present value of the accrued benefits at February 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

	Severance and Removal \$	Compensated Absences \$	2022 \$	2021 \$

23. COVID-19

On March 11, 2020, there was a global outbreak of a novel coronavirus known as COVID-19, which has had a significant impact on organizations and companies through the restrictions put in place by federal, provincial, territorial and municipal governments regarding travel, business operations and isolation or quarantine orders. While the Council was unable to quantify the overall financial effect of these events, they have resulted in school closures and disruptions in regular operations. The Council continues to take measures to mitigate the effects of the current crisis.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

24. Related Parties and Inter-Entity Transactions

The Council is related, in terms of common ownership, to all GNWT created departments, agencies and corporations. The Council enters into transactions with these entities in the normal course of business. The Council is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance and utilities and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are disclosed in this note.

25. Budget Data

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget as outlined in Section 117, Duties of Education Body. The budget is legally adopted by a motion of the Council which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation of the Education Act.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Council.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on December 20, 2021 and have not been audited.

26. Economic Dependence

The South Slave Divisional Education Council receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the South Slave Divisional Education Council's operations would be significantly affected.

27. Financial Instruments

The Council's carrying value of cash, accounts receivable, due from the GNWT, accounts payable and accrued liabilities, due to the GNWT, accrued salaries and the trust liability approximate fair value due to the immediate and short-term maturity of these instruments.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2022

The Council's carrying value of the accrued leave and termination benefits approximates fair value due to the information readily available in the NWTTA, UNW and Senior Manager's Handbook.

It is management's opinion that the Council is not exposed to significant interest rate, currency, market, credit, liquidity or cash flow risks arising from these financial instruments and that there are no significant concentrations of such risk.

INTRODUCTION

The Consolidated Financial Statements report the financial position and results of operations of the Yellowknife Catholic Schools for a school/fiscal year. The information provided in the following pages is intended to assist readers of the Consolidated Financial Statements in their assessment of the district's financial health.

The Consolidated Statement of Financial Position discloses the financial position of the Government including assets, liabilities, accumulated surplus or deficit, and the net debt position of the Government and is measured at June 30th.

The Consolidated Statement of Operations discloses financial information relating to revenues and expenses encompassing the results for a fiscal year.

The Consolidated Statement of Change in Net Assets explains the change in net assets. It tracks the extent to which expenditures of the accounting period are met by the revenues recognized in operations for the period; and what the district has spent to acquire tangible capital asset.

The Consolidated Statement of Cash Flow discloses cash balances at the beginning and end of the fiscal year as well as the sources and uses of cash in operating, investing, financing and capital transactions during the fiscal year.

EXECUTIVE SUMMARY

The following management's discussion and analysis (MD&A) of the consolidated financial position and results of operations of Yellowknife Public Denominational District Education Authority (Yellowknife Catholic Schools) for the year ended June 30, 2022 should be read in conjunction with Yellowknife Catholic Schools (YCS)' audited consolidated financial statements and related notes. The preparation of this report is the responsibility of management. It is the responsibility of the Board of Trustees to promote transparency and accountability.

As a learning community YCS looks forward and thinks about the many ways our world is changing and ensures that our students are prepared to adapt to changes as they emerge. As such we are excited that our new strategic plan has three key priorities:

- Our learning community will inspire critical thinking through inquiry and innovation.
- Our learning community will promote empathy and a commitment to well-being.
- Our learning community will value relationship building as the foundation for students to thrive.

As a Catholic Education system, we will encourage our students to use these skills and characteristics to follow Jesus' example. We want them to think critically about faith and to make decisions based on their spirituality and the knowledge that faith promotes being a good person. We will use our faith-filled classrooms to explore how we want our students to live as people – letting their lights shine in the world.

Mission, Values and Beliefs

Yellowknife Catholic Schools is a family of learners: developing faith, celebrating culture, supporting diversity, teaching critical thinking, and inspiring service to others.

Through Christ we value truth, honesty, compassion, respect, forgiveness, service, love and living the faith.

We believe that we are a Catholic, Christ-centered community that strives to nurture the spiritual, intellectual, emotional, social, and physical development of all learners.

Board of Trustees

There are seven trustees at Yellowknife Catholic Schools. Ms. Tina Schaurtte is the Chair and Ms. Susan Waddell is the Vice Chair. Other trustees are Ainsley Dempsey, Andy Young, Christine Lewandowski, Melanie Williams, and Steven Voytilla. There are three committees in place –Facilities and Finance, Policy and COVID 19. Trustee meetings are held each month and are open to the public.

Yellowknife Catholic Schools

Yellowknife Catholic Schools (YCS) is the only Catholic school board in the Northwest Territories. YCS was established in July 1951 and provides education for students from Junior Kindergarten to Grade 12.

YCS programs operate out of: École St. Patrick High School (ESPHS), Weledeh Catholic School (WCS), École St. Joseph School (ESJS), the Kimberlite Career and Technical Centre (KCTC), the Tallah Building, Jim Murphy Maintenance Building, and the Central Services Building. All our facilities are in excellent condition.

The senior administration team during the 2021-2022 school year consisted of Simone Gessler – Superintendent, Pat Sullivan– Assistant Superintendent – Learning and Mahesh Adhikary – Assistant Superintendent – Business.

The principal at École St. Patrick High School is Todd Stewart. The principal at Weledeh Catholic School is Jenny Reid and the principal at École St. Joseph School is Don Reid.

Student and Teacher Population

The following is the student enrolment as of September 30, 2021, and the teachers that were employed as of September 30, 2021.

	Enrolment	Teachers	Pupil/Teacher Ratio
École St Patrick High School	526	35	15
Weledeh Catholic School	369	23	16
École St Joseph School	604	35	16
KCTC	0	4	0
	1,499	97	15

There was a total of 207 staff at YCS as of June 2022.

Strategic Plan

Vision Statement for 2021-2024

Yellowknife Catholic Schools' vision of learning will empower students and staff to engage, explore, grow, and thrive in a multitude of ways. Our mission is to support student learning and well-being from JK - grade 12 so that all students can develop the skills and characteristics they need to be capable people in the world.

Yellowknife Catholic Schools three-year strategic plan has been designed with flexible observables to address the fluidity of learning and our ever-changing landscape. We will continue to engage the parish, families, schools, and our community partners in developing our Vision of a Learner.

Goals

The goals of YCS are to:

- Inspire critical thinking through inquiry and innovation;
- Promote empathy and commitment to spiritual, physical, social-emotional, cultural, and intellectual well-being of students;
- Strengthen partnerships with the parish, our families, community members, Education, Culture, and Employment, and the Indigenous people of the NWT to create an environment for students to thrive.

Commitments

YCS is committed to the following:

- Engage in continuous growth and improvement, make decisions to enhance student learning and provide opportunities for the community to learn together.
- Provide all learners with a safe environment that promotes spiritual, academic, physical, emotional, and social growth, encouraging inquiry, innovation, and self-reflection.
- Allocate resources based on our vision and commitment to our learners.

YCS realizes its responsibility to provide an excellent education for our students. Our district is proud of its reputation for providing high-quality education to the students of our community through continuous improvement and the cooperative efforts of the Northwest Territories (GNWT) Minister of Education, Culture and Employment (ECE), administration, teachers, staff, students, families, and a supportive community.

FINANCIAL HIGHLIGHTS

The audited consolidated financial statements were prepared for the Government of the Northwest Territories (GNWT) Minister of Education, Culture and Employment (ECE), in accordance with Canadian Public Sector Accounting Standards.

Financial Assets

The financial assets of YCS consist of Cash, Accounts receivable and Deposit in Trust held by Government of the Northwest Territories. The cash balance was \$11,197,498 on June 30, 2022 (prior year - \$10,622,607) and indicates a good cash flow. The financial assets position on June 30, 2022 was \$12,811,213 (prior year \$10,802,382).

Liabilities

Liabilities consist of payroll liabilities, accounts payable, deferred revenues and long-term debt. The payroll liabilities consist of payroll liabilities to staff for July and August. The long-term debt was reduced by \$116,704 during the year and is for a debenture on the Tallah building. Rental revenue for the Tallah building covers the net financial debt.

The Consolidated Statement of Financial Position has a subtotal called "Net Financial Assets". This line is an indicator of the ability to discharge all the entity's debts with financial assets. This year the net surplus is \$4,622,293 compared to the prior year with a net surplus of \$3,589,230. It indicates that YCS has sufficient assets to pay off all debt at year end.

Non-Financial Assets

Non-financial assets include land and buildings that YCS has no intention of selling and that would not be able to be quickly converted to cash. The non-financial assets decreased from \$37,752,125 to \$35,618,055 which mainly reflects the change in the value of the tangible capital assets owned by Yellowknife Catholic Schools.

The \$1,650,499 decrease in tangible capital assets relates to amortization of tangible capital assets for this fiscal year partially offset by renovation projects capitalized during the year.

Accumulated Surplus

Accumulated surplus is equal to the sum of non-financial assets and net financial assets. Accumulated surplus represents the equity that YCS has generated in the last 71 years of its existence. The largest component of accumulated surplus is the Investment in Tangible Capital Assets. A further breakdown of accumulated surplus can be found on the Consolidated Statement of Accumulated Surplus.

FINANCIAL COMPARISONS AND VARIANCES

Revenues

Most of the funding (67%) for YCS comes from the Government of the Northwest Territories (GNWT) Department of Education, Culture and Employment (ECE) as core funding for school operations. The core funding is derived from a funding formula developed by ECE. The most important factor in the funding formula is student enrollment. In total 70% of the revenue came from the Government of Northwest Territories.

During the year, Yellowknife Catholic Schools received funding from Jordan's Principle – Government of Canada - 14% of revenue. Jordan's Principle is funding to help support indigenous students so they can access the products, services and supports they need, when they need them.

YCS also generates revenue from property taxes – 14% of revenue. The City of Yellowknife collects property tax revenue on our behalf. Other GNWT funding includes contribution agreement funding for: French language programs, active after-school programs and health and wellness programs.

Board generated funds include donations, Bus Pass sales, After-School program fees, investment revenue, and rental revenue.

YCS generates revenue from other school districts when a student from that district attends an YCS school and the other district receives GNWT core funding for that student.

YCS is economically dependent upon the GNWT for most of its operating revenue. Significant changes to enrollment in Yellowknife or to the GNWT funding formula would have dramatic effects on the future operations of YCS.

Expenditures

The Consolidated Statement of Operations and Schedule 1 provide two different ways to classify expenditures. In the Consolidated Statement of Operations, expenditures are classified by program. Schedule 1 of the consolidated financial statements provides an additional breakdown by object.

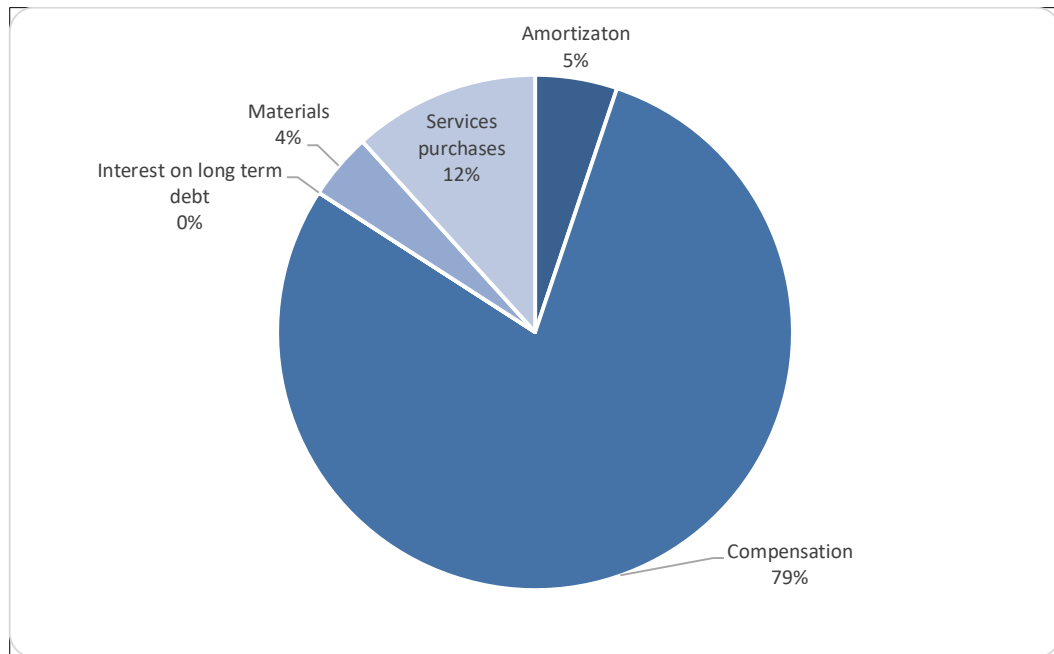

Expenditures - By Program

Program categories for YCS are:

- Amortization (5%): This expense relates to the rational and systematic manner to write off the value of the tangible capital asset over an appropriate number of accounting periods.
- Board Administration (8%): Includes salary and benefits for central services administrative and technology staff, honoraria for trustees, audit and legal fees, travel costs, advertising, and publishing costs.
- Debt service: Relates to interest on long-term debt for the repayment of debentures for the Tallah Building. Debenture repayments for the Tallah building are mostly funded through lease payments from Aurora College.
- Inclusive schooling (25%): Expenditures in this program relate to supporting students with diverse needs. This support can include enrichment opportunities as well as supporting students with learning challenges. Salary and benefits for program support teachers, literacy and early intervention teachers, the student services coordinator, counselors, classroom assistants, and advanced placement teachers are included in this category.
- Indigenous Language Education (2%): Includes salary and benefits of Wiliideh Yati Language instructors, salary and benefits of the literacy coach, costs related to the creation of learning materials in the Wiliideh Yati language and the cost of running our indigenous language and culture camps.
- Operations and maintenance (9%): Includes salary and benefits of maintenance staff, cost of electricity, fuel and water, expenditures on janitorial services, expenditures on repair and maintenance of our facilities (including minor capital projects).
- School programs (51%): Salary and benefits for most of the teachers are recorded in this program. Other large components of expenditure in this program are salary and benefits for school administrative assistants, curriculum coordinators, the cost for school textbooks and supplies and the cost of busing services.

Expenditures by Object

- **Compensation (79%):** Includes salary for teachers, coordinators, classroom assistants, maintenance staff, administration assistants, counsellors, technology staff, administrative staff and trustee honoraria. The majority of YCS staff is unionized and collective agreements with the unions specify pay and benefits for these staff. Compensation also includes employee benefits which consist of employer contributions to pension plans, extended health and dental plans, CPP, EI, WSCC premiums, life insurance, long term disability insurance, maternity leave, professional development, medical travel, vacation travel, removal benefits and other allowances.
- **Services purchased/contracted (12%):** Include busing, janitorial services, insurance services, security services and snow removal.
- **Materials/freight (4%):** Include expenses for material and freight of goods.
- **Amortization (5%):** This expense relates to the rational and systematic manner to write off the value of the tangible capital asset over an appropriate number of accounting periods.
- **Debenture interest:** Include interest expense paid during the year for the Tallah building debentures.

Operating Surplus

At the end of the year, there was an operating surplus of \$4,704,718.

Summary of Accumulated Surplus

	Opening	Increase/ (Decrease)	Closing
Operating fund surplus	3,791,601	913,117	4,704,718
Investment in tangible capital assets	36,864,094	(1,533,795)	35,330,299
Decentralized budget accumulated surplus	685,660	(349,354)	336,306
	41,341,355	(970,032)	40,371,323

The operating fund surplus increased by \$913,117 during the year. This was mainly due to increased funding from the Government of the Northwest Territories and limitations to run several programs due to health and travel restrictions placed to contain the spread of COVID 19.

Investment in tangible capital assets represents the amount of funds received and recognized as revenue that allow us to purchase our tangible capital assets less accumulated amortization. The decrease in this account this year is due to amortization of our tangible capital assets offset by the principal portion of the repayment of the debenture on the Tallah Building and offset by acquisition of equipment.

The decentralized budget accumulated surplus consists of funds, which are committed to or designated to specific purposes. Most of these funds are school-based funds surpluses. Decisions on expenditure of school-based funds are made by individual schools under YCS' School-Based Decision-Making procedure.

Variance Analysis

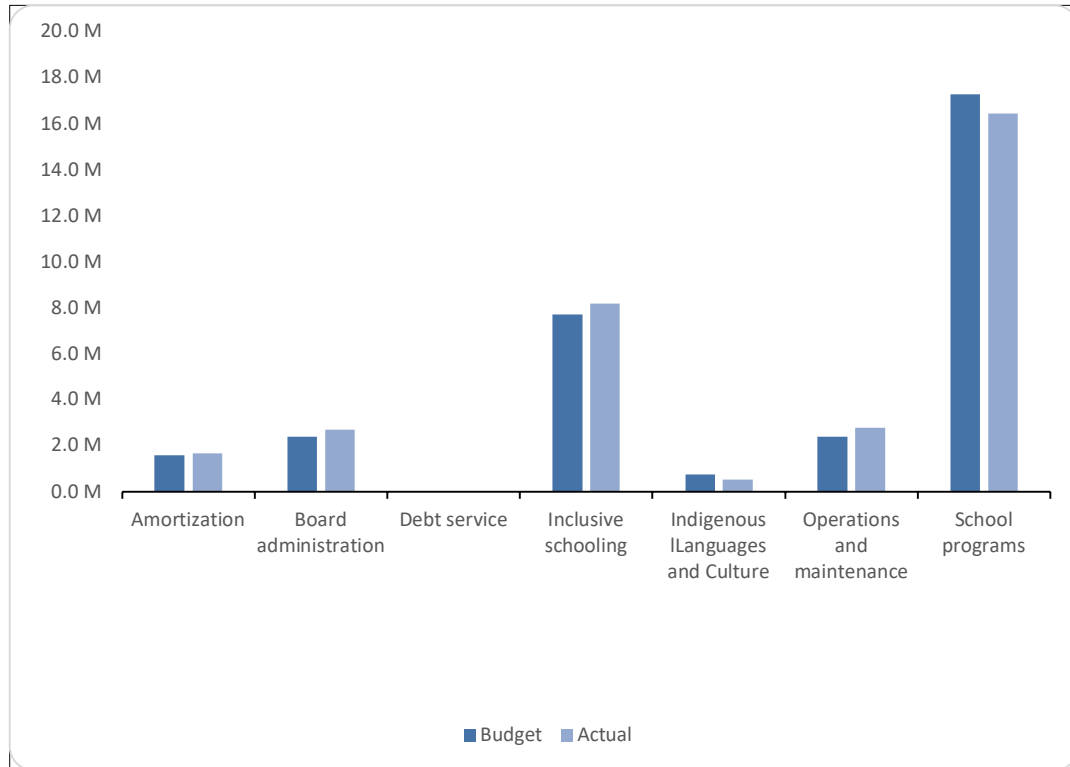

Revenue

In the 2021-2022 fiscal year, an annual deficit of \$1,615,000 was budgeted and the actual deficit was \$970,032. The budgeted revenue for 2021-2022 was \$30,586,757 and the actual revenue was \$31,347,819. The increase in revenue is due to increased core and other contributions from the Government of Northwest Territories through Education, Culture and Employment; Jordan’s Principle funding from the Government of Canada, property taxes requisitioned from the City of Yellowknife and miscellaneous revenues generated by the district.

Expenditures

The budgeted expenditures for the 2021-2022 fiscal year were \$32,201,757 and the actual expenditures were \$32,317,851 resulting in a variance (over-expenditure) of \$116,094. The variance is primarily attributed to additional resources to support Indigenous students under Jordan's Principle and expenditures to safely reopen schools during the pandemic.

SUMMARY AND OUTLOOK

The 2022-2023 school year will be an exciting year at all three schools. We will continue to focus on 21st century learning skills. This year we continue the theme of Merciful Hearts, with the specific focus on Mercy that Serves.

In the budget for 2022-2023, the Trustees committed to supporting all the present programs and positions at Yellowknife Catholic Schools. The Trustees and administration will continue to work together to provide the best education while being fiscally responsible.

The Board of Trustees and senior staff will work on a strategic plan for the next five years.

YCS has a healthy operating fund surplus for the year and strong cash position that will allow us to continue to operate in a financially prudent manner in the future. YCS will continue to be challenged to provide quality education in a fiscally responsible manner. While we are faced with financial constraints, we will ensure that today's dollars are spent on today's students. This will ensure that all of our students are prepared for their exciting lives.

**To the Minister of Education, Culture and Employment
Government of the Northwest Territories**

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2022

The Management Discussion and Analysis, Consolidated Financial Statements, Schedules and Notes herein submitted have been prepared by management. They provide full disclosure and accurately reflect the financial and non-financial condition of Yellowknife Catholic Schools ("YCS") in all material respects and in accordance with Canadian Public Sector Accounting Standards ("CPSAS") as well as the Financial Administration Manual ("FAM") and the Financial Administration Manual for Education Authorities ("FAMEA") of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Yellowknife Catholic Schools have been conducted within the statutory powers of the Education Authority. The operations and administration of the Education Authority as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Authority Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

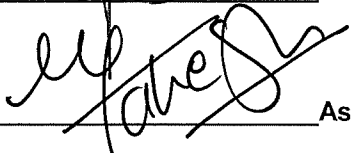

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment ("ECE") of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Yellowknife Catholic Schools.

Superintendent

Assistant Superintendent - Business

September 21, 2022

**To the Minister of Education, Culture and Employment
Government of the Northwest Territories**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the consolidated financial statements of Yellowknife Catholic Schools, (the "Authority") which comprise of the consolidated statement of financial position as at June 30, 2022, and the consolidated statement of changes in net financial asset, operations, consolidated statement of accumulated surplus and consolidated cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraphs, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Authority as at June 30, 2022, and its results of operations and its cash flows for the year ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

School generated funds controlled by the Yellowknife Catholic Schools are not reported and presented in the accompanying financial statements. School generated funds represent fundraising activities for the benefit of student life enhancement. They are controlled through the Yellowknife Catholic Schools due to the nature of these activities which must be approved at the Yellowknife Catholic Schools' Administration level. This represents a departure of Canadian public accounting standards because school generated funds are determined to be under control of the Yellowknife Catholic Schools and as such are required to be included under the government reporting entity.

Also, we were unable to determine the amount of school generated funds; therefore, school generated funds revenues, expenses, and assets and surplus for the year ended June 30, 2022 and 2021 are not recognized nor audited in the accompanying financial statements. Our audit opinion on the financial statements for the year ended June 30, 2021 was modified accordingly because of the possible effect of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other Information

Management is responsible for the other information. The other information comprises the Management's Discussion and Analysis, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Authority's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.

Report on Other Legal or Regulatory Matters

In conjunction with the audit of the consolidated financial statements, we have audited transactions of the Authority coming to our notice for compliance with specified authorities. The specified authorities against which compliance was audited are the Government of the Northwest Territories - Department of Education, Culture and Employment.

In our opinion, the transactions of the Authority that came to our notice during the audit of the consolidated financial statements have complied, in all material respects, with the specified authorities referred to above.

Management is responsible for the Authority's compliance with the specified authorities named above and for such internal control as management determines necessary to enable the Authority to comply with the specified authorities.

Our audit responsibilities include planning and performing procedures to provide an audit opinion and reporting on whether the transactions coming to our notice during the audit of the financial statements are in compliance with the specified authorities referred to above,

The specified authorities include requirements that are subject to significant interpretation. Our interpretation may differ from other interpretations.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

1. Nature of Operations

Yellowknife Public Denominational District Education Authority, Yellowknife Catholic Schools ("YCS") was established in July 1951 and is presently the only Catholic school board in the Northwest Territories. A full range of instructional programs ranging from Junior Kindergarten through Grade 12 is offered by the YCS.

YCS is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the YCS includes all aspects of operation and management relating to Catholic education within the boundaries of the City of Yellowknife. The Board of Trustees is the lowest (and sole) level of government exercising oversight responsibility. The consolidated financial statements of the YCS are not included in the financial statements of the City of Yellowknife as the YCS trustees are a separate governing body that is not under the control of the City of Yellowknife. The City of Yellowknife, however, does collect and remit property taxes requisitioned by the Board.

2. Significant Accounting Policies

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity, which is composed of all organizations which are controlled by YCS. These organizations include the three schools, a maintenance shop and the Kimberlite Career and Technical Centre.

The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

YCS uses fund accounting to separate transactions between its operating fund surplus, investment in tangible capital assets, and decentralized budget accumulated surplus.

Operating Fund Surplus

The operating fund surplus is the general operating fund of the YCS in which all transactions concerned with current operations are recorded. Substantially all territorial, local (primarily property tax), and other operating revenues are accounted for in the operating fund surplus. In accordance with accounting principles that are considered appropriate for organizations of this type, tangible capital assets acquired and debenture debt repayment that are financed with operating funds are treated as expenses in the operating fund surplus and then transferred to the Investment in tangible capital asset fund. The operating fund also accounts for expenses and contributions to or from other funds (transfers) which provide for day-to-day operations.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

2. Significant Accounting Policies (continued)

(a) Basis of Accounting (continued)

Operating Fund Surplus (continued)

In summary, the operating fund surplus is used to account for all financial activities except those accounted for in the Investment in tangible capital assets fund and decentralized budget accumulated surplus.

Investment in Tangible Capital Assets

The investment in tangible capital assets fund is used to account for financial transactions related to the acquisition of tangible capital assets in excess of \$50,000.

Properties are carried at cost at the date of acquisition and amortization is recorded in the accounts. The cost of additions and repayment of debentures or other long-term debt is charged to the investment in tangible capital assets fund. This results in a corresponding increase in the equity in tangible capital assets. Other additions are initially charged to the statement of operations.

Decentralized Budget Accumulated Surplus

The decentralized budget accumulated surplus fund represents specific amounts eligible for carry-over to subsequent years for each school.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial value is adjusted for financing fees and transactions costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash and cash equivalents, accounts receivable, and due from the Government of Canada.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, long-term debt, payroll benefits payable and accrued payroll liabilities.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

2. Significant Accounting Policies (continued)

(c) Financial Instruments (continued)

of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by YCS because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of YCS.

(e) Tangible Capital Assets

Tangible capital assets acquired for more than \$50,000 are capitalized and amortized. Tangible capital assets are recorded at cost plus any betterments less accumulated amortization. The cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The buildings, portables and equipment will be amortized using the straight line method, based on their useful life. The buildings, portables and equipment have useful lives of 40, 25 and 10 years respectively. Any additions to the buildings and portables will be amortized over the remaining useful life of the assets.

Capital facilities planning and construction with certain exceptions are funded by the Government of the Northwest Territories and subject to their capital planning and approval process. Capital contributions received but not spent at year-end are recorded as deferred revenue.

The GNWT retains ownership of some tangible capital assets used by the Authority. These assets are used by the Authority and held on behalf of or in trust for, the GNWT are not recognized by the Authority in the financial statements.

The consolidated Statement of Operations reflects the amount that would otherwise be considered amortization expense for the fiscal year as rent expense with an offsetting corresponding amount as a grant in-kind revenue.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

2. Significant Accounting Policies (continued)

(f) Revenue Recognition

Government Transfers

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the consolidated statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

GNWT - Regular Contributions

The regular contributions from the GNWT are determined by a funding formula, based on student enrolment, and are received in monthly installments. YCS retains surpluses and are responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Local Tax Revenue (property tax requisitioned)

The *Education Act*, by virtue of Section 136(2), empowers a Board of Education to determine the amount, after taking into consideration territorial grants and other revenues, that is to be requisitioned from the municipality within the territory under the jurisdiction of the Board. This requisitioned amount is one portion of the property tax paid annually by property owners.

The City of Yellowknife is advised subsequent to the adoption of the budget of the amount of the requisition of the YCS and is responsible for the collection of taxes.

Section 136(4) of the *Education Act* requires the amount requisitioned to be paid to the YCS in equal quarterly installments on or before the first day of the months of June, September, December and March.

Other Contributions

YCS follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

2. Significant Accounting Policies (continued)

(f) Revenue Recognition (continued)

Other Revenues

Tuition fees revenue is recognized as educational services are provided. Revenue from rentals is earned as the facilities are used. Other revenues are recorded as the service is provided and receipt is reasonably assured.

Deferred Revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenues when the eligible expenses are incurred.

Investment Income

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

Special Purpose Funds

School activity funds which are fully controlled by YCS with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples may include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than YCS are not included even if custody of the funds are held by YCS. Examples of excluded funds might be student clubs or associations for which YCS has no on going responsibility of liability for losses.

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Education Authorities prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Authority and the budget is legally adopted by a motion of the Board in accordance with Section 135 (3) of the *Education Act*.

The budget is legally adopted by a motion of the Board which also establishes a tax levy to support the approved budget in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenues and expenses for the Operating fund surplus along with estimates of source and application for the Investment in tangible capital assets fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the YCS.

The budget may be amended within a given fiscal year in accordance with Board policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

2. Significant Accounting Policies (continued)

(h) Measurement Uncertainty

The preparation of consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenues and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by YCS are treated as expenses during the year of acquisition and are not recorded on the consolidated Statement of Financial Position.

(j) Payroll Liabilities

Payroll costs for teachers are accrued for July and August. Payroll costs for members of the Union of Northern Workers ("UNW") and employees who work for 10 and 11 months during the fiscal year are accrued as appropriate.

(k) Employee Future Benefits

i) Post-employment benefits

YCS provides post-employment benefits for certain employees pursuant to certain contracts and collective agreements. These include removal assistance, severance, long and short term disability, and sick leave.

Teachers and UNW employees leaving Yellowknife within one year of the date of resignation, after completing a minimum of two years experience with YCS, will receive removal assistance of \$1,500 plus \$400 for each year of consecutive service with YCS, excluding years on deferred salary leave. Teachers who leave the employment of YCS after twenty years of consecutive service will receive an additional payment of \$2,000. This benefit is considered to vest and accumulate. YCS recognizes a liability and expense for this post-employment benefit in the period in which teachers and UNW employees render services to YCS.

YCS recognizes a liability and an expense for post-employment benefits and compensated absences that do not vest or accumulate when the event that obligates YCS occurs. This includes benefits to employees in the event of an accident or injury. The benefit would be accrued when the accident or injury occurs.

ii) Sick leave

Sick leave benefits accumulate but do not vest and are normally paid only upon an illness or injury-related absence. Such benefits are obligations and would be recognized. The actuarial company hired by the GNWT conducted a review and has estimated the sick leave obligation as at June 30, 2022.

2. Significant Accounting Policies (continued)

(k) Employee Future Benefits (continued)

iii) Pensions

Prior to May 1, 2013 all indeterminate full-time employees had the option to participate in a Defined Contribution (DC) pension plan. YCS contributions to this plan were recognized as an expense on a current year basis and represented YCS total pension obligations.

Effective May 1, 2013 the YCS added a Defined Benefit (DB) provision to the Pension Plan for the employees of Yellowknife Catholic Schools. The pension benefits under the DB provision are reported on an actuarial basis. This is done to determine the current value of future entitlements and uses various assumptions. When actual experience varies from assumptions, the resulting gains or losses are amortized on a straight line basis over the estimated average remaining service lives of the contributors.

(l) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed. Transfers include entitlements and grants and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

(m) Foreign Currency Translation

Foreign currency transactions are to be translated in Canadian dollars. Revenues and expenses denominated in a foreign currency are reported at a rate in the date of the transaction. Monetary items that have yet to be settled at the exchange rate are translated at the exchange rate in effect on the date of financial statements. Exchange gain or loss resulting from foreign exchange rate would be accounted for in the financial statements.

(n) Employee Benefit Plans

The YCS contributes 100% of the premiums related to life insurance, long-term disability insurance and extended health care benefits for eligible employees, in accordance with negotiated salary agreements and employment practices. In addition, the YCS contributes 100% of the premiums related to dental insurance in accordance with negotiated salary agreements and employment practices. Employee and employer contributions are made on behalf of all employees for statutory federal deductions related to Canada Pension Plan and Employment Insurance.

(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

2. Significant Accounting Policies (continued)

(o) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organize or radioactive material or live organism that exceeds an environmental standard. A liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met: an environmental standard exists; contamination exceeds the environmental standard; YCS is directly responsible or accepts responsibility and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available as at June 30, 2022.

At each financial reporting date, Management reviews the carrying amounts of the liability. Any revisions required to the amount previously recognized are accounted for in the period revisions are made. Management at YCS has concluded that there is no contamination that exceeds environmental standards and as a result there are no liabilities for contaminated sites.

(p) Net Assets

YCS's financial statements are presented so as to highlight net financial assets (net debt) as the measurement of financial position. The net financial assets (net debt) of YCS is determined by its financial assets less its liabilities. Net debt combined with non-financial assets comprises a second indicator of financial position, accumulated surplus.

2. Significant Accounting Policies (continued)

(q) Segment Disclosure

The Schedule of Operating Fund - Detail of Expenses has been prepared in accordance with PS Handbook Section PS2700 - Segment Disclosures. The segments selected are to enable users to better understand the government reporting entity and the major revenue and expense activities of the Board. For each reported segment, revenues and expenses represent amounts directly attributable to each segment. Segments include:

School Programs: pertains to the provision of instructional services that fall under the basic public education mandate.

Inclusive Schooling: pertains to access to quality education for all students by effectively meeting their diverse needs.

Operations and Maintenance: pertains to the operations and maintenance of all YCS buildings and facilities.

Board Administration: pertains to the provision of board governance and central office administration.

Indigenous Languages and Culture: pertains to indigenous language resource development, support of language teachers and community engagement.

Transfers and others: pertains to amortization, debenture interest and gain or loss on sale (disposal) of tangible capital assets.

Jordan's Principle: pertains to the provision of products, services and supports related to health, social, and educational needs of the First Nations students at YCS.

3. Future Accounting Changes

Asset Retirement Obligations, Proposed Section PS 3280

This section will be effective for fiscal years beginning on or after April 1, 2022 and it intended to enhance comparability of financial statements among public sector entities by establishing uniform criteria for recognition and measurement of asset retirement obligations, including obligations that may not have previously been reported. This section would require public sector entities to review existing contract, legislation, regulations, and other resources to identify retirement activities associated with its controlled tangible capital assets.

Revenue, Section PS 3400

This section establishes standards on how to account for and report on revenues. Specifically, it differentiates between revenues arising from transactions that include performance obligations, referred to as "exchange transactions", and transactions that do not have performance obligations, referred to as "non-exchange transactions". This section applies to fiscal years beginning on or after April* 1, 2023. Earlier adoption is permitted.

Yellowknife Catholic Schools

Notes to Consolidated Financial Statements

June 30, 2022

3. Future Accounting Changes (continued)

Public Private Partnerships PS 3160

This section establishes standards on accountin for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. The private sector partner's obligations include requirements to:

- (a) design, build, acquire or better new or existing infrastructure;
- (b) finance the transaction past the point where the infrastructure is ready for use; and
- (c) operate and/or maintain the infrastrucutre.

This standard is applicable only to those Education Bodies that are able to acquire, and required to report, tangible capital assets in its financial statements.

4. Cash and Cash Equivalents

	2022	2021
Cash and cash equivalents	\$ 11,197,498	\$ 10,622,607

The cash is held in a bank account with the Canadian Imperial Bank of Commerce ("CIBC") and is invested with the GNWT's investment pool.

5. Special Purpose Funds

YCS does not have special purpose funds.

6. Restricted Assets

YCS does not have any restricted assets.

7. Portfolio Investments

YCS does not have any portfolio investments.

Notes to Consolidated Financial Statements

June 30, 2022

16 Pensions

(a) Defined Contribution Plan

Since January 1, 1966 Yellowknife Catholic Schools indeterminate staff have had the option to participate in a voluntary Defined Contribution (DC) pension plan. Since January 1, 1988, that participation has been in the Pension Plan for the Employees of Yellowknife Catholic Schools (the Plan).

All DC assets of the Plan are held by a Trustee in favour of individual employees. The only obligation to YCS is to match employee contributions. YCS fully funds its DC obligation under the Plan each month. YCS did not have any liability under the DC provision of the Plan as of June 30, 2022.

Effective May 1, 2013 teaching and non-union staff could no longer contribute to the DC provision. Instead all indeterminate teaching and non-unionized staff joined a new Defined Benefit (DB) provision of the Plan. Effective July 1, 2013, all indeterminate unionized non-teaching staff also ceased to make contributions to the DC provision and joined the DB provision of the Plan. After July 1, 2013, there are no employees making contributions to the DC provision.

DC assets of the Plan will continue to be held in Trust for the individual employees unless they either elect to transfer their DC account to the DB provision or leave the employment of Yellowknife Catholic Schools.

No assets or liabilities related to the DC provision are recorded in the consolidated financial statements of Yellowknife Catholic Schools.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

16. Pensions (continued)

(b) Defined Benefit Plan

Effective May 1, 2013 a Defined Benefit (DB) provision was added to the Pension Plan for the Employees of Yellowknife Catholic Schools.

Summary of Defined Benefit provision:

Each permanent full-time employee, belonging to an eligible class of employees, automatically becomes a Member of the plan as of the first day of employment with YCS.

Each permanent part-time employee, belonging to an eligible class of employees, automatically becomes a Member of the plan if the employee earns at least 37% of the equivalent full-time earnings for his or her particular position.

All Members and the Employer have agreed to share the cost of benefits accrued annually, plus the administrative expenses of the DB plan in the following ratio:

- Employer 52.38%
- Employee 47.62%

Members are required to make contributions at 8.80% of earnings below the Year's Maximum Pensionable Earnings (YMPE) and 11.60% of earnings above YMPE. The YMPE for the 2022 calendar year is \$64,900 (2021 - \$58,700).

The employer must contribute to the DB pension trust fund each year no less than its portion of the total current service cost as determined by the Actuary. In addition, YCS shall contribute to the Solvency Account such additional amounts as may be required, based on the advice of the Actuary, to amortize any going concern unfunded liabilities and solvency deficiencies of the Plan.

Normal retirement date for an employee is when they terminate employment with YCS having reached the age of 65. An employee would be entitled to an unreduced early retirement date when the Members' age plus years of service at YCS total 90. A Member may elect to retire up to 10 years prior to their normal retirement date or their unreduced retirement date and take a reduced pension benefit.

The annual pension payable to Member who retires at the normal retirement date is equal to 1.30% of the Member's Best Average Pensionable Earnings up to the Average YMPE plus 2% of the Member's Best Average Pensionable Earnings in excess of the Average YMPE, multiplied by years of Pensionable Service. Pensionable Earnings and the YMPE are averaged over the best 10 years prior to termination, death or retirement.

The plan provides inflation protection during retirement at 75% of the increase in the Northwest Territories Consumer Price Index.

Benefits are vested immediately.

During fiscal 2021/2022 Yellowknife Catholic Schools contributed \$1,688,900 (\$1,649,899 in fiscal 2020/2021) in respect of DB accruals.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

16. Pensions (continued)

(b) Defined Benefit Plan (continued)

The date of the most recent actuarial valuation of the Plan is June 30, 2021, and extrapolated to June 30, 2022. The Accrued Benefit Obligation was calculated using the projected unit credit method, pro-rated on service.

The DB Pension Trust fund assets are recorded at fair market value.

(c) Supplementary Defined Benefit Pension Plan

The supplementary plan applies to the Superintendent and the Assistant Superintendents. The supplementary plan provides a pension benefit for pensionable earnings in excess of the defined benefit limit set out in the *Income Tax Act*. This plan is a non-contributory plan and is not funded until the employee terminates their employment from Yellowknife Catholic Schools. The employer is responsible to provide a pension at retirement equivalent to what the employee would have earned under the Defined Benefit provision of the Pension Plan for the Employees of Yellowknife Catholic schools if there were no *Income Tax Act* maximum pension limits in place. The accrued benefit obligation was calculated using the projected unit credit method, pro-rated on service.

June 30, 2022

18. Post-Employment Benefits and Compensated Absences

In addition to pension benefits, the YCS provides severance, removal and compensated absence (sick, accident or injury, special) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to YCS employees based on the appropriate combinations that include inputs such as when the employee was hired, the rate of pay, and the number of years of continuous employment. Removal benefits are paid to YCS employees based on the number of years of continuous employment. The benefits under these two categories were actuarially valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness, and death of an immediate family member. Non-accruing benefits include maternity. Benefits that accrue under compensated absence were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2022. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

Reconciliation of Accrued Benefit Obligation

	Severance and removal	Compensated absences	2022	2021
Accrued benefit obligation, beginning of year	\$ 576,278	\$ 334,730	\$ 911,008	\$ 1,025,838
Current service cost	48,919	25,884	74,803	77,536
Interest cost	19,565	11,438	31,003	28,226
Benefits paid	(44,700)	(28,033)	(72,733)	(103,594)
Plan amendments	48,459	-	48,459	
Actuarial gains/losses	(73,695)	(57,152)	(130,847)	(116,998)
Accrued benefit obligations, end of year	574,826	286,867	861,693	911,008
Unamortized net actuarial gain/loss	(48,266)	55,443	7,177	(166,129)
Accrued benefit liability	\$ 526,560	\$ 342,310	\$ 868,870	\$ 744,879

23. Contractual Obligations

YCS has entered into agreements for, or is contractually committed to, the following expenses payable subsequent to June 30, 2022.

YCS is committed to four janitorial contracts for various schools and buildings. All of the contracts expire in June 2023. YCS has a contract with First Canada ULC (o/a First Student Canada) for student transportation. The five year contract was implemented in September 2021, expiring August 2026. YCS has various contracts for anti-virus software, courier services, elevator maintenance, employee assistance, primary rate interface (PRI) phone service, photocopiers, and postage machines.

The future minimum payments are as follows.

	Expiry Date	2023	2024	2025	2026+	Total
Anti-virus software	August 2023	\$ 557	\$ -	\$ -	\$ -	\$ 557
Courier services	June 2023	7,031	7,031	-	-	14,062
Janitorial	June 2023	714,582	-	-	-	714,582
PRI Lines	June 2024	13,264	13,264	13,264	-	39,792
Photocopier	May 2023	298	298	-	-	596

Student bussing	August 2026	370,421	382,109	393,797	393,797	1,540,124
		\$ 1,106,324	\$ 402,873	\$ 407,232	\$ 393,797	\$ 2,310,226

Yellowknife Catholic Schools have collective agreements with the Northwest Territories Teachers' Association and the Public Service Alliance of Canada as represented by its agent the Union of Northern Workers. A one-year agreement with the Northwest Territories Teachers' Association was signed for the period from September 2020 to August 2021. The Authority is currently in negotiation with NWTTA on a new collective agreement. A three-year agreement with the Public Service Alliance of Canada as represented by its agent the Union of Northern Workers was signed for a period from July 2019 to June 2022.

24. Contingencies

The Authority does not have any contingencies.

Dehcho Divisional Education Council	-	600

26. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenues and expenses for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of YCS.

The budget figures presented are those approved by the Trustees of YCS on June 16, 2021 and have not been audited.

27. Economic Dependence

YCS receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that YCS operations would be significantly affected.

28. Risk Management

YCS is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the YCS's financial instruments is provided by type of risk below.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

28. Risk Management (continued)

(a) Credit risk

Credit risk is the risk of financial loss to the YCS if a debtor fails to make payments of interest and principal when due. The YCS is exposed to this risk relating to its cash and cash equivalents, due from the Government of Canada, and accounts receivable. The YCS holds its cash in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the YCS's cash in accounts are insured up to \$300,000.

Credit risk related to accounts receivable is mitigated by controls over arrears accounts for ultimate collection and policies in place for debt collection. YCS's maximum exposure to credit risk at June 30, 2022 is as follows:

	2022
Cash and cash equivalents	\$ 11,197,498
Due from the Government of Canada	79,671
Accounts receivable	29,044
Maximum credit risk exposure	<u><u>\$ 11,306,213</u></u>

At June 30, 2022, the following accounts receivable were past due but not impaired.

	30 days	60 days	90 days
\$	23,011	\$ -	\$ 4,068

At June 30, 2022, YCS does not have any impaired accounts receivable.

YCS does have concentration of credit risk in its accounts receivable. Concentration of credit risk is the risk that a customer has more than ten percent of the total accounts receivable balance and thus there is a higher risk to YCS in the event of a default. At June 30, 2022, receivables from one (2021 - one) customer(s) comprised 36% (2021 - 46%) of the total outstanding receivable. YCS reduces this risk by monitoring overdue balances.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and method used to measure the risk.

(b) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in interest rates. YCS has exposure to interest rate risk on its long-term debt of \$287,756 (2021 - \$404,460) may be adversely affected by a change in the interest rates.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and method used to measure the risk.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2022

28. Risk Management (continued)

(c) Liquidity risk

Liquidity risk is the risk that the YCS will not be able to meet all cash outflow obligations as they come due. The YCS mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The table below shows when various financial assets and liabilities mature.

Financial assets	Up to 6 months	6 months to 1 year	1 to 5 years	Over 5 years
Cash and cash equivalents	\$ 11,197,498	\$ -	\$ -	\$ -
Due from the government of Canada	79,671	-	-	-
Accounts receivable	29,044	-	-	-
Total assets	\$ 11,306,213	\$ -	\$ -	\$ -
Total assets - prior year	\$ 10,802,382	\$ -	\$ -	\$ -
Financial liabilities	Up to 6 months	6 months to 1 year	1 to 5 years	Over 5 years
Accounts payable and accrued liabilities	\$ 831,823	\$ -	\$ -	\$ -
Due to the Government of Canada	-	-	-	-
Long-term debt	57,445	58,004	172,307	-
Accrued payroll liabilities	3,417,327	-	-	-
Total liabilities	\$ 4,306,595	\$ 58,004	\$ 172,307	\$ -
Total liabilities - prior year	\$ 3,366,214	\$ 61,990	\$ 284,460	\$ -
Net total	\$ 6,999,618	\$ (58,004)	\$ (172,307)	\$ -
Net total - prior year	\$ 7,436,168	\$ (61,990)	\$ (284,460)	\$ -

There have been no significant changes from the previous year in the exposure to risks or policies, procedures, and methods used to measure the risks.

34. Contingent Assets

YCS does not have any contingent assets.

35. Contractual Rights

YCS has entered into a number of contracts that will become assets and revenues in the future when the terms of the contracts are met:

	2023	2024	2025	2026 and beyond	Total
Jordan's Principle	\$ 5,050,695	\$ -	\$ -	\$ -	5,050,695
Tallah Building	123,066	123,066	123,066	369,198	738,396
Core Funding	20,264,913	-	-	-	20,264,913
	\$ 25,438,674	\$ 123,066	\$ 123,066	\$ 369,198	\$ 26,054,004

YCS has entered a rental agreement with Aurora College for the rental of the Tallah Building. The lease agreement expires on June 30, 2028.

36. COVID-19

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Authority's environment and in the global markets due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) have had a material impact on the Authority's operations.

To mitigate the risk of virus spreading in the community, the schools were required to close for a period of time during the year. This has led to temporary suspension in the delivery of some services outlined per the funding agreements, which resulted in a large portion of funding being deferred to the subsequent fiscal period. To address the challenges posted by the pandemic, the Authority has received \$1.07 million additional funding from the Department of Education, Culture and Employment during the year, the purpose of which was to provide COVID-19 related cost offsets for the reopening of schools in the fiscal year. The unused portion will continue to be used in the subsequent fiscal periods to fund COVID-19 related expenses.

On April 1, 2022, the Northwest Territories' Chief Public Health Officer lifted all COVID-19 public health orders.

- Focus-of-staff-should-be-on-Education-mandate-not-landlord

Thank-you-to-realtors-Rod-Stirling-and-Jim-Weller-from-Coldwell-Banker-for-their-work-on the-sale-of-Nordic-Arms

Operating-Environment

YK1 operates six schools in the city of Yellowknife, and provides superintendency services to K'alemi Dene School in Ndilo and Kaw-Tay-Whee School in Dettah. The following lists key programs at YK1 schools:

N.J. Macpherson School (JK-5)

- N.J. Macpherson School (NJM) is a JK-5 school with a strong numeracy and literacy focus, offering English programming for Grades JK-5 students, Montessori programming for JK-5 students, and Core French for 1-5 students.
- Special programs include physical education, visual arts, music, drama, a strong recycling program, extracurricular sports, clubs, and after-school programs.
- Indigenous language and culture is integrated into classroom sessions. Indigenous Culture Camps are held throughout the year.
- The school has an active Parent Advisory Council.

École-İtt'ò (JK-5)

- École-İtt'ò (EI) is YK1's newest school, scheduled to open to students on August 29, 2022. The school offers a 100%, fully-immersive French learning environment for JK-Grade-5 students.
- Special programming includes choir, musical theatre, afterschool athletics, and a speed skating academy. Afterschool activities include judo, soccer, improvisation, painting, chess, and choir.
- Indigenous language and culture is integrated into classroom sessions.
- Indigenous Culture Camps are held throughout the year. -Cours-d' enquêtes en plein-air (CEPA); - (Forest/nature school practice)
- An annual four-day French Language and Culture Camp, 'Camp-de-neige', is held at the Yellowknife Ski Club.

Mildred Hall School (JK-8)

- Mildred Hall School (MHS) is an English school which also offers Core French and Wilłideh language courses.
- The school offers courses as well as traditional games classes for Grades 2-8 students, and jiggging for JK-Grade-2 students.
- The Birchbark Discovery Centre is a community project, and land-based education program for children in Grades 1-6.
- Extracurricular activities include team sports, fine arts, guitar, fiddling, choir, and band instruments. Alternative sports include fat-biking, cross-country skiing,

snowshoeing, and rollerblading. Alternative options include jigging and traditional games.

- Forest School: With many trained staff, students have the opportunity to take their learning outdoors, using the natural environment to further their learning and incorporating the Inuktitut language into land-based learning experiences.
- A breakfast, snack, and hot lunch program is available. The school has a large garden where students grow vegetables used in the food program.
- Positive Behavioural Interventions and Support (PBIS) is a proactive approach the school uses to support behavior.

École-William-McDonald-Middle-School-(6-8)

- École-William-McDonald-Middle-School (EWMS) offers programming for Grades 6-8 students in English, Intensive French, Post-Intensive French, Core French, and French Immersion.
- Exploratory programs include industrial arts, culinary arts, fine arts, technology studies, and outdoor education.
- WMS's Sports Academy includes hockey, soccer, and athletics. The school's fitness room has also been renovated recently.

Range-Lake-North-School-(JK-8)

- Range-Lake-North-School (RLN) offers English programming for Grade JK-Grade 8 students, Intensive French for Grade 6 students, Post-Intensive French for Grade 7 and 8 students, Core French for Grade 1-6 students, excluding Grade 5 students who participate in Pre-Intensive French camps.
- Student Options Program: Grade 6-8 students can choose from a variety of six-week-long sessions, including technology, sports, outdoor pursuits, music, martial arts, and yoga.
- Indigenous language and culture is integrated into classroom sessions. Indigenous Culture Camps are held throughout the year.
- Special programs include music, band, choir, and drama. Advanced technology and robotics programs are offered in a Makerspace environment.
- Extracurricular sports programs encompass many activities, including snowboarding, hiking, skiing, and biking.
- Sustainable living projects include an active chicken coop, outdoor gardens, aquaponics, and an observatory beehive.
- The school is supported by an active and involved Parent Advisory Committee that organizes a large annual fundraising event, "Family Fun Night", with proceeds supporting student activities.

École-Sir-John-Franklin-High-School-(9-12)

- École-Sir-John-Franklin-High-School-(ESJF)-offers-programming-from-Grades-9-to-12-in-English,-Core-French,-Post-Intensive-French,-and-French-Immersion.
- The-school-offers-a-dynamic-fine-arts-program-which-includes-music,-band, choir,-drama,-drama-tech,-and-visual-arts.
- An-extensive-trades-curriculum-and-work-experience-program-includes industrial-arts,-automotive-class,-culinary-arts,-robotics,-and-esthetics.
- SJF-offers-Indigenous-culture-programming-and-camps,-including-Wííłídeh language-instruction.
- Sports-Academy:-ESJF's-successful-sports-academy-focuses-on-volleyball, basketball,-and-high-performance-training.-Extra-curricular-sports-and-clubs-are also-offered.
- Supports-and-resources-are-available-to-students-struggling-in-school,-socially, or-at-home.
- National-and-international-travel-opportunities-are-available-to-students, including-volunteering,-scuba-club,-and-cultural-experiences.
- Night-classes-(Monday-to-Thursday-from-6:00-to-9:00-p.m.)-are-available-on-site.
- Alternate-programming-(the-Route-51-Learning-Institute)-is-available-during-the day-(10:00-a.m.-to-4:00-p.m.)-off-site.-Courses-are-offered-in-a-modular-based format.

Route-51-Learning

Route-51-Learning-Institute-is-an-alternate-high-school-program,-which-offers:

- a-flexible-schedule-designed-to-accommodate-students
- credits-for-work-experience
- smaller-student-to-teacher-ratio,-and-students-can-focus-on-one-course-at-a time

Financial-Condition

Revenues-Chart

Revenues

GNWT-ECE	31,879,913
GNWT-Other	110,425
City-of-YK-(Property-Taxation)	6,866,094
Rental	241,010
Sale-of-Building	2,051,030
Investment	115,661
Other-Education-Bodies	265,282
Jordan's-Principle	3,150,941
School-Generated-Funds	162,258
Other	146,683
Total-Revenues	<u><u>44,989,297</u></u>

Other-revenue-items-include-a-Federal-capital-contribution-for-a-Greenhouse-Gas (GHG)-Grant-of-\$1,063,233.

Funding from the Department of Education, Culture and Employment (ECE) makes up 70.9% of YK1's revenues. Property taxation revenue is 15.3%, Jordan's Principle is 7.0%. Rental Revenue includes rental income and sale proceeds of Nordic Arms Apartment Building. GHG Grant is federal funding for the installation of pellet boilers at Range Lake North School and Mildred Hall School. The remainder is generated from investment income, school-generated funds (trust), other education bodies (superintendent services, enrolment transfer), other revenue, which includes various contributions for Schools, and District Office parking lot rentals.

Expenses

Expenses-(excluding-amortization)

Yellowknife District No. 1 Education Authority

(the "Authority")

Management Responsibility for Financial Reporting

To the Minister of Education, Culture and Employment Government of the Northwest Territories

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted are the responsibility of management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards ("CPSAS") as well as the Financial Administration Manual ("FAM") and the Financial Administration Manual for Education Authorities ("FAMEA") of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Yellowknife District No. 1 Education Authority have been conducted within the statutory powers of the Authority. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Authority's Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in material respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

Jameel Aziz
Superintendent of Education / CEO

Director of Corporate Services
Yellowknife District No. 1 Education Authority

Independent Auditors' Report

To the Minister of Education, Culture and Employment Government of the Northwest Territories

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of the Yellowknife District No. 1 Education Authority (the "Authority"), which comprise of the consolidated statement of financial position as at June 30, 2022, consolidated statements of operations, changes in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Yellowknife District No. 1 Education Authority as at June 30, 2022, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Restated Comparative Information

We draw attention to Note 37 to the consolidated financial statements, which explains that certain comparative information presented for the year ended June 30, 2021 has been restated. Our opinion is not modified in respect of this matter.

Other Information

Management is responsible for the other information. The other information comprises the Management Discussion and Analysis, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditors' Report (Continued)

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Authority's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditors' Report (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Compliance with Specified Authorities

In conjunction with the audit of the consolidated financial statements, we have audited transactions of the Authority coming to our notice for compliance with specified authorities. The specified authority against which compliance was audited is the Government of the Northwest Territories - Department of Education, Culture and Employment.

In our opinion, the transactions of the Authority that came to our notice during the audit of the consolidated financial statements have complied, in all material respects, with the specified authorities referred to above.

Management is responsible for the Authority's compliance with the specified authorities named above, and for such internal control as management determines is necessary to enable the entity to comply with the specified authorities.

Our audit responsibilities include planning and performing procedures to provide an audit opinion and reporting on whether the transactions coming to our notice during the audit of the consolidated financial statements are in compliance with the specified authorities referred to above.

June 30, 2022

1. Nature of the Organization

The Yellowknife District No. 1 Education Authority (the "Authority"), was established by the *Education Act* of the Government of the Northwest Territories ("GNWT"). Its purpose is to administer and maintain the standards of education programs defined under the *Education Act* in the City of Yellowknife.

The Authority is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees ("the Board") has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the Authority includes all aspects of operation and management relating to Public Education within the boundaries of the City of Yellowknife. The Board is the lowest (and sole) level of government exercising oversight responsibility. The financial statements of the Authority are not included in the financial statements of the City of Yellowknife as the Authority trustees are a separate governing body that is not under the control of the City of Yellowknife. The City of Yellowknife, however, does collect and remit property taxes requisitioned by the Authority.

2. Significant Accounting Policies

a) Basis of Accounting

The financial statements of the Authority have been prepared in accordance with Canadian Public Sector Accounting Standards ("PSAS") as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada.

The financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

June 30, 2022

2. Significant Accounting Policies (Continued)

b) Reporting Entity

These consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Authority and which are controlled by the Authority.

School generated funds, which include the assets, liabilities, revenues, and expenses of various schools and which are controlled by the Authority are reflected in the consolidated financial statements.

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

c) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

June 30, 2022

2. Significant Accounting Policies (Continued)

d) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets measured at amortized cost include cash, portfolio investments, accounts receivable, due from Government of Canada, and deposit in trust.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, payroll liabilities, vacation payable, contribution repayable, and environmental liabilities.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

e) Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the operating surplus (deficit), provides the change in net financial assets for the year.

June 30, 2022

2. Significant Accounting Policies (Continued)

f) Tangible Capital Assets

Tangible capital assets with a cost lower than a threshold value of \$50,000 will be expensed in the year of acquisition or amortized at a rate of 100%. Assets with an acquisition value more than \$50,000 are capitalized and amortized using the straight-line method.

Asset Category	Amortization Period:
Land and improvements	Indefinite
School and Other Buildings	40 years
Equipment and furnishings	4 - 10 years

All capital facilities planning and construction undertaken by the Authority, excluding the Administration Building, are funded by the Government of the Northwest Territories and subject to their capital planning and approval process. Capital contributions received but not spent at year end, are recorded as deferred revenue.

The GNWT may contribute some tangible capital assets to the Authority. The contributed tangible capital assets are recorded at fair value at the date of contribution in the Consolidated Statement of Financial Position, with a corresponding amount as a contribution revenue in the Consolidated Statement of Operations.

The GNWT retains ownership of some tangible capital assets used by the Authority. These assets are used by the Authority and held on behalf of, or in trust for, the GNWT are not recognized by the Authority in the Consolidated Statement of Financial Position.

The Consolidated Statement of Operations reflects the amount that would otherwise be considered amortization expense for the fiscal year as rent expense with an offsetting corresponding amount as a grant in-kind revenue for the assets provided at no cost.

June 30, 2022

2. Significant Accounting Policies (Continued)

g) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the Consolidated Statement of Operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital asset are recognized as acquired or built.

GNWT - Regular Contributions:

The regular contributions from the Government of the Northwest Territories ("GNWT") is determined by a funding formula, based on student enrolment and price and volume fluctuation, and is received in monthly installments. The Authority retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the Government of the Northwest Territories.

June 30, 2022

2. Significant Accounting Policies (Continued)

Local Tax Revenue:

The *Education Act of the Northwest Territories*, by virtue of Section 136(2), empowers a Board of Education to determine the amount, after taking into consideration territorial grants and other revenues, that is to be requisitioned from the municipality within the territory under the jurisdiction of the Board. This requisitioned amount is one portion of the property tax paid annually by property owners. The City of Yellowknife is advised subsequent to the adoption of the budget of the amount of the requisition of the Authority and is responsible for the collection of taxes.

Other Contributions:

The Authority follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenues when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenues in the year in which the related expenses are incurred.

Revenue from rentals is earned as the facilities are used. Other revenues are recorded as the service is provided and receipt is reasonably assured.

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenues when the eligible expenses are incurred.

Investment Income:

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

June 30, 2022

2. Significant Accounting Policies (Continued)

School Generated Funds

School generated funds are generated at the school level from fundraising, which may include the proceeds of fundraising, contributions or fees paid to a specific planned benefit. These revenues are recorded when received.

h) Budget Data

The *Education Act* of the Northwest Territories requires that Boards of Education prepare an annual budget, as outlined in Section 128 and 129.

The final priorities and funding allocations are determined by the Board of Trustees at a special meeting called for the purposes of reviewing budget proposals, recommending changes, additions or deletions and adopting the proposed budget.

The budget is legally adopted by a motion of the Board which also establishes a tax levy to support the approved budget in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2)k, l and m of the *Education Act*.

This annual budget includes estimates of revenues and expenses for the Operating fund surplus (deficit) along with estimates of source and application for the Investment in tangible capital assets fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Board.

The budget may be amended within a given fiscal year in accordance with Board policy, regulations and approved budget procedures. The budget data presented in the financial statements reflects the the original Minister approved budget for the school year. Schools carry forward surplus or deficit amounts from their school budgets.

June 30, 2022

2. Significant Accounting Policies (Continued)

i) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the amounts of revenues and expenses during the period. Actual results could differ from these estimates.

j) Inventories Including Materials and Supplies

Supplies inventory held for consumption or use are recorded at the lower of historical cost and replacement cost.

k) Payroll Liabilities

Payroll costs for teachers are accrued for July and August.

l) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include, sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

m) Expenses

Expenses are recorded on an accrual basis. The cost of all goods consumed and services received during the year is expensed. Transfers include grants and contributions and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

June 30, 2022

2. Significant Accounting Policies (Continued)

n) Foreign Currency Translation

Foreign currency transactions are to be translated in Canadian dollars. Revenues and expenses denominated in a foreign currency are reported at a rate in the date of the transaction. Monetary items that have yet to be settled at the exchange rate are translated at the exchange rate in effect on the date of the consolidated financial statements. Exchange gain or loss resulting from foreign exchange rate would be accounted for in the consolidated financial statements.

o) Fund Accounting

The Authority uses fund accounting to separate transactions between its Operating fund surplus, Investment in tangible capital assets, decentralized surplus, capital fund reserve, the LED reserve, the Pellet Boiler reserve, and school generated funds.

Operating Fund Surplus

The Operating fund surplus is the general operating fund of the Authority in which all transactions concerned with current operations are recorded. Substantially all territorial, local (primarily property tax), and other operating revenue is accounted for in the Operating fund surplus. In accordance with accounting principles that are considered appropriate for organizations of this type, tangible capital assets acquired and debenture debt repayment that are financed with operating funds are treated as expenses in the Operating fund surplus and then transferred to the Investment in tangible capital asset fund. The Operating fund also accounts for expenses and contributions to or from other funds (transfers) which provide for day-to-day operations. In summary, the Operating fund surplus is used to account for all financial activities except those accounted for in the Investment in tangible capital assets fund and decentralized surplus.

Investment in Tangible Capital Assets

Investment in tangible capital assets is used to account for financial transactions related to the acquisition of tangible capital assets in excess of \$50,000.

Properties are carried at cost at the date of acquisition and amortization is recorded in the accounts. The cost of additions and repayment of debentures or other long-term debt is charged to Investment in tangible capital assets. This results in a corresponding increase in the equity in tangible capital assets.

June 30, 2022

2. Significant Accounting Policies (Continued)

Capital Fund Reserve

The Capital Fund Reserve is funding set aside by the Authority for any repairs or maintenance to the district assets.

LED Reserve

The LED Lights Reserve represents the unspent portion of the ECE's utility funding since the 2014/2015 school year as a result of lower fuel costs. The reserve funds will be used for the Authority to convert current lights to LED lights which are expected to result in a decrease of at least 30% in electricity costs.

Decentralized Surplus

The decentralized accumulated surplus represents specific amounts eligible for carry-over to subsequent years for each school.

Pellet Boiler Reserve

The Pellet Boiler Reserve is the 25% (\$375,000 original, balance of \$9,964 remaining) of the estimated cost of the installation of pellet boilers for Mildred Hall School and Range Lake North School.

School Generated Funds

School generated funds are generated at the school level from fundraising, and used in a number of different ways to enhance the development of educational activities and to support school initiatives. The school generated funds are internally restricted as to purpose. Examples might include student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

A summary of school generated funds administered by the Authority is disclosed in Note 36.

p) Inter-entity transactions

Inter-entity transactions are transactions between commonly controlled entities and GNWT departments.

Inter-entity transactions are recorded at the exchange amount when they are undertaken on similar terms and conditions to those adopted if the entities were dealing at arm's length.

June 30, 2022

2. Significant Accounting Policies (Continued)

q) Related parties

The Authority initially measures related party balances in accordance with the substance of the transactions that gave rise to them. The Authority subsequently measures related party balances in accordance with the Authority's policies for financial instruments, as set out in note (d). The Authority is related in terms of common control to all Government of the Northwest Territories departments, board and agencies.

The Authority enters into transactions with these entities in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

3. Future Accounting Changes and Adoption of New Accounting Standards

For fiscal periods beginning on or after July 1, 2023, Education Bodies will be required to adopt PS 3160 Public Private Partnerships. This Section establishes standards on accounting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. The private sector partner's obligations include requirements to:

- (a) design, build, acquire or better new or existing infrastructure;
- (b) finance the transaction past the point where the infrastructure is ready for use; and
- (c) operate and/or maintain the infrastructure.

This standard is applicable only to those Education Bodies that are able to acquire, and required to report, tangible capital assets in its financial statements.

For fiscal periods beginning on or after July 1, 2022, Education Bodies will be required to adopt PS 3400 Revenue. This standard provides guidance on how to account for and report on revenues. Specifically, it differentiates between revenues arising from transactions that include performance obligations and transactions that do not have performance obligations. The impact of these standards on the consolidated financial statements is currently being assessed.

14. Capital Lease Obligations

The Authority does not have any capital lease obligations.

15. Pension

The Authority makes contributions to the Northern Employee Benefits ("NEBS") Pension Plan ("the Plan"), which is a multi-employer plan, on behalf of some members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to the NEBS pension was \$4,965,043. The contributions are calculated at a rate of 8% of earning and allowances employee and employer contribution for a total of 16%. The maximum pensionable earnings is \$193,715 as at January 2022, and \$183,838 as at January 2021. The maximum monthly contributions is \$3,420 as at January 2022, and \$3,246 as at January 2021.

NEBS is an employer owned program and as such the Authority will be liable for its portion of any shortfall. The Plan serves 3,655 Employee Members and 118 Employer Members (total active, disabled and on leave: 2,046).

As of January 1, 2022, the excess (deficiency) of actuarial value of net assets over actuarial present value of defined benefits is estimated to be \$65,900,000 - funded ratio 124% (2021 - \$45,100,000 and 118%) on a going concern valuation basis.

As of April 2004, the OSFI has exempted NEBS from compliance with the *Pension Benefits Standards Act*. On April 2015, the Legislative Assembly passed *The Northern Employee Benefits Act* (Bill 12) which was enacted October 1, 2015.

16. Long-Term Debt

The Authority does not have long-term debt.

June 30, 2022

17. Post-employment Benefits and Compensated Absences

In addition to the pension benefits, the Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Authority's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology. The Authority has included an additional severance of \$1,322,108 (2021 - \$441,757) as a plan amendment.

Valuation results

The actuarial valuation was completed as at February 11, 2022. The effective date of the next actuarial valuation is March 31, 2025. The liabilities are actuarially determined as the present value of the accrued benefits at February 11, 2022 and the results extrapolated to June 30, 2022. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Authority.

These transactions are in the normal course of operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties.

June 30, 2022

24. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenues and expenses for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Authority.

The budget figures presented are those approved by the Trustees of the Authority on June 8, 2021 and submitted to the Minister of Education, Culture and Employment. The Budget for fiscal year 2021/2022 was submitted to the minister on June 30, 2021. The budget surplus is \$nil.

25. Economic Dependence

The Authority is economically dependent on the Government of the Northwest Territories to provide funding for continued operations. If the funding arrangements were to change, management is of the opinion that the Authority's operations would be significantly affected.

June 30, 2022

26. Financial Instruments

Financial instruments consist of recorded amounts of cash, portfolio investments, due from GNWT, due from Government of Canada, other accounts receivable and deposit in trust which will result in future cash receipts, as well as accounts payable and accrued liabilities, and wages and employee deductions payable which will result in future cash outlays.

The Authority is exposed to the following risks in respect of certain of the financial instruments held:

a) Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Authority is exposed to credit risk from funding agencies and recipients of services. The Authority has a concentrated risk of credit from two other school districts, whose funding also comes from the Department of Education, Culture, and Employment. At June 30, 2022, receivables from these two districts is \$773,512 (2021 - \$515,041), which is 98% of total accounts receivable (2021 - 98%). Both districts have been current in paying the monthly invoices for their payroll costs.

There is a concentration risk in cash. The daily balance in the operating bank account is invested with the GNWT Investment Pool. The Authority is funded by Government of Northwest Territories - Department of Education, Culture, and Employment and other stable organizations, which reduces its exposure to credit risk.

b) Interest rate risk

Interest rate risk is the risk that the fair value of financial instruments will fluctuate because of changes in market interest rate. The Authority is exposed to interest rate risk on its fixed and floating interest rate on cash. The Authority complies with the GNWT financial administration policies and guidelines which reduces its exposure to interest rate risk.

June 30, 2022

26. Financial Instruments (Continued)

c) Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet all cash outflow obligations as they come due. The Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise. The Authority has disclosed future financial liabilities and commitments in Note 21.

27. Expenses By Object

	2022 Budget \$	2022 Actual \$	2021 Actual \$
Amortization	-	1,428,771	944,729
Compensation	34,427,644	35,074,826	33,664,427

31. Contingent Assets

The Authority does not have contingent assets.

32. Contractual Rights

The Authority has entered into a number of contracts that will become assets and revenues in the future when the terms of the contracts are met:

The Authority is approved for the Greenhouse Gas (GHG) emissions reduction grant of \$1,125,000, which is 75% of the cost to install pellet boilers at Range Lake North School and Mildred Hall School. The GHG grant is jointly funded by the Government of Canada and the GNWT in support of the Pan-Canadian Framework on Clean Growth and Climate Change, and is an action identified in the 2018-2021 Energy Action Plan. The Authority has created a separate reserve of \$350,000 back in fiscal year 2019/2020, representing 25% of the cost of the Project. The Project started in fiscal year 2020/2021 and total costs paid as of June 30, 2022 is \$1,460,144. Estimated remaining costs to be paid in fiscal year 2022/2023 is \$39,856. The Department of Infrastructure is managing the Pellet Boiler Project as per the Memorandum of Understanding with the Authority. One of the requirements is for the Authority to send to the Department of Infrastructure the full estimated cost of the project of \$1,457,500 as a "deposit in trust". The balance at June 30, 2022 of deposit in trust is \$39,856. The pellet boilers are installed and operational. The balance remaining is to pay for the holdback and any deficiencies. All expenditures are to be completed by March 2023.

The Authority is approved for the Jordan's Principle funding up to March 31, 2024. Jordan's Principle funding is for First Nations children in Canada to receive the services and supports they need. Funding can help with a wide range of health, social, and educational needs. The majority of the funding is used to hire educational assistants.

Contracting Parties	Description of Contract	Expiry Date	2023 \$	2024 \$	Total \$
Government of Canada	Jordan's Principle	March 2024	3,030,685	1,969,704	5,000,389

June 30, 2022

33. Environmental Liabilities

The Authority contracted Associated Environmental to complete a Hazardous Building Materials Assessment on all of the Buildings owned and managed by the Authority in 2018. The final reports are completed and a Hazardous Materials management plan is put in place. Liabilities discovered as a result of the assessment were communicated to the GNWT Department of Education, Culture, and Employment. The abatement for Sir John Franklin High School was completed by the GNWT in March 2018, and the abatement for the maintenance building was completed in March 2019. A liability totaling \$179,651 has been recorded for the asbestos abatement of the Mildred Hall School and William McDonald School (2021 - \$935,901). Management will continue to monitor these buildings under the Hazardous Materials management plan.

June 30, 2022

35. Risk Management

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Authority's environment and in the global markets due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) have had a material impact on the Authority's operations.

To mitigate the risk of virus spreading in the community, the schools were required to close for a period of time during the year. This has led to temporary suspension in the delivery of some services outlined per the funding agreements, which resulted in a large portion of funding being deferred to the subsequent fiscal period. To address the challenges posted by the pandemic, the Authority has received \$2.3 million additional funding from the Department of Education, Culture and Employment in 2020/2021. The purpose of the funding was to provide COVID-19 related cost offsets for the reopening of schools. The unused portion will continue to be used in the subsequent fiscal periods to fund COVID-19 related expenses. COVID-19 expenditures for 2020/2021 was \$819,732 and for 2021/2022 was \$678,340. The unused portion to be used in 2022/2023 is \$807,059.

36. School Generated Funds (Trusts under Administration)

School generated funds are funds that are raised and collected in the school or in the community in the name of the school by school councils, student groups or parent advisory council. The funds are administered by the school principal, and are raised or collected from sources other than the school board's operating and capital budgets.

The following balances represent the school generated funds that are held in trust by the Authority. They are recorded in the audited consolidated financial statements:

	2022	2021
	\$	\$
Balances, beginning of year	737,811	731,104
Fundraising revenues	162,258	258,474
Total funds available	900,069	989,578
Total related expenses	(238,398)	(251,767)
Balances, end of year	661,671	737,811
Net change	(76,140)	6,707

Yellowknife District No. 1 Education Authority

(the "Authority")

Notes to Consolidated Financial Statements

June 30, 2022

37. Correction of accounting error

The consolidated statement of operations of the Authority has been restated to include the transfer of school generated fund opening balance of \$731,104 as of June 30, 2021. The effect of the change is to increase school generated funds balance and decrease the school generated funds liability. There is no net impact to the consolidated statement of operations as a result of this restatement.

Consolidated Statement of Operations for the year ended June 30, 2022:

	Previously Reported	As Restated	Change
	\$	\$	\$
Increase school generated funds	-	731,104	731,104
Decrease school generated trust accounts - carry over balances	737,811	6,707	(731,104)

Government of the Northwest Territories**

Management Responsibility for Financial Reporting for the year ended March 31, 2023

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the Agency in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Tłı̄chǫ̀ Community Services Agency have been conducted within the statutory powers of the Health Authority and Divisional Education Council. The operations and administration of the Health and Education Divisions as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Financial Administration Act, CPSAS, FAM, Human Resources Manual, Ministerial Directives and the policies of the Health Authority Board and Divisional Education Council. Any non-compliance has been specifically identified and has been previously communicated to the Ministers and Deputy Ministers.

Management hereby asserts that EPR Yellowknife Accounting Professional Corporation have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Health and Social Services and Department of ECE of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Tłı̨chǫ Community Services Agency

Kevin Armstrong, Chief Executive Officer

Tłı̨chǫ Community Services Agency

June 29, 2023

Management Discussion and Analysis

March 31, 2023

Introduction

The Tłchq Community Services Agency (TCSA) is a unique organization in the Northwest Territories. It is a Government of the Northwest Territories Agency, while incorporating the values and principles of the Tłchq people.

Our mission statement “*Do Nake Lani Nats’etso...Strong Like Two People*” was developed to ensure that the TCSA is committed to the development of a continuum of care that will return control of education, health, and social programs and services to the people of our communities, support them in the task of strengthening their families, promote the knowledge and skills they need to survive today, and model the values they need to live in harmony with their families, communities, and the land. Our strategic priorities guiding our work include:

- Developing strong, capable, healthy Tłchq individuals, families, and communities,
- Supporting the best health and wellness of people in the Tłchq region,
- Improving the quality of services provided to vulnerable children, families, and communities, and
- Enhancing organizational sustainability by developing our people and enhancing our organizational processes.

The Agency is governed by a Board made up of four members and a chairperson. The Tłchq Community Governments (Behchokò , Gamètì, Wekweètì and Whatì) each appoint one member to represent their community on the Agency Board.

The current TCSA Board members include:

- Chairperson – Ted Blondin
- Behchokò Representative – Rosa Mantla
- Whatì Representative – Alex Nitsiza
- Gamètì Representative – Irene Mantla
- Wekweètì Representative – Marie Adele Football

The preparation of the Management Discussion and Analysis is a go-forward responsibility of management and the Board members to promote transparency and accountability.

Operating Environment

The Agency is also unique in that it is the only agency in the Northwest Territories to deliver both the health and social services programs in conjunction with the JK-12 education programs. Ultimately, the TCSA has three dimensions:

- To deliver GNWT public education programs and services
- To deliver GNWT public health and social services programs
- To support the implementation of self-government between the GNWT and the TG

Management Discussion and Analysis

March 31, 2023

All the other regions have separate agencies for the delivery of health and education programs. The advantage of the TCSA model is that we are able to more effectively link the delivery of these programs.

The TCSA serves a population of approximately three thousand people (3,000) in the communities of Behchokó, Whatì, Gamètì and Wekweètì. The TCSA delivers its programs through five schools and four health centers in the region, and one long term care facility located in Behchoko.

Financial Condition

The Agency had an annual expenditure budget of \$50.090 million in total in fiscal 2022-2023, a dedicated workforce of approximately 330 employees with a total payroll budget of \$40.230 million, which represents 80.3% of the Agency's total annual budget.

The TCSA Health and Social Services Programs receive core contributions (\$22.509 million) from the GNWT, which presents majority (96.5%) of the total Revenue for the 2022-2023 fiscal year.

The Chart on the right demonstrates a comparison of operating actuals to annual budgets on the core contributions from the GNWT for the 2022-2023 fiscal year – broken down by health and social services programs.

For the 2022-2023 fiscal year, the TCSA Health and Social Services Activities incurred a total expenditure of \$24.379 million.

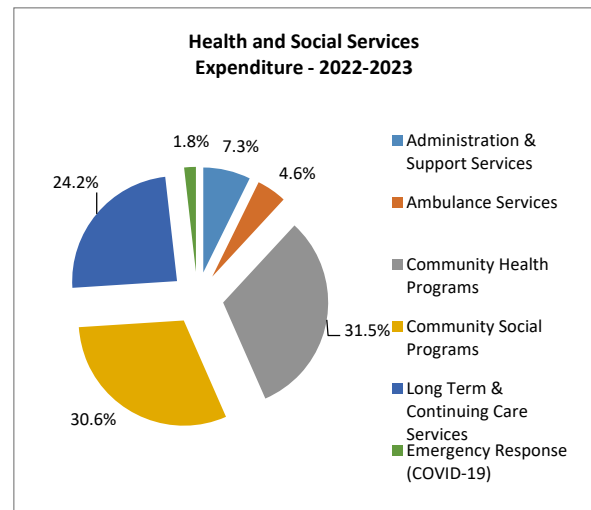

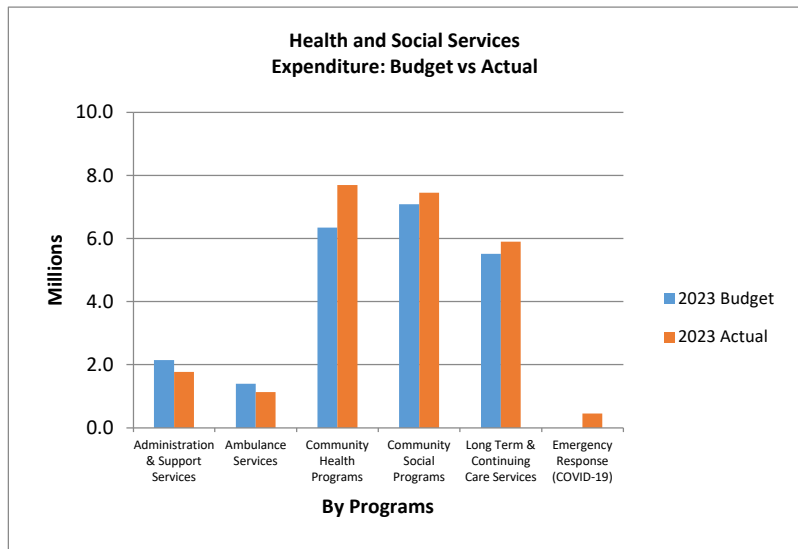

Management Discussion and Analysis

March 31, 2023

The Chart on the right demonstrates a comparison of operating actuals to annual budgets of expenditures for the 2022-2023 fiscal year – broken down by health and social services programs.

For the 2022-2023 fiscal year, the TCSA Health and Social Services Activities incurred an operating deficit of \$1,043,470, thereby arriving at an accumulated operating deficit of \$7.362 million. The 2022-2023 operating deficit represents approximately 4.5% of the total health revenue of \$23.336 million. The key financials are highlighted in the Chart below:

The Table below demonstrating the figure upon with the Surplus Retention Policy will be applied:

	2023 Actual	2022 Actual
Operating Surplus / (Deficit)	\$ (1,043,470)	\$ (779,001)
Unfunded Items:		
Change in Employee Leave and Termination Benefits	(13,149)	(78,452)
Annual Surplus / (Deficit)	\$ (1,056,619)	\$ (857,453)

Management Discussion and Analysis

March 31, 2023

The operating deficit in health for 2022-2023 can be attributed to a number of factors:

- (1) The costs to operate the health centers in our three main communities has increased compared to the prior year's and exceeded the funding by \$302,051 (2021-2022: \$365,860). Overtime / standby costs continue to run over budgeted amounts. The overtime would normally be expected as services are required to be delivered outside of the regular business hours.
- (2) The ongoing costs to operate our Ambulance Services continue to run over funding and the operating deficit arrives \$255,228 (2021-2022: \$396,782).
- (3) Although having received an additional supplementary funding during the year, costs relating to foster care in Child and Family Services division have exceeded the funding by \$358,128.
- (4) The costs to operate the Jimmy Erasmus Seniors' Home have significantly increased compared to the prior year's and exceeded the funding by \$267,895, mainly because of insufficiently funded overtime / standby costs.

For its 2022-2023 Education activities the TCSA incurred an annual deficit of \$636,030. As a result of this the TCSA Education activities now have an accumulated deficit of \$65,974.

While these financial statements include expenses for education from April to March, an additional set of financial statements is prepared annually for Education which runs for the school year of July 1 to June 30, and we will report to the department of Education our complete results at that time.

Summary and Outlook

- The fiscal outlook for the TCSA remains challenging and this is in large part caused by two items:
 - Compensation & Benefits specifically unfunded collective agreement costs. Overtime, standby and callback cost are not sufficiently funded. These costs are unavoidable and can't be funded through vacancies.
 - It is expected that the costs of operating Child and Family Services programs, including foster care services will continue to exceed budget.
- The Department of Health and Social Services recognizes the above issue and has approved the Agency's 2023-2024 budget with a deficit of \$862,769. We are working with the Department to seek additional funding in the Child and Family Services program area.

INDEPENDENT AUDITOR'S REPORT

To the Ministers of Health and Social Services and Education, Culture and Employment

Qualified Opinion

We have audited the financial statements of the Tlicho Community Services Agency, which comprise the statement of financial position as at March 31, 2023, and the statements of operations, statement of changes in net financial resources and cash flows for the year then ended. We have also audited the revenue and expenditures of programs funded through contribution agreements by the Department of Health and Social Services which total \$250,000 or more listed in Schedule A.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Tlicho Community Services Agency as at March 31, 2023, and its results of operations and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards. Further, these statements present fairly, in all material respects, the funding and expenditures of all Health and Social Services funded programs \$250,000 or more in Schedule A for the year ended March 31, 2023 in accordance with the provisions established by the individual Contribution Agreements.

Basis for Qualified Opinion

The GNWT is responsible for the calculation and distribution of the salaries and wages that appear on the statement of operations, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT was accurately reflected in the Agency's records.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Agency in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Agency's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Agency or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Agency's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

An Independent
Canadian Member
of AGN International

INDEPENDENT AUDITOR'S REPORT, continued

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Agency's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Agency to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Hospital Insurance and Health and Social Services Administration Act and the Financial Administration Act, we report that proper books and records of account have been kept by the Agency, that the consolidated financial statements are in agreement therewith, and that the transactions that have come under our notice have been, in all material respects, within the statutory powers of the Agency.

Tlicho Community Services Agency
Notes to the Financial Statements
March 31, 2023

1. Nature of Organization

The Agency was established under the Tlicho Government Act by order of the Minister dated August 4, 2005. Its purpose is to administer and maintain the standards of Health and Educational programs defined under the respective Acts in the Member communities of the Tlicho Region.

The Agency was formerly known as the Dogrib Community Services Board and the Dogrib Divisional Board of Education. On May 22, 1997, an agreement was signed between the Dogrib Community Services Board and the Government of the Northwest Territories, Department of Health and Social Services, with the support of the Treaty 11 Council, to deliver Health and Social Service programs in the Dogrib region. The Tlicho Community Services Agency (TCSA) is an integrated Education and Health & Social Services Agency.

The Agency is dependent upon funding from the Government of the Northwest Territories and is a registered charity.

2. Significant Accounting Policies

These financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Canadian Public Sector Accounting Board of the Chartered Professional Accountants of Canada and by the directives of the Government of the Northwest Territories - Department of Health and Social Services ("DHSS") and Department of Education, Culture and Employment ("ECE"). Significant accounting policies are as follows.

a) Cash

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

b) Funds

The Agency records financial information in individual funds that are segregated for the purpose of carrying on specific activities or attaining certain objectives. Funds established by the Agency are:

Operating Fund- reflecting activities associated with the Agency's day-to-day operations.

Leave and Termination Liability Fund - reflecting activities in employee leave and termination benefits combined with any amounts transferred from operations to fund these liabilities. This fund represents liabilities which will be funded in the year they become due through the regular annual allocations from the Government of the Northwest Territories ("GNWT").

Endowment and Special Purpose Fund - reflecting activities relating to endowments and other special purpose funds made available to the Agency under conditions specified by donors and other providers.

c) Surplus Reserves

The DHSS policy requires the Agency to establish the following reserves:

Surplus Reserve- reflects funds maintained in a reserve according to the DHSS Operations and Maintenance Surplus Retention Policy.

Employee Future Benefit Reserve- the funds received in advance for the severance liability of employees who were transferred to the Agency from the GNWT. These liabilities are reduced as employees are paid out upon termination of employment with the agency.

**Tlicho Community Services Agency
Notes to the Financial Statements
March 31, 2023**

2. Significant Accounting Policies (cont'd)

d) Tangible Capital Assets

The GNWT retains ownership of all tangible assets (TCA) used by the Agency or purchased by the Agency (regardless of source of funding for the purchase). The GNWT amortizes TCAs over the estimated useful lives of the assets at the rates established in the Financial Administration Manual over the following terms:

Buildings	40 years
Mainframe and software systems	5-10 years
Leasehold Improvements	Lesser of useful life or lease term plus renewal option

The TCAs used by the Agency and held on behalf of, or in trust for, the GNWT are not recognized by the Agency in the financial statements.

The statement of operations reflects the Rent Expense amount that would otherwise be considered amortization expense for the fiscal year with an offsetting corresponding amount as a Grant-In-Kind revenue.

e) Inventory of Supplies

Inventories of supplies include inventories held for use in the process of providing services and are distributed to clients at no charge or for a nominal charge. Inventories consist of pharmacy items, parts for various equipment, and office supplies. Inventories of supplies are valued at the lower of cost and replacement value.

f) Accrued Employee Leave and Termination Benefits

In accordance with GNWT accounting policies specified for public agencies, the Agency annually accrues estimated employee leave and termination benefits payable

g) Pension Contributions

The Agency and its employees make contributions to the Public Service Superannuation Plan administered by the Government of Canada. These contributions represent the total liability to the Agency and are recognized in the accounts on a current basis.

h) Revenue Recognition

The Agency is primarily funded by the GNWT in accordance with budget arrangements established by the DHSS and ECE. Under the arrangements, the Agency is responsible for the net deficit from operations and is allowed to retain surpluses from core programs. Any capital funding not spent may be retained for future capital purchases. These policies do not apply to contribution agreements, where an accounting of and return of surpluses may be required.

Other revenue is recognized when the service is performed or the goods are provided.

Government Transfers

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except for the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amounts can be determined

**Tlicho Community Services Agency
Notes to the Financial Statements
March 31, 2023**

2. Significant Accounting Policies (cont'd)

i) Financial Instruments

The Agency classifies its financial instruments at cost or amortized cost. The Agency's accounting policy for this financial instrument category is as follows:

Financial instruments held at cost or amortized cost include cash, accounts receivable, bank indebtedness, accounts payable and accrued liabilities, payroll liabilities and deferred revenues. They are initially recorded at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instruments.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with

j) Non-Financial Assets

Non-financial assets are accounted for as assets by the Agency because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Agency unless they are sold.

k) Measurement Uncertainty

The preparation of these financial statements, in conformity with Canadian public sector accounting standards, requires management to make estimates and assumptions. This affects the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the updated amounts of revenue and expenses during the period. Significant estimates include accounts receivable and doubtful accounts and the actuarial valuation of employee leave and termination benefits. Actual results could differ from these estimates.

3. Cash

	2023	2022
Cash	\$ 357,307	\$ 4,370,629

Credit facility: The Agency does not have its own credit facility with the bank. Rather, as an Agency under the GNWT, its funds are pooled together with those of the GNWT and its other entities forming a Common Offset Balance (COB) agreement. Under the COB, the Agency and other entities of the GNWT have their respective funds pooled together whereby any negative balances are offset against positive balances in other entities of the GNWT. Therefore, the Agency will not incur fees and interest charges on the overdrawn amount and the amount of credit available is not limited.

14. Pensions

The TCSA's employees participate in Canada's Public Service Plan (PSPP). The PSPP provides benefits based on the number of years of pensionable service to a maximum of 35 years. Benefits are determined by a formula set out in the legislation; they are not based on the financial status of the pension plan. The basic benefit formula is 2 percent per year of pensionable service multiplied by the average of the best five consecutive years of earnings.

The public service plan was amended during 2013 which raised the normal retirement age and other age related thresholds from age 60 to 65 for new members joining the plan on or after January 1, 2013. For existing members, the normal retirement age remains age 60. Furthermore, contribution rates for current service for all members of the public service will increase gradually to an employer: employee cost sharing ratio of 50:50 by 2017. The employer contribution rate effective at the end of the year is 1 times (2016 - 1.15) the employees' contributions for employees who started prior to January 2013 and 1 times (2016 - 1.1) the employees' contributions for all other employees.

Other benefits include survivor pensions, minimum benefits in the event of death, unreduced by early retirement, pensions and disability pensions.

Contributions to the PSPP are broken down as follows.

	2023	2022
HSS Activities		
Employee	\$ 1,020,273	\$ 976,163
Employer	1,046,910	990,107
	2,067,183	1,966,270

15. Employee Future Benefits and Compensated Absences

In addition to pension benefits, Tlicho Community Service Agency provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Tlicho Community Services Agency employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation Result

The actuarial valuation was completed March 31, 2023. The effective date of the next actuarial valuation is March 31, 2024. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Agency.

Employee Long Term Benefits Consist of:

		\$ 379,675	\$ 173,298	\$ 113,238	\$ 3,579	\$ -	\$ 669,790

22. Contingent Liabilities

In the normal course of operations, the Agency is subject to claims and pending and threatened litigation against the Agency and its staff. The Agency is defending actions brought against it and the Agency has recorded an allowance for any claim or litigation where it is likely that there will be a future payment and a reasonable estimate of the loss can be made. The allowance is based upon estimates determined by the Agency's legal experts experience or case law in similar circumstances.

The Agency did not have any environmental liabilities during the year.

23. Budget

Budget figures for Health and Social Services Division of the TCSA are the opening budgets that were approved on March 31, 2022 by the Agency's board of directors, and DHSS. Budget figures for Education Division of the TCSA are the opening budgets that were approved on June, 15 2022 by the Agency's board of directors and ECE. The budget figures are not audited and are intended for information purposes only. These figures represent the Agency's original fiscal plan for the year and do not reflect subsequent changes arising from amendments made by the Departments.

24. Economic Dependence

The Agency receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Agency operations would be significantly affected.

25. Subsequent Events

Nil Report

26. Comparative Figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.

Expenses	6,241	500

29. Financial Instruments

The Agency is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the:

(i) Credit risk

Credit risk is the risk of financial loss to the Agency if a debtor fails to make payments of interest and principal when due. The Agency is exposed to this risk relating to its, cash, special purpose funds, trust assets and accounts receivable.

The Agency holds its cash, special purpose funds and trust assets deposits in trust accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation.

Accounts receivable are due from various governments, government agencies, corporations and individuals. Credit risk related to accounts receivable is mitigated by internal controls as well policies and oversight over arrears for ultimate collection. Management has determined that a portion of accounts receivable are impaired based on specific identification as well as age of receivables.

These amounts are as disclosed in Note 7.

The Agency's maximum exposure to credit risk is represented by the financial assets for a total of \$1,928,677 (2021- 2022 - \$3,183,621).

**Tlicho Community Services Agency
Notes to the Financial Statements
March 31, 2023**

29. Financial Instruments (Cont'd)

(ii) Concentration of credit risk

Concentration of credit risk is the risk that a customer(s) has a significant portion (more than ten percent) of the total accounts receivable balance and thus there is a higher risk to the Agency in the event of a default. The Agency does have concentration of risk. At March 31, 2023, receivables from the GNWT and related parties accounted for 50% of the total outstanding accounts receivables. The Agency reduces this risk by monitoring overdue balances.

The Agency also has concentration of credit risk as deposits are held in one Canadian chartered bank.

(iii) Liquidity Risk

Liquidity risk is the risk that the Agency will not be able to meet all cash outflow obligations as they come due. The Agency mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise. The Agency's bank indebtedness stands at \$nil (2021 - 202 - \$nil). Total financial assets are \$2,588,944 (2021 - 2022 - \$7,554,250) and financial liabilities are \$10,325,123 (2021 - \$13,655,614). The agency has disclosed future financial liabilities and commitments in Note 21.

To the Minister of Health and Social Services

Management Responsibility for Financial Reporting for the year ended March 31, 2023.

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (PSAS) as well as the Financial Administration Manual (FAM) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; those duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Hay River Health and Social Services Authority (the Authority) have been conducted within the statutory powers of the Authority. The operations and administration of the Authority and its supporting internal controls are regularly monitored to ensure their effectiveness and continued compliance with all relevant legislation, standards, directives and policies including, but not limited to, the Financial Administration Act, PSAS, FAM, Human Resources Manual, Ministerial Directives and the policies of the Authority's Public Administrator. Any non-compliance has been specifically identified and has been communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Health and Social Services of the Government of the Northwest Territories.

Independent Auditor's Report

To the Minister of Health and Social Services
The Chief Executive Officer

Opinion

We have audited the accompanying financial statements of Hay River Health and Social Services (the Authority), which comprise the statement of financial position as at March 31, 2023, statement of operations, the statement of changes in net financial assets and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards. Furthermore, in our opinion, these statements present fairly, in all material respects, the revenues and expenditures of all programs funded through contribution agreements with the Department of Health and Social Services which total \$250,000 or more in schedule A and A-1 for the year ended March 31, 2023, in accordance with the provisions established by the individual contribution agreements.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Authority's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

An Independent
Canadian Member
of AGN International

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Hay River Health & Social Services Authority

Notes to Financial Statements

For the year ended March 31, 2023

1. Hay River Health & Social Services Authority

The Hay River Health & Social Services Authority (the "Authority") was established under the Societies Act on November 1, 2003. The Authority operates under the Hospital Insurance and Health and Social Services Act of the Northwest Territories to manage, control and operate the public health facilities and services assigned to it by the Government of the Northwest Territories Department of Health and Social Services.

The Authority is a public body performing a function of the Government of the Northwest Territories.. Paragraph 149(1)(c) of the federal Income Tax Act provides that a public body performing a function of government in Canada is exempt from taxation.

2. Significant Accounting Policies

2(a) Basis of Presentation

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Canadian Public Sector Accounting Board and by the directive of the Government of the Northwest Territories - Department of health and Social Services ("DHSS"). Significant aspects of the accounting policies adopted by the Authority are as follows:

The financial statements do not include the assets, liabilities and activities of any organizations that are related to the Authority, such as the Hay River Health and Wellness Foundation

2(b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Revenues are recognized in the year in which they are earned and measurable. Expenses are recorded as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

2(c) Fund Accounting

The accounts of the Authority are maintained in accordance with fund accounting procedures. The operations of the Authority are segregated for the purpose of carrying on specific activities or attaining certain objectives. Funds established by the Authority are as follows:

- (i) Operating Fund - activities associated with the Authority's daily operations.
- (ii) Employee Leave and termination Liability Fund - reflecting activities in employee leave and termination benefits combined with any amounts transferred from operations to fund these liabilities. This fund represents liabilities which will be funded in the year they become due through regular annual allocations from the Government of the Northwest Territories (GNWT)
- (iii) Endowment and Special Purpose Fund - reflecting activities relating to endowments and other special purpose funds made available to the Authority under conditions specified by donors and other providers.

2(d) Revenue and Expenditure Recognition

The basis of accounting followed in the financial statement presentation includes revenues recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimating is impracticable.

The Authority is primarily funded by the GNWT in accordance with budget arrangements established by the DHSS. Under the arrangement, the Authority is responsible for the net deficit from operations and is allowed to retain surpluses from core programs. Any capital funding not spent may be retained for future capital purchases. These policies do not apply to contribution agreements, where an accounting of and return of surpluses may be required.

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

2. SIGNIFICANT ACCOUNTING POLICIES....(continued)

2(d) Revenue and Expenditure Recognition....(continued)

Other revenue is recognized when the service is performed or the goods are provided.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenues when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligible criteria have been met and reasonable estimates of the amounts can be determined.

The Authority follows the deferral method of accounting for restricted contributions. These revenues are recognized in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received and be reasonably estimated and collection is reasonably assured.

Expenditures are recognized in the period the goods and services are acquired, a liability is incurred or transfers are due.

2(e) Cash and Cash equivalents

Cash and cash equivalents consists of cash on hand and balances within banks, net of outstanding cheques, and are not subject to significant risk of changes in value.

2(f) Reserves

The DHSS policy requires the Authority to establish the following reserves:

(i) Surplus Reserve - reflects funds maintained in a reserve according to the DHSS Operations and maintenance surplus Retention policy.

(ii) Employee Future Benefit Reserve - the funds received in advance for the severance liability of employees who were transferred to the Authority from the GNWT. These liabilities are reduced as employees are paid out upon termination of employment with the Authority.

(iii) Cash reserve - established for the purpose of assisting with any future short-term cash deficiency. Withdrawals from the reserve will be made only when an insufficient cash balance exists to make necessary payments. Appropriations to this reserve will be done to maintain the \$500,000 balance as approved by the GNWT.

The Authority does not have sufficient funds to cover these reserves.

2(g) Tangible Capital assets

The GNWT retains ownership of all tangible capital assets (TCA) used by the Authority, or purchased by the Authority (regardless of source of funding for the purpose). The GNWT amortizes TCA's over the estimated useful lives of the assets at the rates established in the Financial Administration manual of the GNWT over the following terms:

Buildings	40 years
Hardware and Software Systems	5 - 10 years
Major Medical Equipment	5-15 years
Leasehold Improvements	Lesser of useful life or lease term plus renewal

The TCAs used by the Authority and held on behalf of, or in trust for, the GNWT are not recognized by the Authority in the financial statements.

The statement of operations reflects the rent expense amount that would otherwise be considered amortization expense for the fiscal year with an offsetting corresponding amount as a Grant-in-Kind revenue.

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

2. SIGNIFICANT ACCOUNTING POLICIES....(continued)

2(h) Inventories

Inventories of supplies include inventory held for use in the process of providing the services of the Authority. Inventories consist of equipment, parts, pharmaceuticals and office supplies, which are distributed to clients at no or nominal charges. Inventory is recorded at the lower of cost and replacement value. Cost is determined on a first-in, first-out basis using average cost.

2(i) Employee Future Benefits and Compensated absences

Under the terms and conditions of employment, Health Authority employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The Expected cost of providing these benefits is recognized as employees render services. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave and recognized in the period the employee provides services, whereas parental and maternity leave are event driven and are recognized when the leave commences.

For benefits earned prior to September 1, 1996 but still outstanding, no accrual is made for contingent revenue as described in Note 13. The revenue is expected to be received in the year that the outstanding liability falls due.

2(j) Pensions

Pension benefits to the Retirement Plan for Employees of the Hay River Health & Social Services Authority are reported on an actuarial going concern basis. This is done to determine the current value of future entitlement and uses various estimates. When actual experience varies from estimates or when actuarial assumptions change, the adjustments are amortized on a straight line basis over the estimated average remaining service lives of the contributors. Recognition of actuarial gains and losses commences in the year following the effective date of the related actuarial valuations. In addition, immediate recognition of a previously unrecognised net actuarial gain or loss may be required upon a plan amendment, curtailment or settlement.

The Authority and its contracted physicians make contributions to a physician directed investment fund administered by the Government of Canada. These contributions represent the total pension liability of the Authority and are recognized in the accounts on a current basis.

2(k) Financial instruments

All significant financial assets, liabilities and equity instruments of the Authority are either recognized or disclosed in the financial statements together with available information for a reasonable assessment of future cash flows, credit risk, liquidity risk and actuarial risk. Where practical the fair values of financial assets and liabilities have been determined and disclosed; otherwise only available information pertinent to fair value has been disclosed

The Authority's accounting policy for financial instruments is as follows:

This category includes cash, trust assets, accounts receivable, accounts payable, accrued liabilities, payroll liabilities, capital advances, and trust liabilities. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets. Financial instruments with actively traded markets are reported at fair value, with any unrealised gains and losses reported in income. All other financial instruments are reported at amortized costs and tested for impairment at each reporting date. Any impairments of the financial assets is charged to income in the period in which the impairment is determined. In the event that a previously impaired asset increases and the increase can be related to an event that occurred after the impairment was recognized, the previously recognized impairment loss is reversed to the extent of the improvement.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the write down being recognized in the statement of operations

Transaction costs on the acquisition, sale or issue of financial instruments are expensed when incurred.

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

2. SIGNIFICANT ACCOUNTING POLICIES....(continued)

2(l) Non-Financial Assets

Non-financial assets are accounted for as assets by the Authority because they can be used to provide government services in future periods. These assets are not available to discharge existing liabilities. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated change in net financial assets (debt) for the year.

2(m) Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the year. Items requiring the use of significant estimates include accounts receivable, accounts payable and accrued liabilities, estimated useful lives of tangible capital assets, and estimated employee benefits, pension benefits.

Estimates are based on the best information available at the time of preparation of financial statements and are reviewed annually to reflect new information as it becomes available. Measurement uncertainty exists in these financial statements. Actual results could differ from these estimates.

2(n) Segmented Information

The Authority segments its operating expenses for financial reporting purposes based upon areas of service type. This information is provided on the statement of operations.

3. Future Accounting Changes

A number of new and amended standards issued by the Public Sector Accounting Board of Canada are not yet effective and have not been applied in preparing these financial statements. The Association plans to adopt these new and amended standards on their effective dates and is currently assessing the impact they will have on its financial statements. The following standards will become effective as follows:

PS 3400 Revenue (effective April 1, 2023), a new section establishing standards on how to account for and report on revenue, differentiating between arising from transactions that include performance obligations and transactions that do not have performance obligations.

10. Due From And To The Government Of Canada

The Authority doesn't have any due from to the Government of Canada for the year ending March 31, 2023.

11. Capital Lease Obligations

The Authority doesn't have capital lease obligations for the year ending March 31, 2023.

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

12. Pensions

The Authority sponsors a contributory defined benefit pension plan for substantially all of its employees called "**Retirement Plan for Employees of the Hay River Health and Social Services Authority**". The net value of the plan asset and liability is recorded on the statement of financial position based on the funded status of the plan on a going concern valuation performed by an independent actuary. An actuary valuation is done on an annual basis as of January 1 and is extrapolated to March 31 for presentation on the financial statements. The extrapolation assumes that from January 1 to March 31 the plan will follow the pattern from the January 1 valuation exactly, but actual contribution amounts are used.

Employees are required to contribute 8.15% of their pensionable earnings up to the yearly maximum pensionable earnings (YMPE) plus 10.4% of their earnings, if any, in excess of the YMPE. The Authority contributes to the plan 1.88 (prior to January 1, 2020 was 1.68) times the employee portion and provides additional funding when the present value of the obligation under the solvency method exceeds the accumulated assets available to fund the member's benefit entitlements in the plan.

The pension plan provides benefits based on the number of years of credited service limited to the maximum allowed within the plan. Benefits are determined by a formula set out within the plan; they are not based on the financial status of the pension plan. The basic benefit formula is 1.5 percent per year of pensionable service multiplied by the average of the best five consecutive years of earnings up to the YMPE and 2% for amounts in excess of the YMPE.

	2023	2022
Accrued benefit obligation	\$ 59,987,000	\$ 71,302,000
Market - related value of pension fund assets	79,203,000	87,539,000
	(19,216,000)	(16,237,000)
Unamortized actuarial gains / (losses)	(1,952,000)	(4,917,000)
Pension liability (accrued asset)	(21,168,000)	(21,154,000)
Impairment on value of accrued pension asset	(1,952,000)	(4,917,000)
Adjusted pension liability (accrued asset) realizable by the Authority	\$ (19,216,000)	\$ (16,237,000)

The pension liability (asset) includes the following components:

	2023	2022
Pension liability (accrued asset) - beginning of year	\$ (21,154,000)	\$ (20,706,000)
Cash items:		
Member contributions	(1,077,000)	(1,444,000)
Employer contributions	(2,050,000)	(3,043,000)
Benefit payments	(3,298,000)	(2,557,000)
Draw-down from plan assets	3,298,000	2,557,000
Net change to pension liability from cash items	(3,127,000)	(4,487,000)
Accrual items:

Amortization of actuarial gains/losses	473,000	320,000
Interest on average accrued benefit obligation	3,065,000	2,514,000
Expected earnings on average pension fund assets	(3,761,000)	(3,129,000)
	3,113,000	4,039,000
Pension liability (accrued asset) before impairment	\$ (21,168,000)	\$ (21,154,000)

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

Note 12 Pensions (continued)

The Pension expense (revenue) is included in the statement of operations as a component of undistributed amounts.

	2023	2022
Pension expense (revenue)	\$ 2,979,000	\$ 1,171,000
Expected earnings on plan assets	4.30%	4.30%
Actual earnings on plan assets	4.90%	4.90%
Difference between actual and expected	0.6%	0.6%

Valuation method and assumptions:

Actuarial valuations for accounting purposes are performed using the projected benefit method prorated on services. The net Unamortized actuarial loss is to be amortized on a straight-line basis over the expected average remaining service life of the related employee groups.

The actuarial valuation was based on a number of assumptions about future events, such as inflation rates, interest rates, wage and salary increases and employee turnover and mortality. The assumptions used reflect the government's best estimates. The significant actuarial assumptions and rates are listed below:

	2023	2022
Date of actuarial valuation	January 1, 2023	January 1, 2022
Date of next valuation	January 1, 2024	January 1, 2023
Discount rate at valuation	5.50%	4.30%
Date of audited financial statements	March 31, 2023	March 31, 2022
Discount rate at March 31 extrapolation	4.30%	4.30%
Market value of the plan assets	\$ 71,957,000	\$ 91,212,000
Expected return on plan assets	4.85%	4.85%
Future inflation	3.80%	2.00%
Future compensation increases	2.50%	2.50%
Expected average remaining service life (years)	8 years	8 years

The asset was valued using an adjusted market value method, which spreads out any variance between the return on investment accrued in the year and the expected return on the investments using the going concern rates as outlined above. Inclusion rates for these variances are 33% of the prior year, 67% of the variance from 2 years prior and 100% of all variances beyond. This assumption allows for a smoothed value of the asset.

The employer funding targets, under the going concern method, are valued using the actuarial cost method, which allows for a more accurate matching of accrued benefits to contributions. The funding target is equal to the present value of the benefit based on employee service years incurred prior to the valuation date and the projected average earnings upon retirement. A deficit results when the market value of the investment is less than the funding target. By law, a deficit must be funded over a max of 15 years through special payments and a surplus can be used to pay current employer contributions. There is a plan surplus under the going concern method. Under the solvency method of accounting, it is assumed that all employees that are eligible for the pension plan will cease being members and will be paid out based on their situation as of the valuation date. Under the solvency method there is a plan deficit that is required to be funded in accordance with the requirements of the Pension Benefits Standards Act, 1985 with minimum special payments over a 5 year term of \$32,500 per month.

Plan amendments:

As at the valuation date, there have been no amendments to the plan since the date of the previous valuation.

Hay River Health & Social Services Authority

Notes to the financial statements
For the year ended March 31, 2023

13. Employee Future Benefits and Compensated Absences

In addition to pension benefits, the Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefits plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation. Severance benefits are paid to the Hay River Health and Social Services Authority employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age.

The benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these categories were valued using a projection methodology based on the date employees are projected to leave the Authority.

Compensated absence benefits generally accrue as employees render services and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to, employee or dependent illness, and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actually valued using the expected utilization methodology.

Valuation Results

The actuarial valuation was completed as at March 31, 2023. The effective date of the next actuarial valuation is March 31, 2023. The liabilities are actuarially determined as the present value of the accrued benefits at February 11, 2022 and the results extrapolated to March 31, 2023. The values presented below are the benefits under the Compensated Absences and Termination Benefits for the Authority extracted from the valuation report for the consolidated Government of the Northwest Territories.

	Severance and Removal	Compensated Absences	2023	2022
<u>Changes in Obligation</u>				
Accrued benefit obligation, opening	\$ 2,369,505	\$ 173,211	\$ 2,542,716	\$ 2,203,321

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

Note 13. Employee Future Benefits and Compensated Absences (Continued)

The discount rate used to determine the accrued benefit obligation is an average of 4.80%, down from the prior years rate of 4.10% . No inflation rate was applied. The expected payments during the next five fiscal years are:

	Severance and Removal		Compensated Absences		Total
2023	\$ 253,266		\$ 16,647	\$	269,913
2024	230,096		15,466		245,562
2025	286,995		20,488		307,483
2026	261,174		18,185		279,359
2027	264,316		18,702		283,018
	\$ 1,295,847		\$ 89,488	\$	1,385,335

Contingent Revenue

Revenue of \$55,841 representing accrued severance and removal for employees on August 31, 1996 and which, in management's view, pursuant to the terms of the transfer agreement on that date between the GNWT and the Town of Hay River, is owed to the Authority by GNWT, has not been recorded in these financial statements. Recognition of this amount is contingent upon GNWT agreeing to payment terms.

14. Trust assets and liabilities

The amount held in patient trust assets are funds held on behalf of the patients in residential care. The funds do not belong to the Authority as they are restricted for those patients. The amount in the patient trust liability is equivalent to the balance owed to the residential care patients. The discrepancy between the trust asset and liability are for amounts deposited into the bank account in error.

	2023	2022
Patient Trust Asset	103,331	106,851
Patient Trust Liability	102,562	106,081

15. Services charged without charge

During the year, the Authority received without charge from the Government various administrative services, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, actuarial valuations and internal audit services provided by the Department of Finance and use of vehicles, building repairs and utilities by the Department of Infrastructure.

The Authority also receives from the Government, without any rental charges, the use of facilities and equipment to provide public health and social services. The rental facilities used include the new Hay River Regional Health Center, the HH Williams Memorial Hospital, Woodland Manor, the Adult Supported Living units, Various medical equipment is also provided free of any rental fees. The use of these facilities would have cost the Authority an estimated **\$2,185,276** (**\$1,682,754** in 2022) based on the Government's amortization expense for these assets.

Hay River Health & Social Services Authority

Notes to the financial statements
For the year ended March 31, 2023

16. Contractual Obligations

Contractual obligations are obligations of the Authority to others that will become liabilities in the future when the terms of those contracts or agreements are met.

The Authority has entered into agreements for, or is contractually committed to, the followings expenses payable subsequent to March 31, 2023

Expires in fiscal year	Residential 2023	Equipment 2023	Operational 2023	Total
2024	\$ 149,700	\$ 115,651	\$ 88,199	\$ 353,550
2025	149,700	40,322	1,390	191,412
2026	-	14,207	-	14,207
2027	-	14,207	-	14,207
	\$ 299,400	\$ 184,387	\$ 89,589	\$ 573,376

17. Contingent Liabilities

In common with many health authorities, claims are made against the Authority and its staff. The Authority is defending actions brought against them and management does not believe a significant loss will occur. An allowance has been made for any claim or litigation where it is likely that there will be a future payment and a reasonable estimate of the loss can be made. The allowance is based upon estimates determined by the Authority's legal experts and human resources staff experience or case law and historical data in similar circumstances. With any employer, especially those with a union, there are always risks of employee grievances.

At the end of the fiscal year a number of grievances were awaiting arbitration. In the opinion of management and legal council, no material accrued liability needs to be established. Should any further loss result from the resolution of these claims, such loss will be charged to operations in the year of resolution.

The Authority's operations are affected by federal, territorial and local laws and regulations regarding Environmental protection. The Authority is committed to meeting these existing laws and regulations. Management is not aware of any material environmental liabilities that resulted during the year.

Under the terms of the contribution agreement between the Government of the Northwest Territories, the Authority may be liable to repay any restricted or contributed fund not expended in accordance with contribution agreements. The Authority has recorded all known unexpended contribution funds repayable.

18. Budget

The budget figures are the opening budgets as approved by the Authority's Public Administrator and the GNWT Department of Health and Social Services. The budget figures are not audited and are intended for information purposes only.

19. Economic Dependence

The Authority receives its funding primarily from the GNWT. If the funding arrangements were to change, management is of the opinion that the Authority operations would be significantly affected.

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

20. Subsequent Events

The significant decrease in market values due to the drop in the economy at the declaration of the world pandemic declared in March 2020 have since recovered. This has resulted in the significant decrease in the net pension plan asset from their market value at March 31, 2023 as reported in Note 12. At the time of issuance of these financial statements, the effect in economic activity on the Authority's operations, assets, liabilities, fund balances, revenues and expenses is estimated by the management are as follows:

	2023	2022
Revenue	\$ -	\$ (157,250)
Expenses*	813,050	1,237,871
	\$ 813,050	\$ 1,080,621

* Expense for 2023 includes the Flood related costs of \$707,824.

21. Comparative Figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year.

22. Related Parties and Related Party Transactions

The Authority is related in terms of common ownership to all GNWT created departments and public agencies. The Authority enters into transactions with these entities in the normal course of operations. The Authority is provided various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, internal audit services provided by the Department of Finance and repairs, utilities and facility and equipment rental provided by the Department of Infrastructure. Transactions with related parties and balances at year-end are included in the financial statements, but not disclosed separately other than in this note:

	Accounts Receivables 2023	Allowance for doubtful account 2023	2023	2022

Yellowknife HSSA	-	400
	\$ 4,439,453	\$ 553,893

Related party transactions are in the normal course of operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties

23. Financial Instruments

The Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risk from the Authority's financial instruments by type of risk is provided below:

Credit Risk

Credit risk is the risk of financial loss to the Authority if a debtor fails to make payments of interest and principal when due. The Authority is exposed to this risk relating to its cash, special purpose funds, trust assets and accounts receivable. The Authority holds its cash and trust assets, deposits in trust accounts, with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation.

Accounts receivable are due from various governments, government agencies, corporations and individuals. Credit risk related to accounts receivable is mitigated by internal controls as well as policies and oversight over arrears for ultimate collection. Management has determined that a portion of accounts receivable are impaired based on specific identification as well as age of receivables. These amounts are as disclosed in Note 7.

The Authority's maximum exposure to credit risk is represented by the financial assets less the pension plan and trust asset for a total of **\$3,941,913 (2022 - \$5,104,963)**.

The world pandemic that was declared in March 2020 has resulted in an increase in unemployment, volatile financial markets and overall economic uncertainty. As a result the Authority is exposed to an increased amount of credit risk from its customers and has accounted for this increased risk in allowance for doubtful accounts.

Hay River Health & Social Services Authority

Notes to the financial statements

For the year ended March 31, 2023

23. Financial Instruments....(Continued)

Concentration of Credit Risk

Concentration risk arises when a customer has more than ten percent of the total accounts receivable, which increases the Authority's risk in the event the customer does not fulfill their obligation. The Authority does have concentration risk. At March 31, 2023, one customer in accounts receivable accounts for 74% (2022 - 74%) of the total balance which subjects the Authority to concentration risk. This risk is monitored through regular review of the outstanding balances in receivables.

As all the Authority's cash is held in one Canadian bank, they are subject to further concentration risk.

Liquidity Risk

Liquidity risk is the risk that the Authority will not be able to meet all cash outflow obligations as they come due. The Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise. Total financial assets are **\$23,261,244** including the **\$19,216,000** pension asset; financial liabilities are **\$8,645,068**. The authority has disclosed future financial liabilities and commitments in Notes 13, 16 and 17.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is composed of currency risk, interest rate risk and other price risk. The defined benefit pension plan asset valuation holds significant risk due to market fluctuations which can significantly impact the value. As a result of the world pandemic declared in March 2020, the value of the pension plan has taken a significant decrease and the actuarial has adjusted the valuation accordingly. This associated risk in market value is reduced through ensuring that the pension plan has a widely divested portfolio.

Currency Risk

The Authority deals exclusively in Canadian funds held in the bank, but does carry some foreign investments within the pension plan and is reduced through ensuring that the pension plan has a widely divested portfolio.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures, and methods used to measure the risk.

Management's Responsibility for Financial Reporting

Management is responsible for preparing the accompanying financial statements in accordance with Canadian public sector accounting standards ("PSAS"). Where PSAS permits alternative accounting methods, management has chosen those it deems most appropriate in the circumstances. A summary of significant accounting policies are described in Note 2 to the financial statements. Management is responsible for making certain estimates and judgments required for the preparation of the financial statements. Management is responsible for ensuring that financial information presented elsewhere in the annual report is consistent with the financial statements.

Management is responsible for maintaining financial and management systems and practices which are designed to provide reasonable assurance that reliable financial and non-financial information is available on a timely basis, that assets are acquired economically, are used to further the Authority's objectives, are protected from loss or unauthorized use and that the Authority complies with applicable legislation. Management recognizes its responsibility for conducting the Authority's affairs in accordance with the requirements of applicable laws and sound business principles, and for maintaining standards of conduct that are appropriate to an agent of the Territorial Government. Management reviews the operation of financial and management systems to promote compliance and to identify changing requirements or needed improvements.

The Auditor General of Canada provides an independent, objective audit for the purpose of expressing her opinion on the financial statements. She also considers whether the transactions that come to her notice in the course of the audit are, in all significant respects, in accordance with the specified legislation.

The financial statements have been approved by the Northwest Territories Health and Social Services Leadership Council (Leadership Council).

INDEPENDENT AUDITOR'S REPORT

To the Minister responsible for the Northwest Territories Health and Social Services Authority

Opinion

We have audited the financial statements of the Northwest Territories Health and Social Services Authority (the Authority), which comprise the statement of financial position as at 31 March 2023, and the statement of operations and accumulated deficit, statement of change in net debt and statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Authority as at 31 March 2023, and the results of its operations, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 1 of the financial statements, which provides information on the Authority's financial position, its continued economic dependence on the Government of the Northwest Territories to sustain its operations and its ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Authority's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

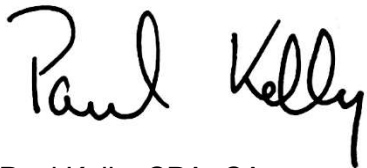

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Northwest Territories Health and Social Services Authority

Statement of Cash Flow

(All figures in thousands of dollars)

For the year ended March 31,	2023	2022
	\$	\$
Cash (used in) provided by operating transactions		
Annual deficit	(51,699)	(33,762)
Changes in non-cash assets and liabilities		
Change in accounts receivable	(1,264)	(2,096)
Change in accounts payable and accrued liabilities	3,533	(1,539)
Net change in due to/(from) Government of the Northwest Territories	22,701	50,051
Change in employee future benefits and compensated absences	733	(302)
Net change in due to/(from) Government of Canada	827	(135)
Change in inventory	3,555	(80)
Change in prepaid expenses	(769)	(90)
Cash provided by (used in) operating transactions	(22,383)	12,047
Increase (decrease) in cash	(22,383)	12,047
Cash, beginning of year	27,548	15,501
Cash, end of year	5,165	27,548

There were no financing, investing, or capital transactions during the year.

Total interest received during the year was \$877 (2022 - \$210).

March 31, 2023

1. Authority and Operations

The Northwest Territories Health and Social Services Authority (the "Authority") operates pursuant to the *Hospital Insurance and Health and Social Services Administration Act* (the "Act") of the Northwest Territories ("NWT") and is an agency under Schedule A of the *Financial Administration Act* ("FAA") of the NWT. Accordingly, the Authority operates in accordance with its Act and regulations, and any directives issued to it by the Minister responsible for the Authority.

The Authority was established to manage, control and operate the public health facilities and services assigned to it by the Government of the Northwest Territories ("GNWT"). When the Authority was created, six of the eight Health and Social Services Authorities ("HSSAs") were amalgamated under the Authority. The reporting entity comprises the newly created Authority and the operations from six former HSSAs including Beaufort-Delta, Dehcho, Fort Smith, Sahtu, Yellowknife and Stanton Territorial Hospital.

Hay River Health and Social Services Authority ("HRHSSA") and Tlicho Community Services Agency ("TCSA") remain outside the Authority; however, the legislation does include provisions to bring the HRHSSA into the Authority at a later date. The Authority serves as a single integrated delivery system for Northwest Territories health and social service programs while recognizing that the TCSA retains a unique role through the provisions of the Tlicho Agreement.

Through the Chief Executive Officer, the Authority reports to and takes direction from the Northwest Territories Health and Social Services Leadership Council (Leadership Council) that is comprised of nine persons appointed in accordance with the Act, including one non-voting member. The Authority is exempt from taxation pursuant to Paragraph 149 of the federal *Income Tax Act*.

Budget

The budgeted figures represent the Authority's original fiscal plan for the year approved by the Leadership Council and the GNWT. To be consistent with the format of the financial statements, presentation changes have been applied as disclosed in note 19.

Going concern and economic dependence

Upon amalgamation in 2016, the predecessor HSSAs had an accumulated deficit of \$50,824 which was transferred to the Authority and included in its opening financial position. For the year ended March 31, 2023 the Authority had an annual deficit of \$51,699 (2022 - \$33,762), accumulated deficit of \$245,383 (2022 - \$193,684), liabilities of \$350,232 (2022 - \$313,796) which includes \$305,777 (2022 - \$274,690) due to the GNWT, and total financial assets of only \$95,125 (2022 - \$107,602).

The Authority was created as part of a system-wide transformation of the health and social services system in the NWT, including addressing financial pressures. The Authority remains economically dependent upon the annual appropriations received from the GNWT, the GNWT's authorization for incurring annual deficits, the GNWT's continued support for payments of payroll costs on behalf of the Authority combined with the GNWT's continued financing of the payroll liability. The Authority anticipates that the GNWT will continue to provide the current financial support, while working collaboratively with the Authority to identify ways to address the financial pressures.

Since the Authority's inception, the GNWT has increased its funding to the Authority each year. The Authority's operations have also expanded with the opening of a health centre, long-term care facility and hospital. The going concern basis of accounting has been deemed appropriate for the current financial statements.

March 31, 2023

2. Basis of presentation and significant accounting policies**Basis of presentation**

These financial statements have been prepared in accordance with Canadian public sector accounting standards as issued by the Canadian Public Sector Accounting Board. Significant aspects of the accounting policies adopted by the Authority are as follows:

(a) Measurement uncertainty

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses recognized in the financial statements and disclosed in the accompanying notes. By their nature, all estimates are inherently subject to some measurement uncertainty. The estimates are based on facts and circumstances, historical experience and reflect management's best estimate of the related amount at the end of the reporting period. Estimates and underlying assumptions are reviewed annually at March 31.

Measurement uncertainty that is material exists when it is reasonably possible that a material variance could occur in the reported or disclosed amount in the near term. Near term is defined as a period of time not to exceed one year from March 31. Changes in estimates and assumptions will occur based on passage of time and occurrence or non-occurrence of certain future events. Revisions to accounting estimates are recognized in the period in which estimates are revised if revisions affect only that period or in the period of revision and future periods if revisions affect both current and future periods.

Contingent liabilities are subject to measurement uncertainty due to the use of estimates relating to both the outcome of the future event as well as the value of the potential loss. The estimate of the provision for claims is continuously reviewed and refined in light of several factors, including ongoing negotiations, recent settlements and decisions made by the courts. Accounts receivable and Due from GNWT includes accrued receivables based on estimates of patient services provided but not yet assessed for recoverability from third parties. Historical experiences related to these assessments can be inconsistent resulting in challenges predicting future outcomes. This may lead to a greater possibility of a material variance between estimates recognized in the financial statements and the results ultimately realized.

(b) Cash

Cash is comprised of bank account balances, net of outstanding cheques.

(c) Accounts Receivable

Valuation allowances, determined on an individual basis, are based on past events, current conditions and all circumstances known at the date of the preparation of the financial statements and are adjusted annually to reflect the current circumstances by recording write downs or recoveries, as appropriate. Write-downs are recognized when the receivables have been deemed uncollectable. Recoveries are recorded when receivables previously written down are subsequently collected.

(d) Tangible capital assets

The GNWT retains ownership of all tangible capital assets ("TCA") used by the Authority. The Public Accounts of the GNWT include these TCAs and as such the Authority has no TCAs recognised in its Financial Statements.

March 31, 2023

2. Basis of presentation and significant accounting policies (continued)

The Authority has recognized grant-in-kind revenue for the use of these TCAs provided free of charge by the GNWT. In addition, the Authority has recognized a corresponding rent expense for these TCAs based on the GNWT's amortization which is the GNWT's cost. This rent expense has been allocated to the Authority's programs in the Statement of Operations and Accumulated Deficit.

(e) Inventories held for use

Inventories consist of pharmaceuticals, general supplies, and hospital operating room supplies. Inventories held for use are valued at the lower of cost and replacement value. Where inventory has been donated it is measured at fair value at the date of acquisition.

(f) Revenue recognition**Government transfers**

Government transfers are recognized as revenues when the transfer is authorized, reasonable estimates of the amounts can be determined and any eligibility criteria and stipulations have been met, except for the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the Statement of Operations and Accumulated Deficit as the stipulation liabilities are settled.

Recoveries

Government recoveries which include amounts recovered for expenses paid by the Authority primarily relating to hospital services and non-insured health benefits, are recognized as revenue when the amounts are known. Other recoveries are recognized when the amount is known and includes reimbursements from Workers' Safety and Compensation Commission ("WSCC") and their equivalent entities throughout Canada, and recovery of medical fees for items such as client medical travel costs.

Recoveries of prior years' expenses

Recoveries of prior years' expenses and reversal of prior years' expense accruals in excess of actual expenditures are reported separately from other revenues on the Statement of Operations and Accumulated Deficit. Pursuant to the FAA, these recoveries cannot be used to increase the amount appropriated for current year expenses.

Other revenue

Other revenue is recognized when the service is performed or the goods are provided. The Authority may provide uninsured medical services for which revenue is recognized and food sales from its hospital cafeterias.

(g) Other employee future benefits and compensated absences

Under the terms and conditions of employment, employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee.

March 31, 2023

2. Basis of presentation and significant accounting policies (continued)

The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. The benefits under these two categories are valued using the projected unit credit methodology. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. Benefits that accrue under compensated absence benefits are actuarially valued using the expected utilization methodology. An actuarial valuation of the cost of these benefits (except parental and maternity, annual, and lieu time leaves) has been prepared using data provided by management and assumptions based on management's best estimates. Unamortized actuarial gains or losses are amortized over the employees' average remaining service life which is 10.3 years (2022 - 10.3 years).

(h) Pensions

The Authority and its eligible employees make contributions to the Public Service Pension Plan administered by the Government of Canada. These contributions represent the total liability of the Authority and are recognized in the financial statements as expenses when they are incurred. The Authority is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Pension Plan.

The Authority and its contracted physicians make contributions to a physician directed investment fund administered by the Canadian Medical Association. These contributions represent the total pension liability of the Authority and are recognized in the financial statements as expenses when they are incurred.

(i) Financial instruments

The Authority classifies its financial instruments at cost or amortized cost.

This category includes cash, accounts receivable, due (to) from Government of the Northwest Territories, due (to) from Government of Canada, and accounts payable and accrued liabilities. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets. Transactions costs related to financial instruments in the amortized cost category are added to the carrying value of the instruments. Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the write down being recognized in the statement of operations.

(j) Non-financial assets

Non-financial assets are accounted for as assets by the Authority because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the Authority unless they are sold.

March 31, 2023

2. Basis of presentation and significant accounting policies (continued)**(k) Contractual obligations and contingencies**

The nature of the Authority's activities requires entry into operational contracts that can be significant in relation to its current financial position or that will materially affect the level of future expenses. Contractual obligations are commitments for operating, commercial and residential leases. Contractual obligations are obligations of the Authority to others that will become liabilities in the future when the terms of those contracts or agreements are met.

The contingencies of the Authority are potential liabilities which may become actual liabilities when one or more future events occur or fail to occur. If the future event is considered likely to occur and is quantifiable, an estimated liability is accrued. If the occurrence of the confirming future event is likely but the amount cannot be reasonably estimated, the contingency is disclosed. If the occurrence of the confirming event is not determinable, the contingency is disclosed.

(l) Expenses

Expenses are reported on an accrual basis. The cost of all goods and services received during the year are expensed, except for certain assets and services provided without charge. Assets provided at no cost are described in Note 13.

(m) Related parties

Related party transactions are in the normal course of operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties, except for certain services and other contributions provided by the GNWT at no cost. The Authority is related in terms of common ownership to all GNWT created departments, public agencies and key management personnel and close family members. Key management personnel are those having authority and responsibility for planning, directing and controlling the activities of the Authority.

Services provided at no cost, that are part of the central agency role of the GNWT and cannot be reasonably estimated are not recorded in these financial statements. These services include, building utilities, repairs and maintenance, payroll processing, insurance and risk management, legal counsel, construction management, records storage, computer operations, asset disposal, project management and translation services.

Other assets and services provided at no cost by the GNWT are recorded in the financial statements. Use of assets which include, buildings, leasehold improvements, equipment, and vehicles, are recorded as described in Note 2 (d). Donated assets recognized as grant-in-kind in the Statement of Operations and Accumulated Deficit, when donations are received. Operating costs paid on the Authority's behalf are recognized as contracted services expense and grant-in-kind in the Statement of Operations. Grant-in-kind is measured using the cost incurred by the GNWT.

Northwest Territories Health and Social Services Authority

Notes to the Financial Statements

(All figures in thousands of dollars)

March 31, 2023

2. Basis of presentation and significant accounting policies (continued)

(n) Accounts payable and accrued liabilities

Liabilities are present obligations arising from past transactions or events, the settlement of which is expected to result in the future sacrifice of economic benefits.

Accounts payable and accrued liabilities primarily include obligations to pay for goods and services acquired prior to year-end, reimbursement of medical related travel expenses, and to pay for employee compensation earned prior to year-end.

Annually, employees earn vacation and lieu credits in accordance with their respective collective bargaining agreement or contract. Any unused credits that have not been paid out are recorded as payable at the employees' pay rate at year end.

3. Designated assets

The Authority records financial information in individual funds that are internally segregated for the purpose of carrying on specific activities or attaining certain objectives. These funds are included in cash on the Statement of Financial Position totaling \$62 (2022 - \$61). Funds established by the Authority include a special project reserve \$62 (2022 - \$61) which are donations made to the Authority under non-contractual conditions.

4. Accounts receivable

The Authority administers the GNWT's medical travel program for both residents and non-residents of the territory. Non-residents of the territory accessing the medical travel program are invoiced directly and any outstanding invoices from non-residents are included in receivables at March 31. Interest is not charged on outstanding amounts receivable. All payments from customers of the Authority are expected within 30 days.

	Accounts Receivable	Allow. For Doubtful Accounts	2023	2022
	\$	\$	\$	\$
Trade Receivables	14,540	(8,365)	6,175	4,678

March 31, 2023

5. Due from/(to) Government of the Northwest Territories

For core funding, the Authority receives transfer payments from the GNWT on a monthly basis. For other recoveries, the Authority receives payments within 30 days of submitting an invoice.

Due from Government of the Northwest Territories

	2023	2022
	\$	\$
Health and Social Services	72,836	65,067
Finance	2,249	1,642
Justice	3	17
Education, Culture and Employment	42	20
Infrastructure	2	-
Total due from Government of the Northwest Territories	75,132	66,746

Due to Government of the Northwest Territories

	2023	2022
	\$	\$
Payroll liabilities	297,042	266,106
Health and Social Services	2,375	2,178
Finance	6,279	5,727

Northwest Territories Health and Social Services Authority

Notes to the Financial Statements

(All figures in thousands of dollars)

March 31, 2023

7. Accounts payable and accrued liabilities

The Authority follows the GNWT for payment practices of accounts payable invoices and pays northern vendors within 20 days and all other vendors within 30 days. The Authority administers the GNWT's Medical travel program for residents of the Northwest Territories and reimbursement of medical related travel expenses are paid to residents accessing the program accordingly. These payables are included in the trade payable.

	2023	2022
	\$	\$
Trade payable	24,008	21,563
Annual leave and lieu time	12,219	11,097
Due to related parties (note 15)	63	97
	<hr/>	<hr/>
Total accounts payable and accrued liabilities	36,290	32,757

8. Employee future benefits and compensated absences

The Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation. Severance benefits are paid to Authority employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness, or death of an immediate family member. Non-accruing benefits include maternity and parental leave.

Northwest Territories Health and Social Services Authority

March 31, 2023

8. Employee future benefits and compensated absences (continued)

Valuation results

The most recent actuarial valuation was completed as at February 11, 2022. The results were extrapolated to March 31, 2023. The effective date of the next actuarial valuation is March 31, 2025. The table below provides details on the change in the accrued benefit obligation as well as the liability for employee future benefits and compensated absences.

	2023	2022
	\$	\$
Accrued benefit obligations, beginning of year	8,663	7,833
Current period benefit cost	655	696
Interest accrued	360	262
Benefits payments	(1,080)	(1,375)
Actuarial loss	(470)	1,247
<u>Accrued benefit obligations, end of year</u>	<u>8,128</u>	<u>8,663</u>
<u>Unamortized net actuarial (loss)</u>	<u>(2,378)</u>	<u>(3,101)</u>
<u>Employee future benefits & compensated absence liability - actuarially valued</u>	<u>5,750</u>	<u>5,562</u>
<u>Other compensated absences liability - not actuarially valued</u>	<u>1,302</u>	<u>757</u>
<u>Total employee future benefits and compensated absences</u>	<u>7,052</u>	<u>6,319</u>
Benefits expense	\$	\$
Current period benefit cost	655	696
Interest accrued	360	261
Amortization of actuarial loss	252	128
	<u>1,267</u>	<u>1,085</u>

The discount rate used to determine the accrued benefit obligation is an average of 4.8% (2022 - 4.1%).

Northwest Territories Health and Social Services Authority

Notes to the Financial Statements

(All figures in thousands of dollars)

March 31, 2023

9. Accumulated deficit	2023	2022
	\$	\$
Accumulated deficit upon amalgamation in 2016	50,824	50,824
Addition to the accumulated deficit since amalgamation	194,559	142,860
	<hr/>	<hr/>
Accumulated deficit	245,383	193,684

10. Contractual obligations

The Authority has entered into agreements for equipment, operations and services (GNWT medical travel program) or is contractually committed to, the following amounts which are currently expected to become liabilities subsequent to March 31, 2023:

	Expires in Fiscal Year	2024	2025	2026	2027	2028	2029	Total
		\$	\$	\$	\$	\$	\$	\$
Equipment leases	2028	259	158	151	46	6	-	620
Operational leases	2025	4,224	725	-	-	-	-	4,949
Service contracts	2027	40,427	19,365	13,914	926	-	-	74,632
		<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
		44,910	20,248	14,065	972	6	-	80,201

11. Contingencies

In the normal course of operations, the Authority is subject to claims and pending and threatened litigation against the Authority and its staff. At year end, the Authority estimated the total claimed amount for which the outcome is not determinable at \$7,030 (2022 - \$7,030). No provision for such claims has been made in these financial statements as it is not determinable that any future event will confirm that a liability has been incurred as at March 31, 2023.

12. Trust assets under administration

The authority administers \$389 (2022 - \$389) of trust assets, consisting of cash held on behalf of patients, which are not included in the reported Authority's assets and liabilities.

March 31, 2023

13. Assets provided at no cost

Details on assets and other contributions provided at no cost recognized in the financial statements are as follows:

Contributed asset	2023	2022
	\$	\$
Use of Assets ⁽¹⁾	21,569	20,428
Stanton Territorial Hospital P3 costs ⁽²⁾	<u>6,820</u>	<u>7,300</u>
Grant-in-Kind Government of NWT	28,389	27,728
Donated Inventory, Government of Canada ⁽³⁾	<u>561</u>	<u>3,250</u>
Total contributed assets	<u>28,950</u>	<u>30,978</u>

⁽¹⁾ Included in Use of Assets is the estimated costs to rent the new Stanton Territorial Hospital based on its current amortization expense of approximately \$8,053 (2022 - \$8,053).

⁽²⁾ Stanton Territorial Hospital P3 cost relate to the operations and maintenance cost which the GNWT pays on behalf of the Authority.

⁽³⁾ The amount of Donated Inventory used during the year, recognized as grant-in-kind expense, was \$1,760 (2022 - \$3,484).

14. Pensions

All eligible employees participate in Canada's Public Service Pension Plan ("PSPP"). The PSPP provides benefits based on the number of years of pensionable service to a maximum of 35 years. Benefits are determined by a formula set out in the legislation; they are not based on the financial status of the pension plan. The basic benefit formula is two percent per year of pensionable service multiplied by the average of the best five consecutive years of earnings.

The PSPP was amended during 2013 which raised the normal retirement age and other age related thresholds from age 60 to age 65 for new members joining the plan on or after January 1, 2013. For members with start dates before January 1, 2013, the normal retirement age remains age 60. The employer contribution rate effective at the end of the year is 1.02 times (2022 – 1.02) the employees' contributions for employees who started prior to January 2013 and 1.0 times (2022 – 1.0) the employees' contributions for all other employees.

The Authority and the contracted physician's contribute to the Physician Retirement Income Benefit ("PRIB"). The Physician's contribution rate is 7.5 percent of the Physician's base salary, minus the Physician's contribution to the Canada Pension Plan. The Authority contribution rate is 15 percent of the Physician's base salary, minus the Employer's contribution to the Canada Pension Plan on behalf of the Physician. The Authority contributed \$13,872 (2022 – \$12,992) to PSPP and \$1,834 (2022 – \$1,962) to the Physician's fund. The employee's contributions were \$13,671 (2022 – \$12,679) and \$832 (2022 – \$896) respectively.

18. Financial Instruments

The Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risk from the Authority's financial instruments by type of risk is provided below:

(a) Credit risk

Credit risk is the risk of financial loss of the Authority if a debtor fails to make payments of interest and principal when due. The Authority is exposed to this risk relating to its cash and accounts receivable.

The Authority holds its cash with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the Authority's cash is insured up to \$100.

Accounts receivable are due from various governments, government agencies, corporations and individuals. Credit risk related to accounts receivable is mitigated by internal controls as well as policies and oversight over arrears for ultimate collection. Management has determined that a portion of accounts receivable are impaired based on specific identification as well as age of receivables. These amounts are as disclosed in Note 4.

The Authority's maximum exposure to credit risk is represented by the financial assets for a total of \$95,125 (2022 - \$107,602).

Concentration of credit risk

Concentration of credit risk is the risk that one or more customers has a significant portion (more than ten percent) of the total accounts receivable balance and thus there is a higher risk to the Authority in the event of a default. The Authority does have concentration of credit risk. At March 31, 2023, receivables from the GNWT comprised 84% of the total outstanding accounts receivables (2022 - 83%). The Authority manages this risk by monitoring overdue balances.

(b) Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet all cash outflow obligations as they come due. The Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting, deferring repayment to the GNWT (Note 1) and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise. All of the Authority's financial assets and financial liabilities as at March 31, 2023 mature within six months of year end.

Total financial assets are \$95,125 (2022 - \$107,602) and financial liabilities are \$350,232 (2022 - \$313,796). The Authority has disclosed contractual obligations in Note 10. There have been no significant changes from the previous year in the exposure to risk or policies, procedures, and methods used to measure the risk.

March 31, 2023

20. Impact of COVID-19 pandemic response

On March 22, 2020, the GNWT declared a public health emergency in response to the coronavirus ("COVID-19") pandemic. The Authority continues to experience a change in demand for its services and is working diligently to mitigate the financial impacts of COVID-19.

In response to COVID 19, the GNWT and Government of Canada provided the Authority with incremental funding of \$14,259 (2022 - \$34,060). The funds were used for incremental expenditures arising from testing, surveillance and treatment of patients as well as medical travel.

A summary of the Authority's incremental revenue and expenses during the 2023 fiscal year relating to COVID-19 is as follows:

	2023		2022
	Budget	Actual	Actual
	\$	\$	\$
Revenues			
Core contributions	13,436	13,436	22,357
Recoveries	-	262	8,454
Grant-in-kind	-	561	3,249
Total Revenue	13,436	14,259	34,060
Expenses			
Community social programs	548	1,501	5,066
Ambulatory care services	4,083	3,150	6,236
Administration and support services	2,877	3,516	9,801
Nursing inpatient services	1,282	1,091	1,809
Community health programs	3,082	6,673	10,380
Supplementary health programs	-	665	1,714
Diagnostic and therapeutic services	1,564	780	1,271
Total Expenses	13,436	17,376	36,277
Annual (shortfall) surplus	-	(3,117)	(2,217)

March 31, 2023

21. Comparative figures

Certain comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.

22. Subsequent events

The Northwest Territories have been impacted by wildfires in the summer of 2023, including an evacuation notice that was issued on August 16, 2023 for the capital city of Yellowknife. While this has no impact on the Authority's financial statements for the year ended March 31, 2023, it may have a significant financial impact in fiscal year March 31, 2024, in particular with respect to the costs incurred for evacuation efforts and in securing alternative treatment locations for patients' care. However, it is not possible to reliably measure the financial impact at this time on the Authority's financial statements for the next fiscal year.
